the central problem she argues is that people do not face a single culture but a diverse one with multiple perspectives and competing experts american culture speaks of love that is perfect and instantaneous and yet also talks of the constant need to improve relationships talk of love shows how people navigate between these discordant messages and learn to live with these contradictions book jacket a major case study of the book concerns men who have murdered their wives or partners allegedly out of love it is estimated that over 30 of all female murder victims in the united states die at the hands of a former or present spouse or partner how can murdering a loved one be associated with the assumed moral and altruistic love not only is love intrinsically ambivalent but it can also give rise to dangerous consequences some of the worst evils have been committed in the name of love book jacket how does love survive and thrive in the long term in edinburgh rabih and kirsten fall in love get married have children but this is their story after the first flush of infatuation as rabih and kirsten reform their ideals under the pressures of an average existence they discover that love is a skill that needs to be learned and not just experienced history of love and relationships explores the philosophical notion of love and argues that love is more complex than conventional thought would have us believe this profusely illustrated volume lets us walk hand in hand through the 20th century with some of its most famous couples presented in the context of their age year by year couple by couple we also learn about psychoanalysis the kinsey report lingerie the role of the church femmes fatales sex in pop music cinema the couples include hepburn tracy gable lombard lennon ono signoret montand stein toklas the dalis thecuries einstein maric wells west wolfs the fitzgeralds stieglitz o keeffe weill lenya nin miller the roosevelts de

newman woodward paul linda mccartney the book is a meditation on the idea of love there is a long arduous ideational search that the main character undertakes which takes him from the depths of the subconscious to the heights of heaven in order to find the true purpose of love he is aided in this search by a rather shadowy figure that seems to be someone he has been in love with for a very long time he will eventually reach the conclusion that love when all is said and done is really love of the higher self drawing comparisons to the most eloquent science writing of our day three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain the result is an original lucid at times moving account of the complexities of love and its essential role in human well being a general theory of love draws on the latest scientific research to demonstrate that our nervous systems are not self contained from earliest childhood our brains actually link with those of the people close to us in a silent rhythm that alters the very structure of our brains establishes life long emotional patterns and makes us in large part who we are explaining how relationships function how parents shape their child s developing self how psychotherapy really works and how our society dangerously flouts essential emotional laws this is a work of rare passion and eloquence that will forever change the way you think about human intimacy from the trade paperback edition love our hearts yearn for it we fall into it or out of it we ll do almost anything to attain and keep it those who have experienced the power of love whirl from its embrace it is delicious anguish gut wrenching pain and intoxicating allure nations go to war over it crimes are committed to satisfy its demands lives are often ruined because of it and extraordinary feats of courage and sacrifice are performed in its name but beyond the cliches and greeting card platitudes do we really understand what love is and how it alters the way we think feel and behave should love be viewed as little more than a lusty romp or is there more to it what is the relationship between love and romance caring concern compassion thoughtfulness sex and the many other components that our society jumbles together in this potent potpourri whose power can give us insight into the

weakest among us or turn powerhouses of strength into emotional mush it is precisely because love is such an important part of our lives that we owe it to ourselves to reach beyond overwhelming passion and the roadblocks of illusion to achieve real understanding of this extraordinary human phenomenon it won t always be easy in fact it s sometimes quite painful but the rewards are many for those who will risk exploring their own cherished attitudes about a subject that has held us in its grip for centuries and shows no signs of letting go some of the topics covered are what i feel in my heart on the alleged origins of romantic love what do i want when i want you why do i love you the importance of being honest love sex and intimacy beyond sex and gender what s so good about love this is a new release of the original 1920 edition songs of love and empire is a 1898 collection of poetry by e nesbit edith nesbit 1858 1924 was an english poet and author she is perhaps best remembered for her children s literature publishing more than 60 such books under the name e nesbit she was also a political activist and co founded the fabian society which had a significant influence on the labour party and british politics in general this wonderful collection of her best poetry will appeal to fans of her work and would make for a fantastic addition to any bookshelf the poems include to the queen of england after sixty years trafalgar day a song of trafalgar waterloo day a song of peace and honour the ballad of the white lady the ghost bereft the vain spell the adventurer in the enchanted tower faith prelude at the sound of the drum the goose girl and more many vintage books such as this are becoming increasingly scarce and expensive it is with this in mind that we are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new biography of the author a christian life the journal of love and faith are weekly blogs that i write as part of the being40plus online magazine in my passion to spread god s word i ve decided to put these blogs together as mini journals i not only want to help spread god s good word but i also desire to help others or non believers know and understand how we as christians should live in order to live the promised life a better more abundantly filled and happier life given to us by god but in order to obtain the fulfillment of god s promises we must choose to live by his

