## **The Oxford Compendium of Visual Illusions 2017**

visual illusions are compelling phenomena that draw attention to the brain's capacity to construct our perceptual world the compendium is a collection of over 100 chapters on visual illusions written by the illusion creators or by vision scientists who have investigated mechanisms underlying the phenomena

## ***Caris Davis' Stealth 1989***

in this powerful book voddie baucham a preacher professor and cultural apologist explains the sinister worldview behind the social justice movement and critical race theory revealing how it already has infiltrated some seminaries leading to internal denominational conflict canceled careers and lost livelihoods like a fault line it threatens american culture in general and the evangelical church in particular from publisher's description

## ***Fault Lines 2021-04-06***

restoring a gifted art photographer to his place in the american canon and in the process reshaping and expanding our understanding of early 20th century american photography clarence h white 1871 1925 was one of the most influential art photographers and teachers of the early 20th century and a founding member of the photo secession this beautiful publication offers a new appraisal of white's

contributions including his groundbreaking aesthetic experiments his commitment to the ideals of american socialism and his embrace of the expanding fields of photographic book and fashion illustration celebrity portraiture and advertising based on extensive archival research the book challenges the idea of an abrupt rupture between prewar soft focus idealizing photography and postwar modernism to paint a more nuanced picture of american culture in the progressive era clarence h white and his world begins with the artist s early work in ohio which shares with the nascent arts and crafts movement the advocacy of hand production closeness to nature and the simple life white s involvement with the photo secession and his move to new york in 1906 mark a shift in his production as it grew to encompass commercial portraiture and an increasing commitment to teaching which ultimately led him to establish the first institutions in america to combine instruction in both technical and aesthetic aspects of photography the book also incorporates new formal and scientific analysis of white s work and techniques a complete exhibition record and many unpublished illustrations of the moody outdoor scenes and quiet images of domestic life for which he was revered

## ***Clarence H. White and His World*** **2017-01-01**

february 1940 after a decade of worldwide depression world war ii had begun in europe and asia with germany on the march and japan at war with china the global crisis was in a

crescendo america s top songwriter irving berlin had captured the nation s mood a little more than a year before with his patriotic hymn god bless america woody guthrie was having none of it near starving and penniless he was traveling from texas to new york to make a new start as he eked his way across the country by bus and by thumb he couldn t avoid berlin s song some people say that it was when he was freezing by the side of the road in a pennsylvania snowstorm that he conceived of a rebuttal it would encompass the dark realities of the dust bowl and great depression and it would begin with the lines this land is your land this land is my land in this land that i love john shaw writes the dual biography of these beloved american songs examining the lives of their authors he finds that guthrie and berlin had more in common than either could have guessed though guthrie s image was defined by train hopping irving berlin had also risen from homelessness having worked his way up from the streets of new york at the same time this land that i love sheds new light on our patriotic musical heritage from yankee doodle and the star spangled banner to martin luther king s recitation from my country tis of thee on the steps of the lincoln memorial in august 1963 delving into the deeper history of war songs minstrelsy ragtime country music folk music and african american spirituals shaw unearths a rich vein of half forgotten musical traditions with the aid of archival research he uncovers new details about the songs including a never before printed verse for this land is your land the result is a fascinating narrative that refracts and re envisions america s tumultuous history through the prism of two unforgettable anthems

winner of the pen john kenneth galbraith award for nonfiction a dozen years in the making the inheritors weaves together the stories of three ordinary south africans over five tumultuous decades in a sweeping and exquisite look at what really happens when a country resolves to end white supremacy dipuo grew up on the south side of a mine dump that segregated johannesburg s black townships from the white only city some nights she hiked to the top to a south african teenager in the 1980s even an anti apartheid activist like dipuo the divide that separated her from the glittering lights on the other side appeared eternal but in 1994 the world s last explicit racial segregationist regime collapsed to make way for something unprecedented with

penetrating psychological insight intimate reporting and bewitching prose the inheritors tells the story of a country in the throes of a great reckoning through the lives of dipuo her daughter malaika and christo one of the last white south africans drafted to fight for the apartheid regime award winning journalist eve fairbanks probes what happens when people once locked into certain kinds of power relations find their status shifting observing subtle truths about race and power that extend well beyond national borders she explores questions that preoccupy so many of us today how can we let go of our pasts as individuals and as countries how should historical debts be paid and how can a person live an honorable life in a society that for better or worse they no longer recognize

## ***Runaway 2017-08-09***

originally published in 1973 in this systematic treatise anthony quinton examines the concept of substance a philosophical refinement of the everyday notion of a thing

four distinct but not unconnected problems about substance are identified what accounts for the individuality of a thing what confers identity on a thing what is the relation between a thing and its appearances and what kind of thing is fundamental in the sense that its existence is logically independent of that of any other kind of thing in part 1 the first two problems are discussed while in part 2 the third and fourth are considered part 3 examines four kinds of thing that have been commonly held to be in some way non material abstract entities the un observable entities of scientific theory minds and their states and finally values the author argues that theoretical entities and mental states are in fact material he gives a linguistic account of universals and necessary truths and advances a naturalistic theory of value

this book examines how representations of african in the anglophone west have changed in the post imperial age the period since the second world war has seen profound changes in sub saharan africa notably because of decolonization the creation of independent nation states and the transformation of the relationships with the west using a range of case studies from news media maps popular

culture film and tv the contributions assess how narrative and counter narratives have developed and been received by their audiences in light of these changes examining the overlapping areas between media representations and historical events this book will be of interest to students and scholars of african studies and media and cultural studies

## **The Apache Peoples 2013-07-30**

proust s cup of tea analyzes proust s reading of various victorian authors and shows how they contributed to a la recherche du temps perdu this book proves that british literature and art played a fundamental role in proust s writing process by citing from the manuscript versions of his novel as well as from his correspondence essays and the lengthy critical apparatus accompanying his translations of ruskin eells reflects here on why proust was attracted to victorian culture and how he incorporated it into his novel the works of the british novelists he was most interested in thomas hardy and george eliot address questions of gender which proust develops in his own work he builds sodomie et gomorrhe i the section of his novel focusing on homosexuality on a series of explicit citations and guarded allusions to shakespeare darwin walter scott oscar wilde and robert louis stevenson eells explores how proust followed in the pioneering footsteps of those british writers who had ventured beyond the boundaries of conventional sexuality though he took pains to erase their traces in the definitive version of his work this study also highlights how proust made his fictitious painter elstir into a master of ambiguity by modeling his art on turner the pre raphaelites

and whistler eells shows that proust drew on victorian culture in his depiction of sexual ambiguity arguing that he confounded eroticism and aestheticism in the way he inextricably linked the man woman figure with british art and literature as proust aestheticized male and female homosexuality using references to british art and letters eells coins the term anglosexuality to refer to his characters of the third sex she defines anglosexuality as an intersexuality represented through intertextuality as an artistic sensitivity an aesthetic stance and a new way of seeing proust s cup of tea thus demonstrates that victorian culture and homoeroticism form one of the cornerstones of proust s monumental work
