U.S. Master Excise Tax Guide provides a thorough explanation of federal excise taxes and follows the style of the U.S. Master Tax Guide. This convenient reference serves as an indispensable resource for accountants and tax professionals who work in the increasingly important and complex area of excise taxes. The new edition fully reflects changes brought about by recent tax legislation including the new indoor tanning services tax introduced by the Patient Protection and Affordable Care Act of 2010, the tax on medical devices introduced by the Health Care and Education Reconciliation Act of 2010, and the important extensions to various fuel production incentives made by the Tax Relief, Unemployment Reauthorization and Job Creation Act of 2010, as well as new regulations, rulings, and significant court decisions.
