Get Outta' the Yards! 2012-12-27 two young men pursuing their dream face danger and hardships on a freight train hopping adventure across america the year is 1931 the economy has tanked and millions of unemployed are on their own old man depression slams into america and decides to stick around and do his dirty work as yet roosevelt s new deal has not been imagined in times of hardship like this sports events serve as rallying points and help to lift heavy spirits football fans rely on radio sports casters and newspapers for reports about their favorite team but nothing compares with the thrill of actually attending a game and cheering your team on to victory in a roaring stadium so it is that two fanatic football fans in stockton california with 25 between them decide to attend the big game their beloved usc trojans against their greatest rivals the fighting irish of notre dame the problem is the match is scheduled for south bend indiana 2 200 miles away so being inventive they hatch a plan to ride freight trains across the county to attend the game the idea sounds easy but when put into action it turns tough as reality sets in along the way hunger and freezing cold forces them to seek refuge with the homeless of the day hobos vagrants tramps and itinerant individuals surviving winter without shelter warming themselves around the campfires in hobo jungles tony and his buddy joe hear story tellers spinning accounts of rough times and voicing opinions on the disheartening issues of the day their perspectives on life are broadened they learn survival skills and above all else how

to outwit the railroad bulls this journal by tony delucchi portrays with grace and humor the era of the thirties

Geography and Drug Addiction 2008-09-24 making connections geography and drug addiction geography involves making connections connections in our world among people and places cultures human activities and natural processes it involves understanding the relationships and connections between seemingly disparate or unrelated ideas and between what is and what might be geography also involves connecting with people when i first encountered an extraordinarily vibrant intelligent and socially engaged scientist at a private dinner several years ago i was immediately captivated by the intensity of her passion to understand how and why people become addicted to drugs and what could be done to treat or prevent drug addiction fortunately she was willing to think beyond the bounds of her own discipline in her search for answers our conversation that evening which began with her research on fundamental biochemical processes of drug addiction in the human body evolved inevitably to an exploration of the ways in which research on the geographical context of drug addiction might contribute to the better understanding of etiology of addiction its diffusion its interaction with geographically variable environmental social and economic factors and the strategies for its treatment and prevention this fascinating woman i soon learned was nora volkow the director of the national institute on drug abuse as well as the granddaughter of leon trotsky

Two Trains Running 2014-07-31 this collection of fact and fiction was inspired by the time science fiction writer lucius shepard spent with missoula mike madcat and other members of a controversial brotherhood known as the freight train riders of america shepard rode the rails throughout the western half of the united states with the disenfranchised the homeless the punks the gangs and the joy riders for the magazine article the ftra story over yonder and jailbait in over yonder alcoholic billy long gone finds himself on an unusual train as billy travels his health improves and his thinking clears and he arrives in yonder an unlikely paradise where a few hundred hobos live in apparent peace and tranquillity but every paradise has its price and in yonder peace and tranquillity breed complacency and startling deaths jailbait is a hardcore tale of deception lust revenge and murder in the seedy underbelly of rail yards and train hopping madcat who functions best in a whiskey induced haze must decide between solitude and companionship when he meets up with grace an underaged runaway grace in turn seeks the security of an older man and the life about which only young girls can dream

Drift 2018-03-16 this book was written late in the north american night with the rumbling thuds and booming train horns of the nearby rail yard echoing through my windows reminding me of the train hoppers and gutter punks out there rolling through the darkness in drift jeff ferrell shows how dislocation and disorientation can become phenomena in their own right examining the history of drifting ferrell situates the contemporary global phenomenon of drift within today's economic social and cultural dynamics he also highlights a distinctly north american form of drift that of the train hopping hobo by tracing the hobo's political history and by sharing his own immersion in the world of contemporary train hoppers along the way ferrell sheds light on the ephemeral intensity of drifting communities and explores the contested politics of drift the legal and political strategies designed to control drifters in the interest of economic development the irony by which these strategies spawn further social and spatial exclusion and the ways in which drifters and those who embrace drift create their own slippery strategies of resistance with an eye toward the truth ferrell keenly argues that the lessons of drift can provide us with new models for knowing and engaging with the world around us

Those Crazy Memphis Blues 2011-04-19 those crazy memphis blues is a coming of age story overflowing with humor searching for excitement while armed with little more than false hope poor judgment eternal optimism and a bicycle matt dwyer gets more than he bargained for when he moves to memphis tennessee immersed in the theatre world of 1980's memphis our hero finds himself the victim of an endless series of hysterically bizarre situations triggered by whacky neighbors psychotic girlfriends a profanity spewing boss and an alcoholic roommate attempting to maintain his sanity amidst an unrelenting onslaught of implausible circumstances and eccentric characters is more than enough to give matt dwyer a severe case of those crazy memphis blues

Reauthorization of the Federal Railroad Administration 1998 tom waits's distinctive bourbon soaked growl his unique persona and his incorporation of musical styles from blues to experimental to vaudeville have secured for him a top shelf cult following and an extraordinary critical respect the idea of the wanderer someone who seeks an escape from all of life's problems and dreams himself into oblivion serves as the fundamental personality type around which all waits's music revolves ten years of producing and touring with waits's macabre folktale adaptation across canada and the u s has given author corinne kessel direct access to his work creative process and his associates in this comprehensive analysis kessel examines all of the many characters that have appeared throughout the course of waits's musical career from closing time 1973 to orphans brawlers bawlers and bastards his raw form of expression and his evocative lyrics work together to form an emotional chronicle of society's misfits outcasts and lowlifes he is not the sort of composer to chase after shiny red fire trucks to awesome blazing fires but instead looks after the intangible dreams found dissipating in the last wisp of smoke from a cigarette held in the weathered hands of a broken soul here author corinne kessel pursues waits into this distinctly murky and unsettled atmosphere to address in particular waits's enduring questions of reality landscape and identity

