sir steven runciman examines the frankish states to the re conquest of jerusalem by saladin

The Crusades: Islamic Perspectives

2018-10-24

coinciding with the 900th anniversary of the crusades this book is the first general introduction to some of the wider aspects of the history of the crusades prepared by carole hillenbrand a leading authority with a world wide reputation the the crusade is unique in covering the crusades from the muslim perspective it is also a timely reflection on how the phenomenon of the crusades influenced the muslim world then and now militarily culturally and psychologically the crusades discusses a group of themes designed to highlight how muslims reacted to the alien presence of the crusaders in the heart of traditional muslim territory ideological concerns are examined and the importance of the concept of jihad is assessed in the context of the gradual recovery of the holy land and the expulsion of the crusaders there are also chapters devoted to an analysis of the warfare arms battles sieges fortifications on the basis of written sources and extant works of art also extensively discussed is the complex issue of the interaction between muslims and crusaders in a social economic and cultural setting the epilogue traces the profound impact of the crusades on muslim consciousness up to the present day the crusades is also lavishly illustrated with 500 black and white pictures and two full color plate sections

Historical Dictionary of the Crusades

2013-05-09

the crusades were among the longest and most bitter wars in human history and consisted of no less than seven major expeditions from western europe from the late 11th to the early 14th centuries for the purpose of wresting jerusalem and the holy land from the control of the muslims in the end it was the muslims who won and the christians who suffered a major setback and the middle east remained firmly in muslim hands this was one of the worst clashes between different religions and civilizations and for long it was largely forgotten or brushed over that is no longer the case with many muslims regarding western interference in the region as a repeat of the crusades while launching their own jihads so while an old conflict it is still with us today even at the time it was very hard to understand the causes and outcome

of the crusades and that remains a problem today this historical dictionary of the crusades cannot claim to have resolved it but it most definitely does make the situation easier to understand the introduction provides an overview tracing the crusades from one expedition to the next and assessing their impact the actual flow of events is far easier to follow thanks to the chronology and maps help to trace the events geographically the entries and there are more than 300 of them in this second edition look more closely at notable figures including pope gregory vii richard the lionhearted and saladin as well as important places jerusalem constantinople and others events battles and sieges as well as the use of weapons and armor the bibliography points to further reading

The World of the Crusades [2 volumes]

2019-06-05

unlike traditional references that recount political and military history this encyclopedia includes entries on a wide range of aspects related to daily life during the medieval crusades the medieval crusades were fundamental in shaping world history and provide background for the conflict that exists between the west and the muslim world today this two volume set presents fundamental information about the medieval crusades as a movement and its ideological impact on both the crusaders and the peoples of the east it takes a broad look at numerous topics related to crusading with the goal of helping readers to better understand what inspired the crusaders the hardships associated with crusading and how crusading has influenced the development of cultures both in the east and the west the first of the two thematically arranged volumes considers topics such as the arts economics and work food and drink family and gender and fashion and appearance the second volume considers topics such as housing and community politics and warfare recreation and social customs religion and beliefs and science and technology within each topical section are alphabetically arranged reference entries complete with cross references and suggestions for further reading selections from primary source documents each accompanied by an introductory headnote give readers first hand accounts of the crusades

The History of the Crusades

1853

since the publication of the first edition of the crusades a reader interest in the crusades has increased dramatically fueled in part by current global interactions between the muslim world and western nations the second edition features an intriguing new chapter on perceptions of the crusades in the modern period from david hume and william wordsworth to world war i political cartoons and crusading rhetoric circulating after 9 11 islamic accounts of the treatment of prisoners have been added as well as sources detailing the homecoming of those who had ventured to the holy land including a newly translated reading on a woman crusader margaret of beverly the book contains sixteen images study questions for each reading and an index

The Crusades

2014-04-21

why did the medieval church bless william of normandy s invasion of christian england in 1066 and authorise cultural genocide in provence how could a christian army sack christian constantinople in 1204 why did thousands of ordinary men and women led by knights and ladies kings and queens embark on campaigns of fanatical conquest in the world of islam the word crusade came later but the concept of a war for the faith is an ancient one geoffrey hindley instructively unravels the story of the christian military expeditions that have perturbed european history troubled christian consciences and embittered muslim attitudes towards the west he offers a lively record of the crusades from the middle east to the pagan baltic and fascinating portraits of the major personalities from godfrey of bouillon the first latin ruler of jerusalem to etienne the visionary french peasant boy who inspired the tragic children s crusade addressing questions rarely considered hindley sheds new light on pressing issues surrounding religious division and shows how the crusades have helped to shape the modern world and relations between christian and muslim countries to this day

