reference point for students and scholars of iranian history persian literature and the arts of the islamic world this volume contains seventeen essays on the mamlok sultanate written by leading historians of this period and discusses social and cultural issues women in mamlok society literary and poetic genres the politics of material culture and regional and local politics jerusalem explored is a book by italian architect and engineer ermete pierotti who worked for several years in jerusalem as a consultant for the franciscans he was involved in archeological explorations and in this book he put down the knowledge he had gained during his work the book provides a description of the ancient and modern city of jerusalem containing many photographs drawings and maps illustrating the manners of the ancient hebrews pierotti s maps showed new as yet unknown and unexplored canals in the underground of the temple mount with the modern methods of archeology these channels could also be detected building upon previous volumes by the same editor this book contains studies of nine of the most important writers of arabic language textual sources for the crusades and the frankish presence in the eastern mediterranean in the period 1097 1291 r stephen humphreys s new book presents a much needed and thoughtful analysis of islam s place in today s middle east in clear accessible language he examines both the medieval and modern history of the region to show the interweaving of the sacred and secular in its political and intellectual life between memory and desire reminds us how middle easterners remember the past the colonial era as a time of shame the post independence period as disappointing and the middle ages as glorious driven by these memories they struggle to liberate themselves from that past and to seize what they view as rightfully theirs this volume offers a literary and cultural history of the idea of

crusading over the last millennium the first full account of the medieval struggle for jerusalem from the seventh to the thirteenth century the history of jerusalem is one of conflict faith and empire few cities have been attacked as often and as savagely this was no less true in the middle ages from the persian sack in 614 through the bloody first crusade and beyond jerusalem changed hands countless times but despite these horrific acts of violence its story during this period is also one of interfaith tolerance and accord in this gripping history john d hosler explores the great clashes and delicate settlements of medieval jerusalem he examines the city s many sieges and considers the experiences of its inhabitants of all faiths the city s conquerors consistently acknowledged and reinforced the rights of those religious minorities over which they ruled deeply researched this account reveals the way in which jerusalem s past has been constructed on partial histories and urges us to reckon with the city s broader historical contours william of tyre s history of the kingdom of jerusalem has long been viewed as one of the most useful sources for the crusades and the latin east from the beginnings of the first crusade to william s death shortly before saladin s conquest of jerusalem however this text was most popular during the medieval period in an old french translation in the old french of william of tyre philip handyside identifies the differences between the latin and french texts and analyses the translator motives for producing the translation and highlights significant changes that may provide a better understanding of the period in question handyside also argues for a complex manuscript tradition that developed across the medieval mediterranean reprint of the original first published in 1864 babylon under western eyes examines the mythic legacy of ancient babylon the near eastern city which has served

western culture as a metaphor for power luxury and exotic magnificence for more than two thousand years sifting through the many references to babylon in biblical classical medieval and modern texts andrew scheil uses babylon s remarkable literary ubiquity as the foundation for a thorough analysis of the dynamics of adaptation and allusion in western literature touching on everything from old english poetry to the contemporary apocalyptic fiction of the left behind series scheil outlines how medieval christian society and its cultural successors have adopted babylon as a political metaphor a degenerate archetype and a place associated with the sublime combining remarkable erudition with a clear and accessible style babylon under western eyes is the first comprehensive examination of babylon s significance within the pantheon of western literature and a testimonial to the continuing influence of biblical classical and medieval paradigms in modern culture crusades covers seven hundred years from the first crusade 1095 1102 to the fall of malta 1798 and draws together scholars working on theatres of war their home fronts and settlements from the baltic to africa and from spain to the near east and on theology law literature art numismatics and economic social political and military history routledge publishes this journal for the society for the study of the crusades and the latin east particular attention is given to the publication of historical sources in all relevant languages narrative homiletic and documentary in trustworthy editions but studies and interpretative essays are welcomed too crusades also incorporates the society s bulletin in a pious belligerence uri zvi shachar examines one of the most contested and ideologically loaded issues in medieval history the clash between christians muslims and jews that we call the crusades he does so not to write about the ways these three groups waged war to

