Christology as Narrative Quest

1997

how central is narrative to human experience to christology what is the significance of mark s turn to narrative in the development of the christian scriptures and of the return to narrative in liberation theology as exemplified in the mexican american experience how does the move toward more conceptual language in the creed and in aquinas summa theologiae relate to the foundational priority of narrative in exploring such questions this book maintains the primacy and centrality of narrative in communicating the significance of jesus mark and guadalupe both communicating through the power of narrative frame the creed which is a symbolic evocation of john s narrative and the summa which even in its systematization assumes the foundational narratives thus the fathers of the church and thomas aquinas no less than the gospel authors and juan diego s heirs are seen to be on a narrative quest
