Society in Focus 2018-11-13 society in focus an introduction to sociology ninth edition is intended for the introduction to sociology course taught at the freshman sophomore level

New Society 2004-01 helps readers understand and analyze social work and social welfare within the context of modern political systems taking a critical thinking approach social work social welfare and american society describes and analyzes social work and social welfare within the framework of american political belief systems to help students put social work practice into context the thoroughly updated 9th edition features an increased focus on social work practice throughout the text and in two new chapters chs 1 and 5 while continuing to examine the most up to date issues in the politics of social welfare the 9th edition adds discussions of the progressive and radical perspective on social welfare in addition to liberal and conservative positions it also features new discussions on a wide range of issues that include intersectionality poverty and inequality restorative justice and the opioid epidemic

Social Work, Social Welfare and American Society 2019-03-15 police society ninth edition offers an in depth and analytical look at policing from police behavior and organization to operations and historical perspectives focusing on the relationship between the police and the community and how it has changed throughout the years the authors explore the most important theoretical foundations and incisive research on contemporary policing and show how that research is put into practice the text is enhanced by extensive pedagogy and a unique chapter on higher education and policing

Police and Society 2022-12-13 the book that made mcdonaldization part of the lexicon of contemporary sociological theory read by hundreds of thousands of students is now in its ninth edition george ritzer s seminal work of critical sociology the mcdonaldization of society continues to stand as one of the pillars of modern day sociological thought building on the argument that that the fast food restaurant has become the model for the rationalization process today this book links theory to contemporary life in a globalized world and resonates with students in a way that few other books do ritzer opens students

eyes to many current issues and shows how mcdonaldization's principles apply to other settings especially in the areas of consumption and globalization through vivid story telling prose ritzer provides an insightful introduction to this fascinating topic and aids students critical development this new edition has been fully updated to include a new focus on mcdonaldization in the digital world

The McDonaldization of Society 2018-01-12 over a million copies sold worldwide the indispensable guide to understanding the world we make and the lives we lead this thoroughly revised and updated ninth edition remains unrivalled in its vibrant engaging and authoritative introduction to sociology the authors provide a commanding overview of the latest global developments and new ideas in this fascinating subject classic debates are also given careful coverage with even the most complex ideas explained in a straightforward way written in a fluent easy to follow style the book manages to be intellectually rigorous but still very accessible with a strong focus on interactive pedagogy it aims to engage and excite readers helping them to see the enduring value of thinking sociologically the ninth edition includes a solid foundation in the basics of sociology its purpose methodology and theories up to the minute overviews of key topics in social life from gender personal life and poverty to globalization the media and politics stimulating examples of what sociology has to say about key issues in our contemporary world such as climate change growing inequality and rising polarization in societies across the world a strong focus on global connections and the ways that digital technologies are radically transforming our lives quality pedagogical features such as classic studies and global society boxes and thinking critically reflection points as well as end of chapter activities inviting readers to engage with popular culture and original research articles to gather sociological insights the ninth edition sets the standard for introductory sociology in a complex world it is the ideal teaching text for first year university and college courses and will help to inspire a new generation of sociologists

New Society : Sociology for the 21st Century, Third Edition.

Instructor's Manual 2001 now in its ninth edition this popular

introduction tackles the most recent trends in american politics and society through explanation analyses and interpretations of government processes adding valuable context for students by considering these procedures and developments from an international perspective fully updated to take account of the many recent developments in american politics and society exploring developments characterized by the deepest ideological divisions in recent memory features new chapters on the performance of the obama presidency and the polarization of american politics focuses on the divisive ideological climate that now dominates american politics and which was exemplified by the bitter and polarized 2016 presidential election campaign benefits from a student friendly style and design with numerous illustrations and a range of helpful pedagogical features including chronologies biographies and definition boxes highlighting key concepts and controversial issues offers thought provoking insights into the social background to contemporary politics in america while fully embracing the latest developments and considering these from a non u s perspective
