assortment of young innocent untried potentials in this season
spanning storyline buffy summers will learn about the primeval origins
of her own strength and have the opportunity to train those would
succeed her and as the forces of evil find their way back to the
hellmouth where it all began the slayer will uncover what being the
chosen one is all about power she s laid down her life literally to
protect the people around her this girl has died two times and she s
still standing you re scared that s smart you got questions you should
but you doubt her motive you think buffy is about the kill then you
take the little bus to battle i ve see her heart this time not
literally and i ll tell you right now she cares more about your lives
than you will ever know you gotta trust her she s earned it xander
dirty girls

on the tv screen as elsewhere there is often more than meets the eye for decades television has offered not just entertainment but observations subtle and otherwise on society this book examines the cultural commentary contained in buffy the vampire slayer a show that ran for seven seasons 1997 2003 and 144 episodes on the surface buffy is the marriage of a high school drama to gothic horror this somewhat unusual vehicle is used to present via the character of buffy fairly typical views of late 20th century culture teenage problems issues regarding a broken home and the search for meaning and validation in addition subtler themes such as cultural views of knowledge ethnicity and history are woven into the show s critique of popular culture organized into two sections this volume offers an in depth examination of the show first through the lens of buffy s confrontation with culture and second from the complex perspectives of the individual characters issues such as values ethical choices and the implications of one s actions are discussed without ever losing sight of the limitations of a medium that will always be dominated by financial concerns the final chapter summarizes what buffy has to say about