A Brief History of the Crusades

2013-02-07

wonderfully written and characteristically brilliant peter frankopan author of the silk roads elegant readable an impressive synthesis not many historians could have done it jonathan sumption spectator tyerman s book is fascinating not just for what it has to tell us about the crusades but for the mirror it holds up to today s religious extremism tom holland spectator thousands left their homelands in the middle ages to fight wars abroad but how did the crusades actually happen from recruitment propaganda to raising money ships to siege engines medicine to the power of prayer this vivid surprising history shows holy war and medieval society in a new light

God's War

2007-10-04

composed by soldiers who fought in the holy wars these two famous french chronicles are among the most important portrayals of both the dark and light side of the two hundred year struggle for possession of jerusalem the first trustworthy and fully informed history of the crusades villehardouin s conquest of constantinople describes the era of the fourth crusade the period between 1199 and 1207 during which a planned battle with moslem forces ironically culminated in war against eastern christians that led to the sacking of constantinople the life of saint louis by joinville was inspired by the author s close attachment to the pious king louis and focuses on the years between 1226 and 1270 it provides a powerful personal insight into the brutal battles and the fascinating travels of one nobleman fighting in the sixth and seventh crusades

The Crusades

1894

It is the eleventh century and Islam born from the sands of the Arabian desert has spread from Syria to Spain. Muslims now rule a large part of what was once the Roman Empire. Eudes de Châtillon, a monk at the monastery of Cluny, France, does not like what he sees. He leads expeditions to free Spain from its Muslim rulers. When he becomes Pope Urban II, he urges good Christians everywhere to free Jerusalem. And so the Crusades begin. As Pope Urban II is not able to lead the fight, he gives authority to Peter the Hermit, a popular priest. At Peter's bidding, thousands of peasants join the Crusade, which was named the Popular Crusade. Fierce battles are fought throughout Spain, the Holy Land, and elsewhere as Christians and Muslims compete for power. The repercussions of this historic struggle are still evident today in the continued fighting in the Middle East. Muslim attitudes about the Western world and memories of the September 11 attacks. *Knights of the Cross: The Complete Report of All the Crusades* is a must-read for anyone struggling to understand how religious conflicts of the past have shaped the world today.

The History and Literature of the Crusades

1861

The Crusades were penitential war pilgrimages fought in the Levant and the Eastern Mediterranean as well as in North Africa, Spain, Portugal, Poland, the Baltic region, Hungary, the Balkans, and Western Europe, beginning in the eleventh century and ending as late as the eighteenth. These holy wars were waged against Muslims and other enemies of the Church, enlisting generations of laymen and laywomen to fight for the sake of Christendom. Crusading features prominently in today's religious and political hostilities, yet the perceptions of these wars held by Arab nationalists, Pan-Islamists, and many in the West have been deeply distorted by the language and imagery of nineteenth-century European imperialism. With this book, Jonathan Riley-Smith returns to the actual story of the Crusades, explaining why and where they were fought and how deeply their narratives and symbolism became embedded in popular Catholic thought and devotional life. From this history, Riley-Smith traces the legacy of the Crusades into modern times, specifically within the attitudes of European imperialists and colonialists and within the beliefs of twentieth-century Muslims. Europeans fashioned an interpretation of the Crusades from the writings of Walter Scott, and a French contemporary, Joseph François Michaud. Scott portrayed Islamic societies as backward, while casting Christian crusaders as culturally backward and often morally corrupt. Michaud, in contrast, glorified crusading, and his followers used its imagery to illuminate imperial adventures. These depictions have had a profound influence on contemporary Western opinion as well as on Muslim attitudes toward their past and present, whether regarded as a valid expression of Christianity's divine enterprise or condemned as a weapon of empire. Crusading has been a powerful rhetorical tool for centuries. In order to understand the preoccupations of Islamist jihadis and the character of Western discourse on the Middle East, Riley-Smith argues we must understand how images of crusading were formed in the nineteenth and twentieth centuries.

