Gift for victoria: victoria personalized notebook, a beautiful gift, journal for your brother, sister, auntie, a fresh perspective on british history from award-winning broadcaster fatima manji. Why was there a turkish mosque adorning britain's most famous botanic garden in the eighteenth century? How did a pair of persian inscribed cannon end up in rural wales? And who is the moroccan man depicted in a long forgotten portrait hanging in a west london stately home? Throughout britain's museums, civic buildings and stately homes, relics can be found that reveal the diversity of pre-twentieth century britain and expose the misconceptions around modern immigration narratives. In her journey across britain exploring cultural landmarks, fatima manji searches for a richer and more honest story of a nation struggling with identity and the legacy of empire. A timely, brilliant and very brave book. Jerry Brotton, author of *This Orient Isle*.
