1701

this book delves deeply and with a strong scientific emphasis into the theories philosophies and principles of naturopathy the book is the first of its kind in making naturopathy s intricacies easier to understand in a simplified form we have attempted to support each paragraph with evidence in order to convince learning students that naturopathy is a real science and not just a philosophical practice this book will help the reader comprehend naturopathy notions such as vitality holism the body s capacity for healing toxemia and the unity of disease and cure this is a must read book and we advise all naturopathic undergraduate and postgraduate students clinicians as well as health enthusiasts to read it and broaden their understanding of the beauty of naturopathy strengthening the idea will aid learners in understanding the patient and developing treatment strategies which will finally mold them into competent medical professionals and confident naturopaths

Global Health Communication for Immigrants and Refugees

2022-05-04

we are a part of the vast sea of humanity that is searching the ultimate utopia misled by the thought that successful careers and wads of currency will buy us a place here so in a bid to accumulate those wads and reach the pinnacle of successful careers we have surrendered our peace of mind unblemished souls and physical health the 24x7x365 culture has invaded this planet companies proudly flaunt the nonstop work culture slave driving their employees with promises of more greenbacks to compensate for the mental peace and happiness they have lost the taunt muscles the rigid jaws and the overstrained nerves are a few pointers to our unrelenting torture of the self so man today is sick because he thinks he is sick sickness and disease have no place in the life of person who does not accept and tolerate the self limiting thoughts which are real seeds of our myriad ailments we stand hypnotized by the belief that disease and illness are our fate and destiny rather than health and bliss which are truly our birth right and heritage in order to emerge from our mass hypnosis and collective hysteria and to experience health joy and creative fulfilment we must make a systematic application of holistic living through alternate therapies in our daily life the success of efficacy of alternate therapies he experienced provided the impetus inspiration to him to come with compendium of his documented collection over a decade in this book in effect this book makes a humble effort in finding a genuine and truly helpful lifeline for many people giving important popular alternate therapies in single window for ready reference self study and self treatment as its primary objective it is to help you live life to the hilt that his book has been written life is not about toil and ambition alone it is about enjoying each moment it is learning to relax and take things in stride it is about the blissful enjoyment of the years granted to us on this planet believe me you will be more successful happier and contented if you pursue your career relationships and ambitions in a relaxed manner outlined in this book

The Science Behind Philosophy of Nature Cure

2023-07-03

ilchi lee author of healing society presents a toolkit for self reliance management of the core issues of life health sexuality and life purpose meditation breath work and oriental healing arts are offered as self reliant health management skills a distinctive perspective on relationships and an inspirational guide to discover a passionate life purpose are featured this book also includes a practical guide to optimize our life s master controller the brain in the name of comfort and security we have created increasingly complex systems that demand our lives for their maintenance systems cannot answer life s most important questions only you can the ultimate goal of education institutions and expertise should be self education only then will technology serve humanity rather than reign over us human technology contains the principles and tools that can return us to self mastery and the life well lived human technology is a toolkit for living an authentic life

CHINU'S NOTES ON KNOW ALTERNATE THERAPIES

2021-06-09

this book explains how acupuncture can help in preventing as well as treating a host of physical emotional and psychological problems including several that modern medicines has failed to treat it describes how acupuncture works its techniques and how the use of modern scientific methods has made it amongst the best and most effective drugless techniques

Human Technology

2005

after the diagnosis colour and number therapy can be applied on correspondence meridian chakra organ or local affected area of the body it works dynamically provides instant relief with writing the numbers with the mentioned color on the prescribed area on the hand with the symbol for the selected health problem color number therapy heals your body mind spirit soul naturally without any drugs and side effects this holistic health care therapy is very useful in management of pain stress disease like blood pressure obesity paralysis diabetes sciatica slip disc arthritis knee spondylitis cervical frozen shoulder body pain asthma indigestion acidity stress migraine memory sinus varicose veins etc we can get better health wealth happiness harmony beauty and fitness by this technique energy is the capacity to work so nobody can create or destroy the universe energy we can transfer the energy the total amount of energy always remains constant and thus its the basis on which the treatment is provided

Acupuncture Cure For Common Diseases

2005-03
