such it will both fascinate and enthrall all those with an interest in the ancient history of egypt

the valley of the golden mummies 2000

the ancient egyptians had very definite views about their neighbours some positive some negative as one would expect egyptian perceptions of the other were subject to change over time especially in response to changing political social and economic conditions thus as asiatics became a more familiar part of everyday life in egypt and their skills and goods became increasingly important depictions of them took on more favourable aspects the investigation by necessity involves a multi disciplined approach which seeks to combine and synthesize data from a wider variety of sources than drawn upon in earlier studies by the same token the book addresses the interests of and has appeal to a broad spectrum of scholars and general readers

Asiatics in Middle Kingdom Egypt 2016-01-28

focusing primarily on visual forms of representation but also including material on literary representation this volume brings together studies as apparently disparate as the iconography of power in mediterranean prehistory and clothing and cultural meaning in the first and second world wars what draws these chapters together is the common focus on how the scholar of the twenty first century can pursue the interpretation of past representational cultural production from a gendered perspective the fruit of research by academics from the fields of archaeology classics and ancient history art history and social history and from both sides of the atlantic this volume is a fascinating introduction to a developing field

Representations of Gender From Prehistory To the Present 2016-04-30

a study of the material culture of egypt during the period of achaemenid persian rule c 526 404 bce provides a clear overview of the archaeological evidence for achaemenid egypt including temples tombs irrigation works statues stelae seals and coins demonstrates how different types of evidence both textual and archaeological including material of uncertain provenance can be used to address a single historical question offers critical discussion of the dating criteria used by archaeologists for egyptian late period material elucidates strategies used by the persians to establish and maintain control of egypt examines how these strategies may have affected the lives of people living in egypt during the 27th dynasty creates a new explanatory model for the introduction of coinage to ancient egypt previous studies have characterised achaemenid rule of egypt either as ephemeral and weak or oppressive and harsh these characterisations however are based on the perceived lack of evidence for this period filtered through ancient and modern preconceptions about the persians henry colburn challenges these views by assembling and analyzing the archaeological remains from this period including temples tombs irrigation works statues stelae sealings drinking vessels and coins by looking at the decisions made about material culture by egyptians persians and others it becomes possible to see both how the persians integrated egypt into their empire and the full range of experiences people had as a result

Archaeology of Empire in Achaemenid Egypt 2019-09-11

the establishment of kushite rule over egypt during the eighth and seventh centuries bc resulted in a state of extraordinary geographic dimensions and ecological diversity stretching from the tropics of sudanese nubia over 3 000 km to the mediterranean in the double kingdom under taharqo jeremy pope uses the copious documentary and archaeological evidence from taharqo s reign to address a series of questions which have dogged study of the twenty fifth dynasty how was it possible for one king to control all of that territory to what extent were the kushite pharaohs strategies of governance influenced by the circumstances of their homeland versus the precedents of egyptian and libyan rule and how did kushite policies differ from those of their saïte successors bringing to bear an impressive mastery of the sources and refreshingly open to anthropological and comparative approaches jeremy pope s study is welcome in providing a close and careful analysis of varied sources both historical and archaeological david n edwards university of leicester a seminal work pioneering a new historical approach to the twenty fifth dynasty lászló török hungarian academy of sciences

Ancient Egypt 2009-06-25

never had the like occurred examines ancient egypt s own multifaceted encounters with its past as egyptian culture constantly changed and evolved this book follows a chronological arrangement from early egypt to the attitudes of the coptic population in the byzantine period within this framework it asks what access the egyptians had to information about the past whether deliberately or accidentally acquired what use was made of the past what were the egyptians attitudes to the past what sense of past time did the egyptians have and what kinds of reverence for the past did they entertain this is the first book dedicated to the whole range of these themes it provides an explanatory context for the numerous previous studies that have dealt with particular sets of evidence particular periods or particular issues it provides a case study of how civilizations may view and utilize their past