Chronicles of the Crusades

1974-01-31

the recapture of jerusalem the siege of acre the fall of tripoli the effect in baghdad of events in syria these and other happenings were faithfully recorded by arab historians during the two centuries of the crusades first published in english in 1969 this book presents the other side of the holy war offering the first english translation of contemporary arab accounts of the fighting between muslim and christian extracts are drawn from seventeen different authors encompassing a multitude of sources the general histories of the muslim world the chronicles of cities regions and their dynasties contemporary biographies and records of famous deeds overall this book gives a sweeping and stimulating view of the crusades seen through arab eyes

History of the Crusades

1895

this is a comprehensive account of the eight religious wars between the christian west and the muslim east that dominated the middle ages calling themselves pilgrims of christ thousands of europeans from all stations in life undertook the harsh and bloody quest to reclaim jerusalem the church of the holy sepulchre and christ s tomb for christendom robert payne brings to life every step of the crusaders thousand mile journey the deprivation the desperate rapacious and brutal raids for food and supplies the epic battles for antioch jerusalem and acre the barbarous treatment of captives and the quarrelling european princes who vied for power and wealth in the near east an epic tale of the glorious and the base of unshakable faith and unspeakable atrocities the dream and the tomb captures not only the events but the very essence of the crusades

Knights of the Cross

2008

a chronology of the crusades provides a day by day development of the crusading movement the crusades and the states created by them through the medieval period beginning in the run up to the first crusade in 1095 to the fall of constantinople in 1453 and ending with the turkish attack on belgrade in 1456 this reference is a comprehensive guide to the events of each crusade concentrating on the near east but also those christian expeditions sanctioned by the papacy as crusades in the medieval era as well as clashes between christians and muslims in the latin states timothy venning also chronicles the albigensian crusade clashes in anatolia and the balkans and the reconquista in the iberian peninsula both detailed and accessible this chronology draws together material from contemporary latin frankish byzantine and arab muslim sources with assessment and explanation to produce a readable narrative which gives students an in depth overview of one of the most enduringly fascinating periods in medieval history including an introduction by peter frankopan which summarises and contextualises the period this book is an essential resource

for students and academics alike

pulls off the enviable feat of summing up seven centuries of religious warfare in a crisp 309 pages of text dennis drabelle washington post book world in this authoritative work jonathan riley smith provides the definitive account of the crusades an account of the theology of violence behind the crusades the major crusades the experience of crusading and the crusaders themselves with a wealth of fascinating detail riley smith brings to life these stirring expeditions to the holy land and the politics and personalities behind them this new edition includes revisions throughout as well as a new preface and afterword in which jonathan riley smith surveys recent developments in the field and examines responses to the crusades in different periods from the romantics to the islamic world today from reviews of the first edition everything is here the crusades to the holy land and against the albigensians the moors the pagans in eastern europe the turks and the enemies of the popes riley smith writes a beautiful lucid prose and his book is packed with facts and action choice a concise clearly written synthesis by one of the leading historians of the crusading movement robert s gottfried historian a lively and flowing narrative with an enormous cast of characters that is not a mere catalog but a history a remarkable achievement thomas e morrissey church history superb reuven s avi yonah speculum a first rate one volume survey of the crusading movement from 1074 to 1798 southwest catholic

A History of the Crusades: The First Crusade and the foundation of the Kingdom of Jerusalem

1957

the second volume of steven runciman s classic hugely influential trilogy on the history of the crusades there was magic about saladin himself was troubled by terrible dreams steven runciman s unrivalled history of the crusades is a classic of learning and vivid compelling storytelling which brilliantly brings to life the personalities battles massacres triumphs and follies of these epochal events in this second volume of his trilogy runciman tells the story of the foundation of the kingdom of jerusalem the disastrous bloody second crusade and the inexorable rise of the crusaders nemesis saladin the pre eminent historian of the byzantine empire and of the crusades a

surefooted guide who could render the past visible and familiar daily telegraph he tells his story plain always pleasurable to read gore vidal

