## **A Song to Save the Salish Sea 2016-10-03**

on the coast of washington and british columbia sit the misty forests and towering mountains of cascadia with archipelagos surrounding its shores and tidal surges of the salish sea trundling through the interior this bioregion has long attracted loggers fishing fleets and land developers each generation seeking successively harder to reach resources as old growth stands salmon stocks and other natural endowments are depleted alongside encroaching developers and industrialists is the presence of a rich environmental movement that has historically built community through musical activism from the wobblies little red songbook 1909 to woody guthrie s columbia river songs 1941 on through to the raging grannies

formation in 1987 cascadia s ecology has inspired legions of songwriters and musicians to advocate for preservation through music in this book mark pedelty explores cascadia s vibrant eco musical community in order to understand how environmentalist music imagines and perhaps even creates a more sustainable conception of place highlighting the music and environmental work of such various groups as dana lyons the raging grannies idle no more towers and trees and irthlingz among others pedelty examines the divergent strategies musical organizational and technological used by each musical group to reach different audiences and to mobilize action he concludes with a discussion of applied ecomusicology considering ways this book might be of use to activists and musicians at the community level

she persisted thirty ten minute plays by women over forty is a collection of plays by members of honor roll an advocacy group of women over forty about honor roll honor roll is an advocacy and action group of women playwrights over forty and our allies whose goal is our inclusion in theater the term women refers to a spectrum of gender identification that includes women non binary identifiers and trans we are the generation excluded at the outset of our careers because of sexism now overlooked because of ageism we celebrate diversity in theater and work to call attention to the negative impact of age discrimination alongside gender race ethnicity faith socioeconomic status disability and sexual orientation in the american theatre and beyond these women are in their forties and fifties and sixties and they have been writing a long time and they are at the height of their craft these are tight complex nuanced pieces of writing which no one has seen because for too long they weren't looking these are important writers and important plays theresa rebeck from the introduction

## **Jet 2008-10-13**

this volume invites the reader into the world of pragmatic and discourse studies in japanese popular culture through character speak the book analyzes quoted speech in light graphic novels the effeminate onee kotoba in talk shows narrative character in keetai mobile phone

novels floating whispers in manga and fictionalized dialects in television drama series explorations into conversational interaction internal monologue rhetorical figures intertextuality and the semiotic mediation between verbal and visual signs reveal how speakers manipulate language in performing playful characters and characteristics most prominent in the discourse of japanese popular culture is its fluid orality we find the essential oral nature in and across genres of japanese popular culture and observe seamless transitions among styles and speech variations this fluidity is understood as a feature of polyphonic speech initiated not by the so called ideal singular speaker but by a multiple and often shifting interplay of one s speaking selves performing as various characters challenging traditional western linguistic theories founded on the concept of the autonomous speaker this study ventures into open and embracing pragmatic and discourse studies that inquire into the very nature of our speaking selves