Never Had the Like Occurred 2016-09-16

in ancient egypt state and society alan b lloyd attempts to define analyse and evaluate the institutional and ideological systems which empowered and sustained one of the most successful civilizations of the ancient world for a period in excess of three and a half millennia the volume adopts the premise that all societies are the product of a continuous dialogue with their physical context understood in the broadest sense and that in order to achieve a successful symbiosis with this context they develop an interlocking set of systems defined by historians archaeologists and anthropologists as culture culture therefore can be described as the sum total of the methods employed by a group of human beings to achieve some measure of control over their environment covering the entirety of the civilization and featuring a large number of up to date translations of original egyptian texts ancient egypt focuses on the main aspects of egyptian culture which gave the society its particular character and endeavours to establish what allowed the egyptians to maintain that character for an extraordinary length of time despite enduring cultural shock of many different kinds

Ancient Egypt 2014-06

in this beautifully illustrated and closely argued book a completely updated and much expanded third edition of his magisterial survey curl describes in lively and stimulating prose the numerous revivals of the egyptian style from antiquity to the present day drawing on a wealth of sources his pioneering and definitive work analyzes the remarkable and persistent influence of ancient egyptian culture on the west the author deftly develops his argument that the civilization of ancient egypt is central rather than peripheral to the development of much of western architecture art design and religion curl examines the persistence of egyptian motifs in design from graeco

roman antiquity through the medieval baroque and neo classical periods rise of egyptology in the nineteenth and twentieth century manifestations of egyptianisms prompted by the discovery of tutankhamun s tomb various aspects of egyptianizing tendencies in the art deco style and afterwards for students of art architectural and ancient history and those interested in western european culture generally this book will be an inspiring and invaluable addition to the available literature

containing 250 entries each volume of the dictionary of world biography contains examines the lives of the individuals who shaped their times and left their mark on world history much more than a who's who each entry provides an in depth essay on the life and career of the individual concerned essays commence with a quick reference section that provides basic facts on the individual's life and achievements and conclude with a fully annotated bibliography the extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history any student in the field will want to have one of these as a handy reference companion

Dictionary of Daily Life in Biblical & Post-biblical Antiquity 2017

lawrence durrell's position as one of the twentieth century's leading novelists is continually being enlarged and revised this book presents unusual and unorthodox explorations of alexandria the city at the heart of durrell's writing his family relationships his biographer michael haag and his affinity with such diverse writers as rilke and virgil in particular it offers an insight into durrell's emotions and sensibilities in elaborating his sicilian carousel and a penetrating and totally unique reading of durrell's alexandria quartet in the light of the art and landscape of ancient egypt

The Ancient World 2003-12-16

written in memory of the late cyril aldred one of the world's most highly regarded experts in egyptian art the 30 original and thought provoking essays in this volume by an international team of leading scholars are a major contribution to egyptian art history to egyptology and to art history in general

Post Mortem: Solving History's Great Medical Mysteries 2022-03-02

cutting edge research by twenty four international scholars on female power agency health and literacy in ancient egypt there has been considerable scholarship in the last fifty years on the role of ancient egyptian women in society with their ability to work outside the home inherit and dispense of property initiate divorce testify in court and serve in local government egyptian women exercised more legal rights and economic independence than their counterparts throughout antiquity yet their agency and autonomy are often downplayed undermined or outright ignored in women in ancient egypt twenty four international scholars offer a corrective to this view by presenting the latest cutting edge research on women and gender in ancient egypt covering the entirety of egyptian history from earliest times to late antiquity this volume commences with a thorough study of the earliest written evidence of egyptian women both royal and non royal before moving on to chapters that deal with various aspects of egyptian queens followed by studies on the legal status and economic roles of non royal women and finally on women's health and body adornment within this sweeping chronological range

each study is intensely focused on the evidence recovered from a particular site or a specific time period rather than following a strictly chronological arrangement the thematic organization of chapters enables readers to discern diachronic patterns of continuity and change within each group of women
