~~you may end up running into them all over again but how long do you have to run until you realize~~
you're only running from yourself this discounted ebundle from new york times bestselling author
orson scott card includes the lost gate the gate thief gatefather the mage families of westil are in
exile on earth the magical gates have been closed and for good reason unfortunately danny north's
magically inclined family has been keeping secrets from him secrets that may lead to disaster for
them all the lost gate danny north knew from early childhood that his family was different and that he
was different from them while his cousins were learning how to create the things that commoners
called fairies ghosts golems trolls werewolves and other such miracles that were the heritage of the
north family danny worried that he would never show a talent never form an outself gate thief here on
earth danny north is still in high school yet he holds in his heart and mind all the stolen outselves of
thirteen centuries of gatemages the families still want to kill him if they can't control him and they
can't control him danny will come to understand just why loki closed the gates all those centuries ago
gatefather danny north is the first gate mage to be born on earth in nearly 2000 years or at least the
first to survive to claim his power what he didn't know at the time was that the gate thief had a very
good reason for closing the great gates and danny has now fallen into the power of that great enemy
