Diary and Correspondence of Samuel Pepys, F.R.S. 1880

Samuel Pepys (1633-1703) was an English naval administrator and writer in the late 17th century. His diary, which covers the period from 1660 to 1689, is one of the most important sources for the history of the period. The diary is written in a clear, straightforward style and provides a detailed account of Pepys's daily life, including his work at the Admiralty, his family life, and his interests in the arts and sciences. The diary is a valuable resource for historians and is widely read by the general public. The diary is available in several editions, including a modern edition published by Penguin Classics in 1968. The diary is also available in a digital format, which makes it easy to search and access. The diary is a masterpiece of English literature and is a must-read for anyone interested in the history of the 17th century.
