1992

a new life of jesus written by one of the outstanding scholars of his generation it offers a complete resource on the historical jesus debate with an overview of the various positions taken on who the historical jesus was casey provides a helpful and accessible tool for understanding how the historical jesus has been received and understood with attention paid to the contortions in evidence in the last century to prove that jesus was not jewish

Interstate Commerce Commission Reports

1927

the ancient chinese were profoundly influenced by the sun moon and stars making persistent efforts to mirror astral

phenomena in shaping their civilization in this pioneering text david w pankenier introduces readers to a seriously understudied field illustrating how astronomy shaped the culture of china from the very beginning and how it influenced areas as disparate as art architecture calendrical science myth technology and political and military decision making as elsewhere in the ancient world there was no positive distinction between astronomy and astrology in ancient china and so astrology or more precisely astral omenology is a principal focus of the book drawing on a broad range of sources including archaeological discoveries classical texts inscriptions and paleography this thought provoking book documents the role of astronomical phenomena in the development of the celestial empire from the late neolithic through the late imperial period

Adobe Premiere Pro Studio Techniques

2013-12-27

a modern integral astrology which is found by the author a contemporary czech astrologer ján kaleta aquarian astrology works with the basic structure of human being which is defined by the esotericists and proven by the experience of many researchers of human consciousness aquarian astrology expresses the searching so called intention of soul which is related to the present incarnation aquarian astrology turns the attention of the adept on the long periodal influences of great cycles especially the precession cycle of the earth axis it is noticing the individual and transpersonal human experiences but also gives heed to the threshold of the sociocultural and individual experience with regard to rising number of people who reach it the author is confirming the empiric research by own astrological praxis through the last years the work done is fruitful in understanding how the new astrology can work