hold onto their distinct identities but rather to think about how these identities were framed in relation to one another notions of militant piety in particular provided muslims christians and jews paths for thinking about both cultural boundaries and codependencies ideas about holy warfare shachar contends were not shaped along sectarian lines but were dynamically coproduced among the three religions the final decades of the twelfth century saw a rapid collapse of the frankish and ayyubid hegemonies in the levant followed by struggles for political dominion that lasted for most of the thirteenth century the fragmented political landscape gave rise to the formation of multiple coalitions across political religious and linguistic divides alongside a growing anxiety about the instability of cultural boundaries there emerged a discourse that sought to realign and reevaluate questions of similarity and difference where christians and muslims regularly joined forces against their own coreligionists shachar writes warriors were no longer assumed to mark or protect lines of physical or political separation contemporary authors recounting these events describe a landscape of questionable loyalties shifting identities and unstable appearances shachar demonstrates how in chronicles apocalyptic treatises and a variety of literary texts in latin french arabic hebrew and judeo arabic holy warriors are increasingly presented as having been rhetorically and anthropologically shaped through their contacts with their neighbors and adversaries writers articulated their thoughts about pious warfare through rhetorical devices that crossed confessional lines and the meaning and force of these articulations lay in their invocation of tropes and registers that had purchase in the various literary communities of the near east by the late twelfth century he argues there had emerged a notion that threads through christian muslim and jewish

texts alike that the holy land itself generates a particular breed of pious warriors by virtue of the hybridity that it encompasses amidst the rolling hills of scotland comes three romances where fiery passions prevail arnette lamb creates three of the strongest heroines in romance in border lord lady miriam macdonald seeks only peace between the scots and the english in border bride lady alpin mckay craves nothing greater than vengeance in chieftain johanna benison sacrifices her happiness out of familial duty what all three women find is a love that will alter the very course of their lives and endanger everything they hold dear this romance bundle will spirit you away to the scottish highlands and sweep you into dangerous romance the very best kind arnette lamb has a tremendous gift for writing genuine warm humorous sensual love stories rt book reviews scholars and students working on the early courtly and chivalric literature of medieval europe will have often felt the need for contemporary theoretical material with which to illustrate their arguments about courtesy and chivalry in romances etc the present volume which presents critical editions of the two earliest didactic poems of this kind in the vernacular both date from the first quarter of the thirteenth century was conceived partly to fill this need this book will be of interest not only to specialists in old french literature but also to those studying other literatures both texts are known to have circulated in england in the fourteenth century and are therefore of importance for anglicists l ordene de chevalerie was adapted into middle dutch and italian several times and provides excellent material for comparatists netherlandists and italianists moreover given the germinal place of old french literature in the culture of the middle ages both poems are worthy of study in the context of the evolution of the ideals of courtesy and chivalry as

european literary phenomenon each critical text is accompanied by an extensive literary introduction and philological apparatus and translations into modern english prose have been appended to render the poems more accessible to non romanists scholars and students working on the early courtly and chivalric literature of medieval europe will have often felt the need for contemporary theoretical material with which to illustrate their arguments about courtesy and chivalry in romances etc the present volume which presents critical editions of the two earliest didactic poems of this kind in the vernacular both date from the first quarter of the thirteenth century was conceived partly to fill this need this book will be of interest not only to specialists in old french literature but also to those studying other literatures both texts are known to have circulated in england in the fourteenth century and are therefore of importance for anglicists l ordene de chevalerie was adapted into middle dutch and italian several times and provides excellent material for comparatists netherlandists and italianists moreover given the germinal place of old french literature in the culture of the middle ages both poems are worthy of study in the context of the evolution of the ideals of courtesy and chivalry as european literary phenomenon each critical text is accompanied by an extensive literary introduction and philological apparatus and translations into modern english prose have been appended to render the poems more accessible to non romanists the baseball guide provides fans with more than 600 pages of statistics to prepare for the season and for reference during the year as in a media guide fans will find team schedules spring training rosters ballpark information and team directories for the 2003 season team byteam day by day reviews highlights records and team leaders for the 2002 season stories that review the 2002 play

