## **The Elusive State 1989-10**

in the elusive state the idea of the state serves as an umbrella concept as a way of focusing otherwise disparate subject matters the literature on comparative and international politics are as far apart as ever despite the purported breakdown of the traditional dividing lines between domestic and international politics a view which some of the papers in this volume explicitly reject some of the topics included for discussion are the contradictory ways in which the state is viewed omniscient or impotent states most likely to develop the institutions and political culture of police states and the historical perspective of sovereignty

## **International Law of Development 1987**

the dynamics of international business offers a comparative chronological overview of the strategic and structural evolution of international firms organized around eras of global economic development the text synthesizes research on the internationalization of firms highlighting crucial turning points in the evolution of the international economy a particular emphasis is placed on the relationship between historical evidence and the theoretical frameworks available for its interpretation each period is illustrated by a selection of short case studies from a variety of industry sectors including the levant company nestlé singer saint gobain and nec an essential textbook for courses in business and economic history this book will also be a valuable resource for scholars and students of international business more generally

## **Dynamics of International Business 2015-12-22**

investigates the often controversial relationship between gender equality and education from international and comparative perspectives this volume also investigates whether gender equality in education is really being achieved in schools around the world or not

## **Gender, Equality and Education from International and Comparative Perspectives 2009-04-03**

in an interconnected and globally competitive environment faculty mobility across countries has become widespread yet is little understood grounded in qualitative methodology this volume offers a cutting edge examination of internationally mobile academics today and explores the approaches and strategies that institutions pursue to recruit and integrate international teachers and scholars into local universities providing a range of research based insights from case studies in key countries this resource offers higher education scholars and administrators a comparative perspective helping to explain the impact that international faculty have on the local university as well as issues of retention promotion salaries and the challenges faced by these internationally mobile academics

## **The International Politics of Democratization 2008**

addressing the shortcomings in research on the relationship between immigrants and rural areas this book employs an innovative approach by exploring this relationship from a cross national comparative global perspective drawing lessons from case studies across a range of geographical and political contexts including canada and the usa

## **International Faculty in Higher Education 2016-11-25**

widely regarded as the most comprehensive comparative foreign policy text foreign policy in comparative perspective has been completely updated in this much anticipated second edition exploring the foreign policies of thirteen nations both major and emerging players and representing all regions of the world chapter authors link the study of international relations to

domestic politics while treating each nation according to individual histories and contemporary dilemmas the book's accessible theoretical framework is designed to enable comparative analysis helping students discern patterns to understand why a state acts as it does in foreign affairs

## **Democratizing Higher Education 2015**

it often seems today that no dispute is barred from resolution by arbitration even the fundamental question of whether a dispute falls under the exclusive jurisdiction of a judicial body may itself be arbitrable arbitrability is thus an elusive concept yet a systematic study of it as this book shows yields innumerable guidelines and insights that are of substantial value to arbitral practice although the book takes the form of a collection of essays it is designed as a comprehensive commentary on practical issues that emerge from the idea of arbitrability fifteen leading academics and practitioners from europe and the united states each explore different facets of arbitrability always with a perspective open to international developments and comparative evaluation of standards the presentation falls into two parts in the first the focus is on the general features of arbitrability its rationale and the laws applicable to it in the second arbitrability is specifically examined in the context of administrative criminal corporate ip financial commercial and criminal law this book has its origins in an international conference on arbitrability held at athens in september 2005 seven papers presented there are here reviewed and updated and nine others are added the subject of the book and arbitrability and is one that is much talked about but seldom if ever given the in depth treatment presented here arbitrators and other practitioners in the field will welcome the way the analysis moves logically from theory to practice regarding every issue and academics will recognize a definitive treatment of arbitrability as understood and applied in the settlement of disputes today

## ***International Migration and Rural Areas 2009***

through a multi country study comparative perspectives on international school leadership examines the current global spread of educational leadership occurring rapidly and widely exploring five international case studies of leadership policy preparation and practice under the framework of policy borrowing and adaptation magno attempts to understand and account for commonalities and differences across country contexts rather than assuming a particular model or theory to leadership is best comparative perspectives on international school leadership takes a policy oriented perspective and considers how and why certain approaches are being formulated and accepted including an examination of motivations influencers actors institutions and implementation processes magno ultimately argues that efforts toward formalizing educational leadership reflect current global political objectives to improve schools by increasing accountability transparency and professionalism this engaging book will be of interest to scholars and students in the fields of educational leadership and comparative education

## **Identities and Education** ***2021-01-28***

the idea of national codification is advancing on a global scale in conflict of laws a large number of legislative projects dealing with codifying and modernizing private international law both on the national and the supranational level have been launched in the past few years among such recent initiatives the advances taken by the european and the japanese legislators are particularly reflecting these developments on january 1 2007 the new japanese act on general rules for application of laws entered into force replacing the outdated conflict of laws statute of 1898 this major reform finds its parallels in the current efforts of the european union to create a modern private international law regime for its member states this volume presents the first comprehensive analysis of the new japanese private international law available in any western language and contrasts it with corresponding european developments most of the contributors from japan are scholars who were actively involved in and responsible for preparing the new act all of them are renowned experts in the field of private international law

leading european experts in the conflict of laws supplement the japanese analyses with comparative contributions reflecting the pertinent discussion of parallel endeavours in the eu to guarantee better understanding english translations of both the present and the former japanese statutes have been added

## **Intellectual Property and Private International Law 2012**

numerous challenges exist in respect to integrating work and family institutions and there is remarkable cross national variation in the ways that societies respond to these concerns with policy this volume examines these concerns by focusing on cross national variation in structural cultural arrangements consistent support is found in respect to the prospects of expanding resources for working families both in the opportunity to provide care as well as to remain integrated in the workforce however the studies in this volume offer qualifiers explaining why some effects are not as strong as might be hoped and why effects are sometimes restricted to particular classifications of workers or families it is apparent that when different societies implement similar policies they do not necessarily do so with the same intended outcomes and usage is mediated by how policies are received by employers and workers the chapters in this book speak to the merits of international comparative analysis in identifying the strategies challenges and benefits of providing resources to workers and their families this book was originally published as a special issue of community work family

## **International Conference Asian Values and Vietnam's Development in Comparative Perspectives 2000**

in this book a group of renowned legal experts and activists investigate the right of indigenous peoples to reparations for breaches of their individual and collective rights