his will and completely trust in him he loves us abundantly unconditionally and more importantly his love never fails amelia had always been known for her compassionate nature from a young age she exhibited a deep empathy towards all living beings whether they were human or animals her friends often marvelled at how she could sense the emotions of others and offer comfort in times of need it was as if her heart had an innate ability to connect with the pain and joy that surrounded her living in a small village nestled near the edge of a vast enchanted forest amelia found herself in a world where nature s beauty was both her playground and her solace the village was known for its close knit community where everyone looked out for one another amelia s compassion naturally found a home here as she often volunteered to help the elderly tended to injured birds and offered a listening ear to those who sought her out one cool autumn day as the leaves began to change their colours and the air carried a hint of impending winter amelia decided to take a solitary walk into the heart of the enchanting forest she had always felt a deep connection to the wild untouched parts of nature where she could hear the whispers of the trees and feel the heartbeat of the earth beneath her feet after two years hunched over her laptop at home deanna spenser is finally back in the office albeit only for three days a week and predictably she hates it driven by a deep desire for change a yearning to not go back to the way things were before coronavirus she finds herself consumed by memories of adolescence of a friend lost to the past abruptly she is offered a chance to reconnect with her friend yet as the past opens up before her she finds herself wondering if perhaps there are things that should not be revisited after all the poetry of this book is written with tears and blood the reader would come to know what it looks like when a heart bleeds when there was no one to turn to i wrote this poetry collection as a way of expressing my love and pain by reading this poetry the reader will go on a journey of love pain and healing this collection of poems is a raw portrayal of the multiple shades of love complete with its beginnings endings and memories from pre historic times through to the post pandemic era it is rendered in a contemporary voice yet in the style of traditional indian folklore and is a universal reflection of the need and cause for human relationships

heartache and subsequent personal growth definitions of love answers the question what is love in this series of love stories love is defined through six couples each couple stories gives one the meaning of love can love be found in an arranged marriage does one show love through domestic violence can love be created by hate will an affair bring you back to the one you love join these fiery sassy and mysterious couples in a journey where getting lost will bring about the most beautiful meaning of love think you know about love think again anyone who does not know god does not know love should your aim be to find true love and have a successful relations consider thereupon honoring and abiding by the ten commandments primarily the tenth commandment the unwritten code of love as the follow up to a deep dream you ll be amazed by the power of love once again feel what it takes to be heartbroken and experience for yourself what makes this commandment the principal one as wismith found himself in a conflict between his girlfriend and his girlfriend s best friend in an attempt to pursue love and happiness discover the truth in this romantic novel where heartfelt passion meets with tender feelings more info feel free to visit jhonnythermidor.com the perfect love story starts with you do you know that you own the script of love in your life day by day this book shall romance you give you the love that you deserve reminding you you are precious valuable you are a beautiful person you are hot amazing and everything in between and above all you are a gift in this world when you truly love and feel loved you naturally become more beautiful you acquire that amazing inner glow radiating from your whole being it becomes alive in your eyes it shows on your face your become more attractive and pleasant people want to be in your presence and naturally they emulate your state of being you will then know true happiness all you need is already inscribed inside of you open the door to your heart and allow love to enter let it lit up the glow of your being and a wonderful world shall be revealed the love notes were written over the course of one year as daily love messages delivering a much welcomed infusion of love to subscribers perfect to help them start the day on a positive note at readers request the love notes have now become a book the first in the series is a journey of love in finding the true love within yourself falling in love

