The Complete Works of Frances Hodgson Burnett 2022-11-13

Mary Lennox, a sickly and spoiled little girl, is orphaned to dim prospects in a gloomy English manor. Her only friend is a bed-ridden boy named Colin, whose prospects may be dimmer than hers. But when Mary finds the key to a secret garden, the magical powers of transformation fall within her reach. The secret garden is an inspirational tale of transformation and empowerment.

The Secret Garden 2022-11-13

A Little Princess by Frances Hodgson Burnett. A Little Princess is a children's novel by Frances Hodgson Burnett, first published as a book in 1905. It is an expanded version of the short story "Sara Crewe or What Happened at Miss Minchin's," which was serialized in *St. Nicholas Magazine* from December 1887 and published in book form in 1888. A Little Princess by Frances Hodgson Burnett, according to Burnett, after she composed the 1902 play *A Little Fairy Princess* based on that story, her publisher asked that she expand the story as a novel with the things and people that had been left out before the novel was published by Charles Scribner's Sons. Also, publisher of *St. Nicholas* with illustrations by Ethel Franklin Betts and the full title *A Little Princess: Being the Whole Story of Sara Crewe, Now Being Told for the First Time*. A Little Princess by Frances Hodgson Burnett based on a 2007 online poll, the U.S. National Education Association listed the book as one of its Teachers' Top 100 books for children. In 2012, it was ranked number 56 among all-time children's novels in a survey published by *School Library Journal*, a monthly with primarily U.S. audience. It was the second of two Burnett novels among the top 100, with *The Secret Garden* number 15. A Little Princess by Frances Hodgson Burnett, the novella appears to have been inspired in part by Charlotte Brontë's unfinished novel *Emma*, the first two chapters of which were published in *Cornhill Magazine* in 1860, featuring a rich heiress with a mysterious past who is apparently abandoned at a boarding school. A Little Princess by Frances Hodgson Burnett.

A Little Princess by Frances Hodgson Burnett 2021-01-01

Scholars of children's literature consider Burnett's seminal work from modern critical perspectives. Contributors examine the works and authors that influenced Burnett, identify authors who have drawn on *The Secret Garden* in their writing, and situate the novel in historical and theoretical contexts from publisher description.

Frances Hodgson Burnett's The Secret Garden 2011

It was the garden that did it, and Mary and Dickon and the creatures and the magic, an orphaned girl, a grim moorland manor with hundreds of empty rooms, strange cries in the night, a walled garden with its door locked and the key buried, and a boy who talks to animals. These are the ingredients of one of the most famous and well-loved of children's classics. Through her discovery of the secret garden, Mary Lennox is gradually transformed from a spoiled and unhappy child into a healthy, unselfish girl who in turn redeems her neglected cousin and his gloomy byronic father. Frances Hodgson Burnett's inspiring story of regeneration and salvation gently subverted the conventions of a century of romantic and gothic fiction for girls. After a hundred years, *The Secret Garden's* critique of empire and of attitudes to childhood and gender, and its advocacy of a holistic approach to health, remains remarkably contemporary and relevant. About the series for over 100 years, Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Secret Garden 2011-03-10

mrs burnett s children are very real and attractive beings forlorn little meg and robin whose illinois home is ruled by an aunt not actively unkind but merely advanced beyond maternal sympathy and affection to an intimate and practical acquaintance with all matters agricultural have caught some echoes from the enthusiasm of the founders of the great white city

The Land of the Blue Flower 2023-11-11

mrs burnett s children are very real and attractive beings forlorn little meg and robin whose illinois home is ruled by an aunt not actively unkind but merely advanced beyond maternal sympathy and affection to an intimate and practical acquaintance with all matters agricultural have caught some echoes from the enthusiasm of the founders of the great white city with their treasure accumulated through six years of penny saving and buried beneath the hay in the straw parlor the two little ones make their way to chicago and the fair where after ecstatic sight seeing their good fairy comes in the shape of wifeless and childless john holt who introduces them to new wonders and finally adopts them the story is told admirably with a wealth of feeling and pathos that never tends toward the maudlin the review of reviews volume 12

Two Little Pilgrims' Progress 2014-11-29

from the author of such children s classics as the secret garden little lord fauntleroy and a little princess the lost prince is the enchanting story of a young boy discovering his true destiny twelve year old marco knows he is being trained for something but he isn t sure what all his life he has traveled with his father in secrecy learning many languages and the ways of a gentleman but forbidden to speak about their country of origin samavia samavia has been fraught with war for the last 500 years ever since the prince mysteriously disappeared but now there is hope that peace may come at last as it has been rumored that a descendant of the lost prince may have been found

The Lost Prince By Francis Hodgson Burnett 2021-01-01

frances hodgson burnett gained fame not only as an author of social fictions and romances but also for writing the immensely popular children s novel little lord fauntleroy she seemed an unlikely candidate to pen a quiet realistic and unsentimental paean to disagreeable children and the natural world which has the power to heal them but it is precisely these qualities that have garnered the secret garden both a continued audience and a central place in the canon of children s literature for a century in frances hodgson burnett s the secret garden a children s classic at 100 some of the most respected scholars of children s literature consider burnett s

seminal work from modern critical perspectives contributors examine the works and authors that influenced burnett identify authors who have drawn on the secret garden in their writing and situate the novel in historical and theoretical contexts these essays push beyond the themes that have tended to occupy the majority of academic scholars who have written about the secret garden to date in doing so they approach the text from theoretical perspectives that allow new light to illuminate old debates scholars and students of children s literature women s literature transcontinental literature and the victorian edwardian period will find in this collection refreshing new looks at a children s classic

Frances Hodgson Burnett's The Secret Garden 2011-07-01

this work presents a captivating short memoir about the author s friendship and experiences with an english robin she met in the rose garden of the english country house many days went by and the curiosity between the two turned into a memorable friendship gradually the robin took courage and began to claim burnett s attention through sweet songs and dances a special bond was created that lasted a long time until frances had to move to america the next spring she wrote about the moment of farewell with such deep emotions that they leave a long lasting impact on the reader she was deeply affected when she couldn t see the robin again burnett wrote the book while recovering from her disastrous second marriage and her son s death this delightful work allowed her to circulate her personal beliefs about nature animals and interspecies interactions she writes about how fascinated she was with the beautiful bird and starts by saying that she did not own the robin but the robin owned her burnett personified the bird throughout the work by writing about her interactions with him and giving him human like attributes
