victoria queen of great britain 1819 1901  
publication date 1985 topics queen victoria  
1819 1901 is one of the most famous monarchs  
of all time and her reign lasting for 63 years  
and seven months is now known as the victorian  
era a period of great industrial and  
scientific change as well as expansion of the  
british empire these excerpts from her diaries  
span from 1832 when victoria was 13 years old  
to 1840 queen victoria s journals represent a  
valuable primary source for scholars of  
nineteenth century british political and  
social history and for those working on gender  
and autobiographical writing biographer a n  
wilson uncovers the intriguing personal life  
of queen victoria through her journals and  
letters in this psychological portrait of  
britain s longest reigning monarch with queen  
queen victoria at the age of twenty from a  
sketch by sir edwin landseer but queen  
victoria except perhaps in the first year or  
so of her diaries must have been aware that  
the diary of a sovereign was certain one day  
to see the light the recently published