The Dream and the Tomb

1984

this new and considerably expanded edition of the crusades 1095 1204 couples vivid narrative with a clear and accessible analysis of the key ideas that prompted the conquest and settlement of the holy land between the first and the fourth crusade this edition now covers the fourth crusade and the sack of constantinople along with greater coverage of the muslim response to the crusades from the capture of jerusalem in 1099 to saladin s leadership of the counter crusade culminating in his struggle with richard the lionheart during the third crusade it also examines the complex motives of the italian city states during the conquest of the levant as well as relations between the frankish settlers and the indigenous population both eastern christian and muslim in times of war and peace extended treatment of the events of the first crusade the failure of the second crusade and the prominent role of female rulers in the latin east feature too underpinned by the latest research this book also features a who s who a chronology a discussion of the historiography maps family trees and numerous illustrations a strong collection of contemporary documents including previously untranslated narratives and poems a blend of thematic and narrative chapters also consider the military orders kingship warfare and castles and pilgrimage this new edition provides an illuminating insight into one of the most famous and compelling periods of history

A Chronology of the Crusades

2015-05-01

seven myths of the crusades rebuttal of the persistent and multifarious misconceptions associated with topics including the first crusade anti judaism and the crusades the crusader states the children s crusade the templars and past and present islamic christian relations proves once and for all that real history is far more fascinating than conspiracy theories pseudo history and myth mongering this book is a powerful witness to the dangers of the misappropriation and misinterpretation of the past and the false parallels so often drawn between the crusades and later historical events ranging from nineteenth century colonialism to the protest movements of the 1960s to the events of 9 11 this volume s authors have venerable track records in teaching and researching the crusading movement and anyone curious about the crusades would do well to start here jessalynn bird dominican university co editor of crusade and christendom

A History of the Crusades

1958

the crusades were a series of military campaigns undertaken by western european countries between the 11th and 16th century originally called by the pope of the

catholic church the stated first goal was to take up the cross and restore christian control over the holy land namely jerusalem in total western europe engaged in over 10 crusades though not all were for this original purpose at first the crusades were fought to assist the byzantine empire who requested european help in fighting off the expansion of the muslim turks in time though the term crusade was used to describe wars against pagans heretics and those threatened with excommunication from the church interesting one set of crusades actually led to an alliance between christians and muslims and another was called against fellow catholics jonathan howard looks into the history of the crusades in this short ebook

The History of the Crusades for the Recovery and Possession of the Holy Land

1820

the crusades is an authoritative accessible single volume history of the brutal struggle for the holy land in the middle ages thomas asbridge a renowned historian who writes with maximum vividness joan acocella the new yorker covers the years 1095 to 1291 in this big ambitious readable account of one of the most fascinating periods in history from richard the lionheart to the mighty saladin from the emperors of byzantium to the knights templar asbridge s book is a magnificent epic of holy war between the christian and islamic worlds full of adventure intrigue and sweeping grandeur

The Story of the Crusades

2022-06-02

this epic story of the crusades told from a muslim perspective

The Crusades

2005-01-01

in the wake of jerusalem s fall in 1099 the crusading armies of western christians known as the franks found themselves governing not only muslims and jews but also local christians whose culture and traditions were a world apart from their own the crusader occupied swaths of syria and palestine were home to many separate christian communities greek and syrian orthodox armenians and other sects with sharp doctrinal differences how did these disparate groups live together under frankish rule in the crusades and the christian world of the east christopher macevitt marshals an impressive array of literary legal artistic and archeological evidence to demonstrate how crusader ideology and religious difference gave rise to a mode of coexistence he calls rough tolerance the twelfth century frankish rulers of the levant and their christian subjects were separated by language religious practices and beliefs yet western christians showed little interest in such differences franks intermarried with local christians and shared shrines and churches but they did not hesitate to use military force against christian communities rough tolerance was

unlike other medieval modes of dealing with religious difference and macevitt illuminates the factors that led to this striking divergence it is commonplace to discuss the diversity of the middle east in terms of muslims jews and christians macevitt writes yet even this simplifies its religious complexity while most crusade history has focused on christian muslim encounters macevitt offers an often surprising account by examining the intersection of the middle eastern and frankish christian worlds during the century of the first crusade
