the demand from private forestry for guidance on payment of workers has increased enormously over the past few years and the forestry commission has been meeting this demand by giving enquirers copies of its standard time tables and output guides the indiscriminate issue of these tables is however likely to cause more problems than it solves particularly where the user has little experience of using such tables as a basis for incentive payment or what is worse he uses outdated tables to meet these needs it has been decided to publish current tables in the form of a forestry commission booklet every few years this issue is dated 1978 users are strongly recommended in their own interests to replace it by the next edition as soon as it is available
