# Free download Techniques of the selling writer .pdf

techniques of the selling writer provides solid instruction for people who want to write and sell fiction not just to talk and study about it it gives the background insights and specific procedures needed by all beginning writers here one can learn how to group words into copy that moves movement into scenes and scenes into stories how to develop characters how to revise and polish and finally how to sell the product no one can teach talent but the practical skills of the professional writer s craft can certainly be taught the correct and imaginative use of these kills can shorten any beginner s apprenticeship by years this is the the work of an author doesn t end when the completed manuscript is sent to the publisher in today s world of publishing successful authors must take part in the marketing of their own books the skills needed for promoting books are much different than those needed to research and write books for many authors speaking before a public gathering is a painful experience for more than a decade bruce e mowday has been researching writing promoting and marketing his five published books this guide contains practical tips told through personal experiences to help those published and self published authors increase book sales mowday discusses his successful and not so successful book signings to give ideas to authors on how to avoid frustrating situations and create successful book selling opportunities he also draws on his experience as a journalist to offer advice on how to connect with reporters he also offers tips on identifying groups likely to purchase authors books every writing project has one thing in common they all start with a single sentence writers constantly struggle to answer this question what is your story about finally a quide by a leading hollywood insider who actually knows the answer and now she shows you how to do it yourself lane shefter bishop ceo of vast entertainment explains the key to selling your screenplay novel or script this comprehensive guide to opening career doors is the first of its kind highlighting the tips and techniques for making your story stand out from tips on character development to hints on points to avoid bishop covers all your bases when selling your story enhance your chances of getting your novel published with this one of a kind quide writers often spend years perfecting their first novel then hit a dead end when it comes to getting it published learning to market your novel will make it stand out from the thousands of other books clamoring for the attention of an ever shrinking number of publishers in this book elizabeth lyon offers the wisdom of more than twenty years of experience as an author book editor writing instructor and marketing consultant step by step she details what editors want what questions to ask them and how to develop a marketing strategy you will learn how to categorize your novel and the sixteen ways of describing it nine ways of selling your novel descriptions of the jobs of literary agent editor and writer examples of actual story synopses and successful guery letters in all the genres how to prepare sample selling author vickie gould shares how she's created her books and helped nearly 100 others become best sellers as well her clients have written their books in as little as 14 days using her methods don t forget to download your free workbook companion at bit ly ewworkbook for more in depth help and bit ly 5secretstrategies for 5 secret strategies to write your book quickly scroll back to the top and grab your copy of easy writer now if you want to write a book that s going to sell to both publishers and readers you need to know how to produce a marketable work and help it become successful it starts the moment you have an idea that s when you begin thinking about the first elements of the business plan that will make your project the best it can be the reality is that you don't want to spend time and energy writing a book that will never get read the way to avoid that is to create a business plan for your book and evaluate it and yourself through the same lens that an agent or acquisitions editor would the author training manual will show you how to get more creative and start looking at your work with those high standards in mind whether you re writing fiction or non fiction or intend to publish traditionally or self publish author nina amir will teach you how to conduct an effective competitive analysis for your work and do a better job at delivering the goods to readers than similar books that are already on the shelf packed with step by step instructions idea evaluations sample business plans editor and agent commentaries and much more the author training manual provides the information you need to transform from best selling authors have that you don't what are they doing to get their books on the bestseller lists what is their secret the answer is in one simple little word platform the bestselling author will show you step by step how to successfully construct a platform that works for you what is a platform platform has very little to do with the actual book or books you have written it has everything to do with how many people you can offer your book to it also is a good indication of how many people have read your work bought your books subscribed to your emails read your blog post or followed you on social media a platform is a group of people it is your reader fan base finding and influencing as many of them as possible as often as possible is the key to building your platform it's real work and it's not easy but once you dedicate some time and effort to building your platform you will reap

the benefits the bestselling author features 19 tips on building a lasting platform including establishing a platform building habit setting up your author s blog and your email list taking advantage of social media putting your fellow authors and readers to work for you in essence an author platform is a relationship you build with your readers over a lifetime and an author platform is what separates truly successful authors from merely talented ones the bestselling author is the road map on how to get there break barriers that hinder your progress becoming an author is a prestigious accomplishment it has many advantages it demonstrates your vast knowledge in a domain and establishes you as a thought leader the new york times quotes a research which states that over 81 of people polled wanted to author a book however the reality is different the majority of us never realize this dream this book offers perfect solutions tips and techniques to help you get your book out it contains a comprehensive compendium of advice from authors who have won prestigious literary awards such as the nobel prize for literature man booker prize and the pulitzer prize and have cumulatively sold multiple millions of copies the goal of this book is to help you realize your long term dream to write and publish a book

## Techniques of the Selling Writer

2012-09-06
