personal trainer and a former fitness consultant at the university of wisconsin he is a national weight lifting champion and state bench press

record holder who has been featured in newspapers and magazines all over the world including the usa today for his sportstraining expertise rob is a contributing author to golf fitness magazine swimmer s world magazine us bowler magazine and onfitness magazine and is the founder and head trainer of sportsworkout com s etraining service in addition to being an internationally recognized fitness expert rob also holds a juris doctorate from the ohio state university where he was honored as one of ten moritz scholars information about constellations and stargazing by simply controlling our mind and concentrating on what we want we can achieve it this book offers insights and explains how by breathing and concentrating we can make a connection with the divine supply and unlock the immense power that lies within us it also brings together the twenty methods for success this revised and updated edition covers seemingly common but usually ignored premises like knowing yourself having a plan the proper use of power importance of enthusiasm personality and individually appreciation and happiness faith and selflessness etc designed for novice and intermediate backpackers who want to expand their outdoor skills this guide covers everything you need to know to journey safely and responsibly in the backcountry experienced outdoorsman mike lanza shares with you the secrets of successfully planning a trip traveling in the backcountry and making camp perfect for anyone hiker climber or skier who plans to spend extended periods of time in the outdoors if you are a persuader who isn t this book can teach you techniques of persuasion that will allow you to navigate the persuasion and make your offers or get them to do what you want while minimizing even completely eliminating resistance from their heads the goal of this book is to introduce a special way of looking and treating the persuasion process so that resistances are targetted and neutralized while giving you unprecedented leverage in how to control people much more smoothly and consistently you can collect all the trial closes and fancy shmancy persuasion techniques in the world but if you lack the innergame or how to see the whole picture you wont successfully persuade and get the compliance acceptance of offer target makes the desired action etc if you can master resistance you can master persuasion and no persuader can succeed without mastering neutralization of resistance for my readers interested in subjects on how to be a spy or on how to be a con artist well this book does not cover those subjects directly however to learn how to spy for example requires the skillsets of getting compliance and simple resistance management which are indeed covered in this book table of contents table of contents i nature of the offer targets true need for the offer the size of the compliance people don t like to be sold to pull back tactics safety dangers integrity ii external factors influencing resistance or acceptance time based on you or offers past performance presentation of yourself and offer future projections speed decision making values social conditionings family corporate values etc buyers remorse targets personal criteria and metaprograms target s stock knowledge and experience about the offer at hand positive or negative effects the perception of the offer directly relationship dynamics frame prospect in relation to the item persuader s relationship with the offer 3rd party opinions social proof positive or negative advisers and invisible decision makers iii compliance or resistance logical resistance they don t like you personally they decided on another offer emotional or state based bt baby steps leading to sneak past resistance marvel