offs and the all star game records and notable performances from 2002 and individual statistics for 2002 from an internationally renowned expert here is an accessible and utterly fascinating one volume history of the crusades thrillingly told through the experiences of its many players knights and sultans kings and poets christians and muslims jonathan phillips traces the origins expansion decline and conclusion of the crusades and comments on their contemporary echoes from the mysteries of the templars to the grim reality of al qaeda holy warriors puts the past in a new perspective and brilliantly sheds light on the origins of today s wars starting with pope urban ii s emotive groundbreaking speech in november 1095 in which he called for the recovery of jerusalem from islam by the first crusade phillips traces the centuries long conflict between two of the world s great faiths using songs sermons narratives and letters of the period he reveals how the success of the first crusade inspired generations of kings to campaign for their own vainglory and set down a marker for the knights of europe men who increasingly blurred the boundaries between chivalry and crusading in the muslim world early attempts to call a jihad fell upon deaf ears until the charisma of the sultan saladin brought the struggle to a climax yet the story that emerges has other dimensions as never before phillips incorporates the holy wars within the story of medieval christendom and islam and shines new light on many truces alliances and diplomatic efforts that have been forgotten over the centuries holy warriors also discusses how the term crusade survived into the modern era and how its redefinition through romantic literature and the drive for colonial empires during the nineteenth century gave it an energy and a resonance that persisted down to the alliance between franco and the church during the spanish civil war and right

up to george w bush s pious war on terror elegantly written compulsively readable and full of stunning new portraits of unforgettable real life figures from richard the lionhearted to melisende the formidable crusader queen of jerusalem holy warriors is a must read for anyone interested in medieval europe as well as for those seeking to understand the history of religious conflict a fundamental guide to the burgeoning field of protein interactions from enzymes to transcription factors to cell membrane receptors proteins are at the heart of biological cell function virtually all cellular processes are governed by their interactions with one another with cell bodies with dna or with small molecules the systematic study of these interactions is called interactomics and research within this new field promises to shape the future of molecular cell biology protein interactions goes beyond any existing guide to protein interactions presenting the first truly comprehensive overview of the field edited by two leading scholars in the field of protein bioinformatics this book covers all known categories of protein interaction stable as well as transient as well as the effect of mutations and post translational modifications on the interaction behavior protein interactions readers will also find introductory chapters on protein structure conformational dynamics and protein protein binding interfaces a data driven approach incorporating machine learning and integrating experimental data into computational models an outlook on the current challenges in the field and suggestions for future research protein interactions will serve as a fundamental resource for novice researchers who want a systematic introduction to interactomics as well as for experienced cell biologists and bioinformaticians who want to gain an edge in this exciting new field

The History of Chivalry ... Second Edition 1830 how are sex and gender related are they the same thing what exactly is gender how many genders are there what is the science on all of this is gender a product of nature nurture or both this book introduces readers to fundamental questions about sex and gender categories as they've been considered across the centuries and through a wide array of disciplines and perspectives from the bible to darwin from enlightenment thinkers to contemporary trans philosophers beyond the binary comprises an accessible survey of the wide range of views about sex and gender this revised and expanded edition uses updated terminology and diagnostic criteria and offers new material with a greater focus on trans indigenous racialized and subaltern thinkers it includes useful discussion questions and further reading recommendations at the end of each chapter as well as an extensive glossary of terms

Indian Poetry 1881 jerusalem explored is a book by italian architect and engineer ermete pierotti who worked for several years in jerusalem as a consultant for the franciscans he was involved in archeological explorations and in this book he put down the knowledge he had gained during his work the book provides a description of the ancient and modern city of jerusalem containing many photographs drawings and maps illustrating the manners of the ancient hebrews pierotti s maps showed new as yet unknown and unexplored canals in the underground of the temple mount with the modern methods of archeology these channels could also be detected

United States Code Service, Lawyers Edition 1936 building upon previous volumes by the same editor this book contains studies of nine of the most important writers of arabic language textual sources for the crusades and the frankish presence in the eastern mediterranean in the period 1097 1291

McGraw-Hills EMT Flashcards (EBOOK) 2013-04-22 r stephen humphreys s new book presents a much needed and thoughtful analysis of islam s place in today s middle east in clear accessible language he examines both the medieval and modern history of the region to show the interweaving of the sacred and secular in its political and intellectual life

between memory and desire reminds us how middle easterners remember the past the colonial era as a time of shame the post independence period as disappointing and the middle ages as glorious driven by these memories they struggle to liberate themselves from that past and to seize what they view as rightfully theirs

An Historical Compendium, from the Creation, to the year of our Lord 1726 ... The second edition, carefully corrected. With very large additions 1726 this volume offers a literary and cultural history of the idea of crusading over the last millennium