strangest things we can do and one of the things that makes us uniquely human but what happens to our brains when our eyes meet across a crowded room how are our romantic relationships different from our relationships with friends family or even god this book deals with these questions love and hope is an engaging true story about an incredible forty year love affair happily ever after does not mean there are no tears death is sandwiched between vibrant lives this incredible love story begins in la when a hollywood jewish man meets a lustfully youthful woman he dates the wealthy and influential and she s a younger christian woman from the midwest this story reveals how life changes from a happenstance meeting and changes again when one of them is no longer there it is a story of hope and renewal because of not in spite of tremendous sorrow women read romance stories because they long for passionate life changing love and happy endings they are searching for romance after marriage in their ordinary life this love story is about life after marriage a tenderness which gives a glow to the ordinary mundane things we all live with every day it gives people hope that mediocre relationships do not have to be the norm this memoir is compelling and as i read her love story i experienced her joy and her pain the helpful suggestions addendum is priceless ken rotcop award winning author and screenplay writer pitchmart com we yearn to experience the idealized love depicted in so many novels movies poems and popular songs ironically it is the idealization of love that arms it with its destructive power popular media consistently remind us that love is all we need but statistics concerning the rate of depression and suicides after divorce or romantic break up remind us what might happened if all that we need is taken away this book is about our ideals of love our experiences of love the actual disparity between the two and the manners of coping with this disparity a major study case of the book concerns men who have murdered their wives or partners allegedly out of love it is estimated that over 30 of all female murder victims in the united states die at the hands of a former or present spouse or boyfriend how can murdering a loved one be associated with the assumed moral and altruistic love not only is love intrinsically ambivalent but it can also give rise to dangerous consequences some of the worst evils have been committed in the name of love

the name of god a unique collaboration between a leading philosopher in the field of emotions and a social scientist in the name of love presents fascinating insights into romantic love and its future in modern society

traces the history of love and how it developed from its hebraic and greek origins to an ideal that obsesses the modern western world and highlights philosophers that have challenged conventional thoughts on love and happiness this book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love martin s discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work this scarce antiquarian book is a facsimile reprint of the original due to its age it may contain imperfections such as marks notations marginalia and flawed pages because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work widely considered the most complex of human emotions romantic love both shapes and reflects core societal values its expression offering a window into the cultural zeitgeist in popular culture romantic love has long been a mainstay of film television and music the gap between fictitious narratives of love and real life ones is however usually wide american s expectations of romance and affection often transcend reality tracing the history of love in american culture this book offers insight into both the national character and emotional nature since ancient times people have been enthralled by the complex and multifaceted emotion of love however the

is much more complex than that it is frequently described as an intense feeling of affection devotion and attachment toward someone love can be many different things but there isn't a single universal definition that everyone can agree on if you ever made a mistake in love regretted a broken relationship developed the wrong ideology due to betrayal unreciprocated love or probably for no reason at all you have a negative mindset about love from the standpoint of the original author the misperception resulted from an inability to comprehend love and demonstrate love love isn't a lot of things among them it's about respecting the autonomy of the other person and encouraging their personal development rather than owning or controlling them for a relationship to be truly loving both partners must feel free to pursue their interests and ambitions and have a mutual feeling of trust in one another love is not always simple a strong and happy relationship needs work flexibility and open communication to stay that way love is a support system that aids you in overcoming the difficulties and roadblocks you encounter in life rather than a miracle solution to all of life's issues the supply of love is limitless it is a resource that can keep increasing and expanding throughout your life rather than being something that depletes or wears out love can be shared with friends relatives and even strangers it is not exclusive to one person or one relationship in essence god is love therefore to truly express someone who is love you must first have a close relationship with them only the source of love can enable you to be filled with love what is love what is it to be loved can we trust love is it overrated these are just some of the questions tony milligan pursues in his novel exploration of a subject that has occupied philosophers since the time of plato tackling the mood of pessimism about the nature of love that reaches back through schopenhauer and kierkegaard he examines the links between love and grief love and nature and between love of others and loving oneself we love too few things in the world milligan concludes adding that we need to be loved too to appreciate our own value and the worth of life itself we make sense of love with fantasies stories that shape feelings that are otherwise too overwhelming incoherent and wayward to be tamed for love is a complex bewildering and ecstatic emotion covering a welter of different feelings and moral judgements

fiction art letters memoirs and evidence from everyday life historian barbara h rosenwein explores five of our most enduring fantasies of love like minded union transcendent rapture selfless giving obsessive longing and insatiable desire each has had a long and kaleidoscopic history with lasting effects on how we in the west think about love today yet each leads to a different conclusion about what we should strive for in our relationships if only we could peel back the layers of love and discover its true essence but love doesn t work like that it is constructed on the shards of experience story and feeling shared over time intertwined with other fantasies by understanding the history of how we have loved rosenwein argues we may better navigate our own tumultuous experiences and perhaps write our own scripts the first ever publication of the letters exchanged between giuseppe tomasi di lampedusa author of the leopard and his wife licy giuseppe tomasi di lampedusa the author of the leopard got married late and against the will of his parents to the baltic noble woman alexandra wolff his relationship with baroness licy which had started in the heat of passion and romance ended in a strange domestic arrangement in which the couple lived thousands of miles apart licy in her ancestral home in latvia giuseppe in his run down palazzo in palermo meeting only once or twice a year and exchanging long letters in stendhalian french in these letters here published for the first time their marriage is laid bare glowing with a muted emotional fire they deal with giuseppe s and licy s more pressing preoccupations and their fears at the onslaught of war and include accounts of their diets observations on their beloved pets and descriptions of encounters with mutual acquaintances as a whole they provide a fascinating glimpse into the mind and life of one of the best loved authors of the twentieth century w f forbie m d s the art of love is a unique exploration of the nuances of human love and attraction drawing on his extensive expertise in the field of medicine forbie delves into the science of love providing insights and advice for anyone interested in improving their romantic relationships a must read for anyone navigating the complexities of love and dating this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america

possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant argues that basic human connections love and friendship are withering away and asserts that humans impoverished feelings are rooted in an impoverished language of love the beloved new york times bestselling author making toast and kayak morning returns with a powerful meditation on a universal subject love in the book of love roger rosenblatt explores love in all its moods and variations romantic love courtship battle mystery marriage heartbreak fury confusion melancholy delirium ecstasy love of family of friends love of home of country of work of writing of solitude of art love of nature love of life itself rosenblatt is on a quest to illuminate this elusive and essential emotion to define this thing called love cleverly using lines from love songs to create a flowing ballad as infectious and engaging as a jazz riff he intersperses fictional vignettes that capture lovers in different situations ages and temperaments along with notes addressed to you his wife of fifty years the story i have to tell is of you of others too other people other things but mainly of you it begins and ends with you it always comes back to you lively yet profound poignant yet joyous the book of love is a triumph of intellect and imagination a personal discourse on love that is both novel and timeless love has a history it has meant different things to different people at different moments and has served different purposes this book tells the story of love at a crucial point a moment when the emotional landscape changed dramatically for large numbers of people it is a story based in england but informed by america and covers the period from the end of the first world war until the break up of the beatles to the casual observer this era was a golden age of marriage more people married than ever before they did so at increasingly younger ages and there was a revolution in our idea of what marriage meant pragmatic notions of marriage as institution were superseded by the more romantic ideal of a relationship

individual emotional commitment love sex and personal fulfilment and yet this new idea of marriage based on a belief in the transformative power of love and emotion carried within it the seeds of its own destruction romantic love particularly when tied to sexual satisfaction ultimately proved an unreliable foundation upon which to build marriages fatally it had the potential to evaporate over time and under pressure scratching beneath the surface of the apparent golden age of marriage claire langhamer uncovers the real story of love in the twentieth century via the recollections of ordinary people who lived through the period it is a tale of quiet emotional instability persistent subversion and unsettling change at its end the idea of life long marriage was in serious decline and as langhamer shows this was a decline directly rooted in the contradictions and tensions that lay at the heart of the emotional revolution itself w f forbie m d s the art of love is a unique exploration of the nuances of human love and attraction drawing on his extensive expertise in the field of medicine forbie delves into the science of love providing insights and advice for anyone interested in improving their romantic relationships a must read for anyone navigating the complexities of love and dating this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant representing everything from the charming to the enlightening to the bittersweet and drawn from a variety of cultures around the world these reflections highlight the universality of love and the very human need to express it to others

## **Talk of Love 2001**

the central problem she argues is that people do not face a single culture but a diverse one with multiple perspectives and competing experts american culture speaks of love that is perfect and instantaneous and yet also talks of the constant need to improve relationships talk of love shows how people navigate between these discordant messages and learn to live with these contradictions book jacket

## **In the Name of Love 2008**

a major case study of the book concerns men who have murdered their wives or partners allegedly out of love it is estimated that over 30 of all female murder victims in the united states die at the hands of a former or present spouse or partner how can murdering a loved one be associated with the assumed moral and altruistic love not only is love intrinsically ambivalent but it can also give rise to dangerous consequences some of the worst evils have been committed in the name of love book jacket

## **A Natural History of Love 1994**

history of love and relationships

## **Love 2015**

explores the philosophical notion of love and argues that love is more complex than conventional thought would have us believe

## **Love 2002-06-01**

this profusely illustrated volume lets us walk hand in hand through the 20th century with some of its most famous couples presented in the context of their age year by year couple by couple we also learn about psychoanalysis the kinsey report lingerie the role of the church femmes fatales sex in pop music cinema the couples include hepburn tracy gable lombard lennon ono signoret montand stein toklas the dalis thecuries einstein maric wells west woolfs the fitzgeralds stieglitz o keeffe weill lenya nin miller the roosevelts de beauvoir sartre newman woodward paul linda mccartney

