Nov 15 2023

ResearchGate is a platform for researchers to share their work and collaborate. It offers a variety of features, including a search function, a recommendation system, and a social network. Researchers can upload their papers, articles, and books, and they can also read and comment on the work of others. ResearchGate is a great way for researchers to stay up-to-date on the latest research in their field and to connect with other researchers who are working on similar topics.

## researchgate find and share research

Oct 14 2023

ResearchGate offers access to 160 million publications and connects with 25 million researchers. Researchers can join for free and gain visibility by uploading their research.
