1980

sixteen year old tabitha the daughter of a preacher who believes science is satan s work longs to study at a university and dig for dinosaur bones but in south dakota at the end of the nineteenth century such ambitions are discouraged

Radio-television and Elections

1998

researching for television and radio is an essential guide to the skills necessary for working as a researcher in the television and radio industries

Radio receivers and television sets, phonographs and record players, speakers and related equipment

1973

radio and television broadcasting on the european continent was first published in 1967 minnesota archive editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original university of minnesota press editions in this book dr paulu provides a comprehensive survey based on firsthand study of the development and current status of radio and television broadcasting in continental europe he discusses the technical organizational financial and programming aspects of european broadcasting in both communist and western countries the material is organized not on a country by country basis but as it relates to broad

basic issues and it is presented in a framework of such interrelated factors as geography history politics international relations religious traditions language national economic standards and cultural and social life the broadcasting systems studied include those of the soviet union and other communist countries france west germany belgium the netherlands italy sweden and switzerland the account is particularly timely in view of the concern and discussion about the future course of broadcasting in the united states it has relevance not only for communications specialists but for political scientists and other scholars in the social sciences as well as for the growing public which is interested in the improvement of american broadcasting

Basic Radio & Television, 2/E