## **Of Love and Silence 2018-11-29**

the book is a meditation on the idea of love there is a long arduous ideational search that the main character undertakes which takes him from the depths of the subconscious to the heights of heaven in order to find the true purpose of love he is aided in this search by a rather shadowy figure that seems to be someone he has been in love with for a very long time he will eventually reach the conclusion that love when all is said and done is really love of the higher self

## **A General Theory of Love 2007-12-18**

drawing comparisons to the most eloquent science writing of our day three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain the result is an original lucid at times moving account of the complexities of love and its essential role in human well being a general theory of love draws on the latest scientific research to demonstrate that our nervous systems are not self contained from earliest childhood our brains actually link with those of the people close to us in a silent rhythm that alters the very structure of our brains establishes life long emotional patterns and makes us in large part who we are explaining how relationships function how parents shape their child s developing self how

psychotherapy really works and how our society dangerously flouts essential emotional laws this is a work of rare passion and eloquence that will forever change the way you think about human intimacy from the trade paperback edition

## **Love 1990**

love our hearts yearn for it we fall into it or out of it we ll do almost anything to attain and keep it those who have experienced the power of love whirl from its embrace it is delicious anguish gut wrenching pain and intoxicating allure nations go to war over it crimes are committed to satisfy its demands lives are often ruined because of it and extraordinary feats of courage and sacrifice are performed in its name but beyond the cliches and greeting card platitudes do we really understand what love is and how it alters the way we think feel and behave should love be viewed as little more than a lusty romp or is there more to it what is the relationship between love and romance caring concern compassion thoughtfulness sex and the many other components that our society jumbles together in this potent potpourri whose power can give strength to the weakest among us or turn powerhouses of strength into emotional mush it is precisely because love is such an important part of our lives that we owe it to ourselves to reach beyond overwhelming passion and the roadblocks of illusion to achieve real understanding of this extraordinary human phenomenon it won t always be easy in fact it s sometimes quite painful but the rewards are many for those who will risk exploring their own cherished attitudes about a subject that has held us in its grip for centuries and shows no signs of letting go some of the topics covered are what i feel in my heart on the alleged origins of romantic love what do i want when i want you why do i love you the importance of being honest love sex and intimacy beyond sex and gender what s so good about love

## **In The Name of Love 2008-02-21**

traces the history of love and how it developed from its hebraic and greek origins to an ideal that obsesses the modern western world and highlights philosophers that have challenged conventional thoughts on love and happiness

## **LOVE2.0 □□□□□□□□ 2014-04-30**

this book brings together a sensitive understanding of love and an unusually careful even painstaking analysis of the enormous but often neglected role of morality and the virtues in love martin s discussions of such virtues as caring courage fidelity and honesty are superb the examples well chosen the argument personal but nevertheless rigorous the prose accessible and enjoyable to read

quality modern editions that are true to the original work

## **Love and All about It (1908) 2009-08**

widely considered the most complex of human emotions romantic love both shapes and reflects core societal values its expression offering a window into the cultural zeitgeist in popular culture romantic love has long been a mainstay of film television and music the gap between fictitious narratives of love and real life ones is however usually wide american s expectations of romance and affection often transcend reality tracing the history of love in american culture this book offers insight into both the national character and emotional nature

## **The Philosophy of Love 2008-06-01**

since ancient times people have been enthralled by the complex and multifaceted emotion of love however the true nature of love is much more complex than that it is frequently described as an intense feeling of affection devotion and attachment toward someone love can be many different things but there isn t a single universal definition that everyone can agree on if you ever made a mistake in love regretted a broken relationship developed the wrong ideology due to betrayal unreciprocated love or probably for no reason at all you have a negative mindset about love from the standpoint of the original author the misperception resulted from an inability to comprehend love and demonstrate love love isn t a lot of things among them it s about respecting the autonomy of the other person and encouraging their personal development rather than owning or controlling them for a relationship to be truly loving both partners must feel free to pursue their interests and ambitions and have a mutual feeling of trust in one another love is not always simple a strong and happy relationship needs work flexibility and open communication to stay that way love is a support system that aids you in overcoming the difficulties and roadblocks you encounter in life rather than a miracle solution to all of life s issues the supply of love is limitless it is a resource that can keep increasing and

expanding throughout your life rather than being something that depletes or wears out love can be shared with friends relatives and even strangers it is not exclusive to one person or one relationship in essence god is love therefore to truly express someone who is love you must first have a close relationship with them only the source of love can enable you to be filled with love

