a reference guide includes records in the realms of popular culture sports science nature and technology and includes a section of united states records this finding aid will help researchers interested in japanese war crimes war criminals and war crimes trials to navigate the vast holdings of the u s national archives and records administration at college park nara it will also be useful to anyone interested in military intelligence political diplomatic economic financial social and cultural activities in the far east during 1931 1951 as well as to those searching for information regarding allied prisoners of war the organization functions and activities of american and allied agencies and the japanese occupation of countries and the american occupation of japan while not aimed at researchers interested in the strategic and tactical military and naval history of the war in the far east this finding aid may nevertheless be useful to those with such interests if only to identify record groups and series of records that may bear on those topics this finding aid covers records from over twenty record groups and includes materials declassified under the japanese imperial government disclosure act of 2000 p l 106 567 as well as records that were never classified and those declassified before the passage of the disclosure act because the process of identifying declassifying accessioning and processing of records under the act is taking place as this finding is being compiled late arriving records may not be identified in this finding aid researchers should consult the iwg site archives gov iwg for a complete and up to date list of records declassified under the japanese imperial government disclosure act federal agencies involved in the identification and declassification of relevant classified records ascertained that there were relatively few pertinent records that were still classified most relevant records were either never classified or were declassified decades before the act and were already in nara s custody while this finding aid s coverage is broad it is not comprehensive researchers may find other relevant series of records within the record groups mentioned or not mentioned researchers are encouraged to use other finding aids and consult with nara staff to locate records of interest in addition the national archives at college park holds nontextual records such as still photographs and motion pictures that researchers may want to examine other nara facilities hold many records and donated material related to world war ii including records related to the subjects covered in this finding aid this is particularly true of the franklin d roosevelt the harry s truman and the dwight d think of archives as vast mountain ranges of records with the archivists guiding the expeditions explorations on familiar well trodden paths produce new perspectives when examined with fresh eyes and imagination a reference guide includes records in the realms of popular culture sports science nature and technology and includes a section of united states records mixed methods research is becoming prevalent in many fields yet little has been done to elevate mixed methods research in information science a comprehensive picture of information science and its problems is needed to further understand and address the issues associated with it as well as how mixed methods research can be adapted and used the handbook of research on mixed methods research in information science discusses the quality of mixed methods studies and methodological transparency sampling in mixed methods research and the application of theory in mixed methods research throughout various contexts covering topics such as the issues and potential directions for further research in mixed methods this comprehensive major reference work is ideal for researchers policymakers academicians librarians practitioners instructors and students libraries archives and museums hold a wide variety of moving images all of which require the same level of attention to issues of organization and access as their print counterparts consequently the people who create collection level records and metadata for these resources need to be equally conversant in the principles of cataloging martha yee covers both descriptive aacr2r amim and fiaf rules and subject cataloging with a focus on lcs in the process the reader is encouraged to think critically and to be prepared to make decisions in ambiguous situations where solutions to problems are not always obvious or clearly dictated by specific rules contains systems of records maintained on individuals by federal agencies which were published in the federal register and rules of each agency concerning the procedures the agency will use in helping individuals who request information about their records this book highlights the recent research on hybrid intelligent systems and their various practical applications it presents 97 selected papers from the 22nd international conference on hybrid intelligent systems his 2022 and 26 papers from the 18th international conference on information assurance and security which was held online from 13 to 15 december 2022 a premier conference in the field of artificial intelligence and machine learning applications his ias 2022 brought together researchers engineers and practitioners whose work involves intelligent systems network security and their applications in industry including contributions by authors from over 35 countries the book offers a valuable reference guide for all researchers students and practitioners in the fields of computer science and engineering books of fate and popular culture in early china is a comprehensive introduction to the manuscripts known as daybooks examples of which have been found in warring states qin and han tombs 453 bce 220 ce their main content concerns hemerology or knowledge of good and bad days daybooks reveal the place of hemerology in daily life and are invaluable sources for the study of popular culture eleven scholars have contributed chapters examining the daybooks from different perspectives detailing their significance as manuscript objects intended for everyday use and showing their connection to almanacs still popular in chinese communities today as well as to hemerological literature in medieval europe and ancient babylon contributors include marianne

bujard lászló sándor chardonnens christopher cullen donald harper marc kalinowski li ling liu lexian alasdair livingstone richard smith alain thote and yan changgui this book is a compilation of papers published in international journal of innovation and technology management the chapters in the book focus on recent developments in the field of innovation and technology management carefully selected on the basis of relevance rigor and research the chapters in the book take the readers through various emerging topics and trends in the field written in a simple and accessible manner the chapters in this book will be of interest to academics practitioners and general public interested in knowing about emerging trends in innovation and technology management the handbook offers a comprehensive overview of theoretical and practical perspectives for tracking and interpreting trends and issues in tourism sustainability planning and development management and technology tourism is a dynamic and unpredictable industry and understanding its trends and issues is critical for the successful and sustainable development of the private and public sector as such this handbook proposes clear definitions and provides a systematic classification scheme for such analysing it reviews trends and issues in four thematic areas of tourism sustainability planning and development management and technology with contributions from 83 leading tourism scholars from across the globe the handbook provides insights on the differences among domestic outbound and inbound markets and acknowledges that the supply sub sectors of tourism are diverse highlighting variations by geographic regions the book emphasises the necessity to prioritise sustainability and the achievement of the un s sustainable development goals sdgs students and professionals interested in tourism hospitality and sustainability will find a wealth of multidisciplinary knowledge in this handbook
