Official journal of the European Federation of Chemical Engineering (EFCE), the journal aims to be the principal international journal for publication of high quality original papers in chemical engineering.

Chemical Engineering Research and Design

Aug 03 2023

Chemical Engineering Research and Design is an international journal for the publication of original research papers in chemical engineering. The journal covers all areas of chemical engineering, including process design, optimization, and control. The journal is published by Elsevier and is available online on ScienceDirect.