## ***Love in America 2019-11-29***

what is love what is it to be loved can we trust love is it overrated these are just some of the questions tony milligan pursues in his novel exploration of a subject that has occupied philosophers since the time of plato tackling the mood of pessimism about the nature of love that reaches back through schopenhauer and kierkegaard he examines the links between love and grief love and nature and between love of others and loving oneself we love too few things in the world milligan concludes adding that we need to be loved too to appreciate our own value and the worth of life itself

## **What Love Is And Isn't 2023-04-30**

we make sense of love with fantasies stories that shape feelings that are otherwise too overwhelming incoherent and wayward to be tamed for love is a complex bewildering and ecstatic emotion covering a welter of different feelings and moral judgements drawing on philosophy fiction art letters memoirs and evidence from everyday life historian barbara h rosenwein explores five of our most enduring fantasies of love like minded union transcendent rapture selfless giving obsessive longing and insatiable desire each has had a long and kaleidoscopic history with lasting effects on how we in the west think about love today yet each leads to a different conclusion about what we should strive for in our relationships if only we could peel back the layers of love and discover its true essence but love doesn't work like that it is constructed on the shards of experience story and feeling shared over time intertwined with other fantasies by understanding the history of how we have loved rosenwein argues we may better navigate our own tumultuous experiences

and perhaps write our own scripts

## **Love 2014-10-14**

the first ever publication of the letters exchanged between giuseppe tomasi di lampedusa author of the leopard and his wife licy giuseppe tomasi di lampedusa the author of the leopard got married late and against the will of his parents to the baltic noble woman alexandra wolff his relationship with baroness licy which had started in the heat of passion and romance ended in a strange domestic arrangement in which the couple lived thousands of miles apart licy in her ancestral home in latvia giuseppe in his run down palazzo in palermo meeting only once or twice a year and exchanging long letters in stendhalian french in these letters here published for the first time their marriage is laid bare glowing with a muted emotional fire they deal with giuseppe s and licy s more pressing preoccupations and their fears at the onslaught of war and include accounts of their diets observations on their beloved pets and descriptions of encounters with mutual acquaintances as a whole they provide a fascinating glimpse into the mind and life of one of the best loved authors of the twentieth century

## **Letters of Love and Loss 2015-06-24**

argues that basic human connections love and friendship are withering away and asserts that humans impoverished feelings are rooted in an impoverished language of love

## **The Art of Love 2023-07-18**

the beloved new york times bestselling author making toast and kayak morning returns with a powerful meditation on a universal subject love in the book of love roger rosenblatt explores love in all its moods and variations romantic love courtship battle mystery marriage heartbreak fury confusion melancholy delirium ecstasy love of family of friends love of home of country of work of writing of solitude of art love of nature love of life itself rosenblatt is on a quest to illuminate this elusive and essential emotion to define this thing called love cleverly using lines from love songs to create a flowing ballad as infectious and engaging as a jazz riff he intersperses fictional vignettes that capture lovers in different situations ages and temperaments along with notes addressed to you his wife of fifty years the story i have to tell is of you of others too other people other things but mainly of you it begins and ends with you it always comes back to you lively yet profound poignant yet joyous the book of love is a triumph of intellect and imagination a personal discourse on love that is both novel and timeless

## **Love and Friendship 1994-05-01**

love has a history it has meant different things to different people at different moments and has served different purposes this book tells the story of love at a crucial point a moment when the emotional landscape changed dramatically for large numbers of people it is a story based in england but informed by america and covers the period from the end of the first

world war until the break up of the beatles to the casual observer this era was a golden age of marriage more people married than ever before they did so at increasingly younger ages and there was a revolution in our idea of what marriage meant pragmatic notions of marriage as institution were superseded by the more romantic ideal of a relationship based upon individual emotional commitment love sex and personal fulfilment and yet this new idea of marriage based on a belief in the transformative power of love and emotion carried within it the seeds of its own destruction romantic love particularly when tied to sexual satisfaction ultimately proved an unreliable foundation upon which to build marriages fatally it had the potential to evaporate over time and under pressure scratching beneath the surface of the apparent golden age of marriage claire langhamer uncovers the real story of love in the twentieth century via the recollections of ordinary people who lived through the period it is a tale of quiet emotional instability persistent subversion and unsettling change at its end the idea of life long marriage was in serious decline and as langhamer shows this was a decline directly rooted in the contradictions and tensions that lay at the heart of the emotional revolution itself