The Words and Music of Tom Waits 2008-11-30 angel matrino resendez is one of history's most notorious serial killers found guilty of nine horrific murders his seemingly random methods shocked the world striking fear into the hearts of thousands who lived along the railroad that the twisted killer travelled in search of blood for the first time this is his amazing true story described by most who knew him as a quiet polite softly spoken man a loving husband and father to a baby daughter nobody would have suspected the monster that lay within this seemingly normal human in this classic of true crime writing bestselling author wensley clarkson delves deep into the mind of a horrifying murder case to uncover the stunning truth about one of the most grisly episodes in criminal history this book will shock and intrigue in equal measure a must for any true crime fan

The Railway Killer - He was a normal man with a normal life, but he turned into one of the world's worst serial killers 2007-03-15 drawn from intimate interviews with 14 modern day steel rail nomads one more train to ride provides a revealing picture of today's american hobo interspersed with their stories are original poems and songs echoing the ancient lyricism and loneliness of life on the road their connections with the past make the experiences of these hoboes even more striking as they ride freight trains and jungle up in hobo camps light years away from the 21st century cyberworld yet touching the very core of american freedom and individualism cliff williams skillfully elicits details of family background motives and clear insights into the daily life and philosophy of the modern hobo with its evocative link to the past one more train to ride continues a long tradition of books on hobo oral history including nels anderson's the hobo 1923 and thomas minehan's boy and girl tramps of america 1934

Reauthorization of the Rail Safety Act 1999 growing up in a small south carolina town in the early 1960s sixteen year old wade james is a regular teenager an accident leaves him in the hospital for two months however and wade needs something to pass the time he turns to the civil war diary of his great grandfather lofton james and finds himself stepping back in time in the summer of 1862 sixteen year old lofton enlists in the confederate army subsequently he fights bloody battles at corinth and later at vicksburg mississippi here he is captured and paroled and then serves in northern georgia and northern virginia an excellent marksman he is pressed into duty as a sharpshooter in that capacity he commits a life altering act he kills us major general john sedgwick at the battle of spotsylvania in may of 1864 the revulsion lofton feels over what he considers a dishonorable act causes him to desert having recovered from his injury wade keeps reading the diary the more he reads the bigger impression the journal makes on him in 1962 the civil rights movement is gaining momentum and wade realizes that he must make a difficult decision to do the right thing with his great grandfather's words to bolster him wade makes a moral choice that will profoundly affect him for the rest of his life

One More Train to Ride 2009-09-18 an exquisite and intense journey through the labyrinths of hanoi leningrad and paris through dreams memory and loss an abandoned package is discovered in the paris metro the subway workers suspect it's a terrorist bomb a vietnamese woman sitting nearby her son asleep on her shoulder waits and begins to reflect on her life from her constrained childhood in communist hanoi to a long period of study in leningrad during the gorbachev period and finally to the parisian suburbs where she now teaches english through everything runs her passion for thuy the father of her son a writer who lives in saigon's chinatown and who with the shadow of the china vietnam border war falling darkly between them she has not seen for eleven years through her breathless vertiginous and deeply moving monologue from beside the subway tracks the narrator attempts to once and for all face the past and exorcise the passion that haunts her

A Good Inheritance 2013-09 in 2010 adam rapoport experienced a life changing epiphany he wanted to travel the world by any means necessary but for the twenty three year old son of an middle upper class family to do so he would have to drop out of graduate school undaunted he sold his possessions and hit the road with a backpack and 700 for the adventure of a lifetime adam wanted to experience the freedoms of homeless travel over the course of two years he learned how to get around and survive on the road he hitchhiked across the united states he joined the crew of a sailboat and explored the bahamas with a seemingly cursed captain he then wound up working under the table in central america and finally he studied under both wilderness survival experts and a spiritualist guru in montana spiritual adventurous humorous self reflective insightful and even romantic memory of a vagabond shows that following one's dream will bring you to places you never thought possible

Chinatown 2022-06-21 the first memoir by wayne kramer legendary guitarist and cofounder of quintessential detroit proto punk legends the mc5 voyeuristically dramatic the new york times book review in january 1969 before the world heard a note of their music the mc5 was on the cover of rolling stone led by legendary guitarist wayne kramer the band was a reflection of the times exciting sexy violent chaotic and even out of control the missing link between free jazz and punk rock the mc5 toured the country played alongside music legends and had a rabid following their music acting as the soundtrack to the blossoming blue collar youth movement kramer wanted to redefine what a rock n roll group was capable of and though there was power in reaching for that it was also a recipe for personal and professional disaster the band recorded three major label albums but by 1972 it was all over kramer's story is literally a revolutionary one but it's also the deeply personal struggle of an addict and an artist a rebel with a great tale to tell from

the glory days of detroit to the junk sick streets of the east village from key west to nashville and sunny l a in and out of prison and on and off of drugs kramer s is the classic journeyman narrative but with a twist he s here to remind us that revolution is always an option
