## **Car Guys vs. Bean Counters 2011-06-09**

a legend in the car industry reveals the philosophy that s starting to turn general motors around in 2001 general motors hired bob lutz out of retirement with a mandate to save the company by making great cars again he launched a war against penny pinching office politics turf wars and risk avoidance after declaring bankruptcy during the recession of 2008 gm is back on track thanks to its embrace of lutz s philosophy when lutz got into the auto business in the early sixties ceos knew that if you captured the public s imagination with great cars the money would follow the car guys held sway and gm dominated with bold creative leadership and iconic brands like cadillac buick pontiac oldsmobile gmc and chevrolet but then gm s leadership began to put their faith in analysis determined to eliminate the waste and personality worship of the bygone creative leaders management got too smart for its own good with the bean counters firmly in charge carmakers and much of american industry lost their single minded focus on product excellence decline followed lutz s commonsense lessons with a generous helping of fascinating anecdotes will inspire readers at any company facing the bean counter analysis paralysis menace
