 while maintaining their values about caring and generosity reprint 35 000 first printing
 the united states is a country of machines without the use of these machines through lend
 lease we would lose this war josef stalin 1943 quoted in w averell harriman and elie abel
 special envoy to churchill and stalin 1941 1946 random house n y 1975 p 277 the united
 states shipped more than 12 billion in lend lease aid to stalin s russia during world war ii
 materials lent beginning in late 1941 before the japanese attack on pearl harbor included
 airplanes and tanks locomotives and rails construction materials entire military production
 assembly lines food and clothing aviation fuel and much else lend lease is now recognized
 by post soviet russian historians as essential to the soviet war effort wielding many facts
 and statistics never before published in the u s author albert l weeks keenly analyzes the
 diplomatic rationale for and results of this assistance russia s life saver is a brilliant
 contribution to the study of u s soviet relations and its role in world war ii pediatrician
 soldier tells col dr garbarino s amazing true story of how he left the safety and security of
 a successful medical practice to enter a combat zone experience a different side of war the
 human side with this deeply emotional first hand account of this pediatrician s overseas
 deployment for operation iraqi freedom view the war from the perspective of someone who
 is there to take care of our soldiers pediatrician soldier is an easy to read collection of
 essays based on dr garbarino s diaries and e mails while in iraq and kuwait some of the
 stories are humorous some are inspiring throughout dr garbarino provides a blunt
 assessment of what has worked what has failed to meet the needs of our soldiers
 compassionate and powerful this book reveals this childrens physician s incredible
 dedication and devotion to caring for our troops who he describes as just big kids using
 humor empathy and love in addition there are essays from others who have been affected
 by the war who have served in iraq and those from home each offers the author s own

experiences and perspective on the Iraq war get to know two soldiers one fallen captain John J. McKenna killed by sniper fire while leading his soldiers during a mission and one forever traumatized Sgt. Daniel Tallouzi who because of a small piece of shrapnel from a mortar attack returned in an eyes open coma feel for those family members living each day never knowing if their loved ones will return in a box disabled or forever changed Col. Garbarino the soldier has seen how war's devastation has brought death and destruction to all in its path his book allows insight into his two tours as seen through his eyes written with deep passion and revealing a human face to war Dr. Charlie the pediatrician is looking into the future to see if there will be a world for tomorrow's children Randy Purham is a soldier entrepreneur serving in the United States Army with retirement on the horizon he realized that his plethora of knowledge and experience was something that could not be ignored the oldest of 11 siblings and father of six children he has completed three tours to Iraq and served at many duty assignments across the US and internationally this Chicago, IL native felt an obligation to share his knowledge and experiences with those that are seeking guidance with getting started in life the new you now equipped with wisdom is a guide using experience as the best teacher this book shows a step by step way of getting through life starting from high school through retirement truly a must read for all in life the new you now equipped with wisdom is a guide using experience as the best teacher this book shows a step by step way of getting through life starting from high school through retirement truly a must read for all the most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics written by world renowned health and safety researcher E. Scott Geller working safe how to help people actively care for health and safety second edition presents science based and practical approaches to improving attitudes and behavior for achieving an injury free work environment this book teaches proactive applications of behavior based psychology for improving health and safety relevant theory and principles are clearly explained and practical step by step procedures are detailed Dr. Geller's anecdotal and non academic writing style makes the book fun and easy to read this research based text is completely updated and expanded from the 1996 edition it includes three new chapters one on behavioral safety analysis another on intervening with supportive conversation and the third on how to promote high performance teamwork thus this second edition continues to provide the practical advice safety leaders rely on working safe how to help people actively care for health and safety supplies the research and theory needed to customize effective behavior based procedures and tools in your workplace the information and examples provide health and safety professionals with behavioral science methods capable of enhancing safety awareness reducing at risk behavior and facilitating ongoing participation in safety related activities featured in Don't Sweat the Small Stuff the Kristine Carlson story starring Heather Locklear premiering on Lifetime in this classic roadmap to managing your high tension job Richard Carlson shows how to stop worrying about the aspects of your work beyond your control and interact more fruitfully and joyfully with colleagues clients and bosses his key insights reveal how to manage rush deadlines with rushing how to transform your outlook and prepare for the day ahead how to enjoy corporate travel how to have a really bad day and get over it