Ferdowsi, the Mongols and the History of Iran 2013-11-18 the first full account of the medieval struggle for jerusalem from the seventh to the thirteenth century the history of jerusalem is one of conflict faith and empire few cities have been attacked as often and as savagely this was no less true in the middle ages from the persian sack in 614 through the bloody first crusade and beyond jerusalem changed hands countless times but despite these horrific acts of violence its story during this period is also one of interfaith tolerance and accord in this gripping history john d hosler explores the great clashes and delicate settlements of medieval jerusalem he examines the city s many sieges and considers the experiences of its inhabitants of all faiths the city s conquerors consistently acknowledged and reinforced the rights of those religious minorities over which they ruled deeply researched this account reveals the way in which jerusalem s past has been constructed on partial histories and urges us to reckon with the city s broader historical contours

Developing Perspectives in Mamluk History 2017-07-31 william of tyre s history of the kingdom of jerusalem has long been viewed as one of the most useful sources for the crusades and the latin east from the beginnings of the first crusade to william s death

shortly before saladin s conquest of jerusalem however this text was most popular during the medieval period in an old french translation in the old french of william of tyre philip handyside identifies the differences between the latin and french texts and analyses the translator motives for producing the translation and highlights significant changes that may provide a better understanding of the period in question handyside also argues for a complex manuscript tradition that developed across the medieval mediterranean

Jerusalem Explored 2023-12-28 reprint of the original first published in 1864

The History of England, for the Use of Schools and Young Persons ... A New Edition, Corrected, Revised, and Brought Down to the Reign of Queen Victoria, by

W. S. Kenny 1850 babylon under western eyes examines the mythic legacy of ancient babylon the near eastern city which has served western culture as a metaphor for power luxury and exotic magnificence for more than two thousand years sifting through the many references to babylon in biblical classical medieval and modern texts andrew scheil uses babylon s remarkable literary ubiquity as the foundation for a thorough analysis of the dynamics of adaptation and allusion in western literature touching on everything from old english poetry to the contemporary apocalyptic fiction of the left behind series scheil outlines how medieval christian society and its cultural successors have adopted babylon as a political metaphor a degenerate archetype and a place associated with the sublime combining remarkable erudition with a clear and accessible style babylon under western eyes is the first comprehensive examination of babylon s significance within the pantheon of western literature and a testimonial to the continuing influence of biblical classical and medieval paradigms in modern culture

The Bookman 1898 crusades covers seven hundred years from the first crusade 1095 1102 to the fall of malta 1798 and draws together scholars working on theatres of war their home fronts and settlements from the baltic to africa and from spain to the near east and on theology law literature art numismatics and economic social political and military history routledge publishes this journal for the society for the study of the crusades and the latin east particular attention is given to the publication of historical sources in all relevant languages narrative homiletic and documentary in trustworthy editions but studies and interpretative essays are welcomed too crusades also incorporates the society s bulletin

Catalogue of the Public Documents of the ... Congress and of All Departments of the Government of the United States for the Period from ... to ... 1931 in a pious belligerence uri zvi shachar examines one of the most contested and ideologically loaded issues in medieval history the clash between christians muslims and jews that we call the crusades he does so not to write about the ways these three groups waged war to hold onto their distinct identities but rather to think about how these identities were framed in relation to one another notions of militant piety in particular provided muslims christians and jews paths for thinking about both cultural boundaries and codependencies ideas about holy warfare shachar contends were not shaped along sectarian lines but were dynamically coproduced among the three religions the final decades of the twelfth century saw a rapid collapse of the frankish and ayyubid hegemonies in the levant followed by struggles for political dominion that lasted for most of the thirteenth century the fragmented political landscape gave rise to the formation of multiple coalitions across political religious and

linguistic divides alongside a growing anxiety about the instability of cultural boundaries there emerged a discourse that sought to realign and reevaluate questions of similarity and difference where christians and muslims regularly joined forces against their own coreligionists shachar writes warriors were no longer assumed to mark or protect lines of physical or political separation contemporary authors recounting these events describe a landscape of questionable loyalties shifting identities and unstable appearances shachar demonstrates how in chronicles apocalyptic treatises and a variety of literary texts in latin french arabic hebrew and judeo arabic holy warriors are increasingly presented as having been rhetorically and anthropologically shaped through their contacts with their neighbors and adversaries writers articulated their thoughts about pious warfare through rhetorical devices that crossed confessional lines and the meaning and force of these articulations lay in their invocation of tropes and registers that had purchase in the various literary communities of the near east by the late twelfth century he argues there had emerged a notion that threads through christian muslim and jewish texts alike that the holy land itself generates a particular breed of pious warriors by virtue of the hybridity that it encompasses
