Concussion 2015-11-24 new york times bestseller now a major motion picture dr bennet omalu discovered something he could not ignore the nfl tried to silence him his courage would change everything a gripping medical mystery and a dazzling portrait of the young scientist no one wanted to listen to a fabulous essential read rebecca skloot author of the immortal life of henrietta lacks
jeanne marie laskas first met the young forensic pathologist dr bennet omalu in 2009 while reporting a story for gq that would go on to inspire the movie concussion omalu told her about a day in september 2002 when in a dingy morgue in downtown pittsburgh he picked up a scalpel and made a discovery that would rattle america in ways he d never intended omalu was new to america chasing the dream a deeply spiritual man escaping the wounds of civil war in nigeria the body on the slab in front of him belonged to a fifty year old named mike webster aka iron mike a hall of fame center for the pittsburgh steelers one of the greatest ever to play the game after retiring in 1990 webster had suffered a dizzyingly steep decline toward the end of his life he was living out of his van tasing himself to relieve his chronic pain and fixing his rotting teeth with super glue how did this happen omalu asked himself how did a young man like mike webster end up like this the search for answers would change omalu s life forever and put him in the crosshairs of one of the most powerful corporations in america the national football league what omalu discovered in webster s brain proof that iron mike s mental deterioration was no accident but a disease caused by blows to the head that could affect everyone playing the game was the one truth the nfl wanted to ignore taut gripping and gorgeously told concussion is the stirring story of one unlikely man s decision to stand up to a multibillion dollar colossus and to tell the world the truth
We Remember 1999 contains interviews with twenty five women who were born at the dawn of the twentieth century in which they tell about the triumphs and frustrations of being a woman in the 1900s includes photographs

The Exact Same Moon 2009-02-04 in fifty acres and a poodle jeanne marie laskas described how she survived her first hilariously tumultuous year at sweetwater farm now she returns with a funny touching and personal new memoir of what happens after your dream comes true with a picture postcard farm a wonderful marriage two mules and a new refrigerator that spits crushed ice what more can a girl ask for that s precisely the question jeanne marie asks herself as she and alex settle into their new life at sweetwater farm two years ago they left the city behind for a life filled with the practical often comical lessons of living close to the land and they never looked back yet when her strong willed mom is hospitalized with a sudden and mysterious paralysis jeanne marie rushes home to philadelphia and her extended sometimes chaotic but always loving family it s there that she realizes what is still missing from her life a family of her own now it s a matter of bringing up the subject to her husband alex fifteen years older and with adult children of his own who seems terrified that she s thinking of adopting a chihuahua with warmth wisdom and unfailing humor laskas tells the poignant story of her search for motherhood and what happens when a woman risks happily ever after for something even more precious as she tends to her own ailing mother jeanne marie discovers that the challenges and rewards of living with mother nature pale in comparison to those awakened by the nature of mothering the exact same moon is filled with hilarious and heartwarming vignettes of people and a way of life you ll be glad you met from borrowing sheep to help mow the lawn and sitting in on the racy hay jokes at the agway equine clinic to befriending the notorious old lady who holds the water rights to their future pond corrupting the neighbors with satellite tv and learning the fine art of going a calling laskas proves once again that laughter love and wisdom are truly homegrown

Growing Girls 2009-07-22 award winning author jeanne marie laskas has charmed and delighted readers with her heartwarming and hilarious tales of life on sweetwater farm now she offers her most personal and most deeply felt memoir yet as she embarks on her greatest most terrifying most rewarding endeavor of all a good mother writes jeanne marie laskas in her latest report from sweetwater farm would have bought a house in the suburbs with a cul de sac for her kids to ride bikes around instead of a ramshackle house in the middle of nowhere with a rooster with the wryly observed self doubt all mothers and mothers to be will instantly recognize laskas offers a poignant and laugh out loud funny meditation on that greatest and most impossible of all life s journeys motherhood what is it she muses that s so exhausting about being a mom you d think raising two little girls would be a breeze compared to dealing with the barely controlled anarchy of attack roosters feuding neighbors and a scheme to turn sheep into lawn mowers on the fifty acre farm she runs with her bemused husband alex but as any mother knows you d be wrong from struggling with the issues of race and identity as she raises two children adopted from china to taking her daughters to the mall for their first manicures jeanne marie captures those magic moments that make motherhood the most important and rewarding job in the world even if it s never been done right for as she concludes in one of her three a m worry sessions feeling like a bad mother is the only way to know you re doing your job whether confronting sasha s language delay reflecting on anna s devotion to a creepy backwards running chicken feeling outclassed by the fabulous homeroom moms or describing the rich secret language each family shares these candid observations from the front lines of parenthood are filled with love and laughter and radiant with the tough tender and timeless wisdom only raising kids can teach us

To Obama 2018-09-18 one of the most important politics books of the year to obama is a record of a time when politics intersected

with empathy the real story of obama s america sunday times every day president obama received ten thousand letters from ordinary american citizens every night he read ten of them before going to bed in to obama jeanne marie laskas interviews president obama the letter writers themselves and the white house staff in the office of presidential correspondence who were witness to the millions of pleas rants thank yous and apologies that landed in the mailroom during the obama years at once desperate joyful hateful and despairing they form an intimate portrait of one man s relationship with the american people and of a time when empathy intersected with politics in the white house

To Obama 2018-09-18 an insightful study of a president who listened to even his harshest critics with grace and humility the washington post named one of the best books of the year by glamour every evening for eight years at his request president obama was given ten handpicked letters written by ordinary american citizens the unfiltered voice of a nation from his office of presidential correspondence he was the first president to interact daily with constituent mail and to archive it in its entirety the letters affected not only the president and his policies but also the deeply committed people who were tasked with opening and reading the millions of pleas rants thank yous and apologies that landed in the white house mailroom in to obama jeanne marie laskas interviews president obama the letter writers themselves and the white house staff who sifted through the powerful moving and incredibly intimate narrative of america during the obama years there is kelli who saw her grandfathers finally marry legally after thirty five years together bill a lifelong republican whose attitude toward immigration reform was transformed when he met a boy escaping ms 13 gang leaders in el salvador heba a syrian refugee who wants to forget the day the tanks rolled into her village marjorie who grappled with disturbing feelings of racial bias lurking within her during the george zimmerman trial and vicki whose family was torn apart by those who voted for trump and those who did not they wrote to obama out of gratitude and desperation in their darkest times of need in search of connection they wrote with anger fear and respect and together this chorus of voices achieves a kind of beautiful harmony to obama is an intimate look at one man s relationship to the american people and at a time when empathy intersected with politics in the white house praise for to obama i cried several times pete souza beautifully researched and written a moving and inevitably nostalgic or even elegiac read redolent of the human grace and statesmanship of the obama presidency the guardian these stories when you read them all together tell the american story they re inspirational they re frustrating they re angry they re grateful they re resilient valerie jarrett

Concussion 2016-01-11 concussion by jeanne marie laskas summary analysis preview concussion by jeanne marie laskas chronicles the story of dr bennet omalu a nigerian born forensic pathologist known for his seminal research on chronic traumatic encephalopathy cte a degenerative brain disease largely found in people who have sustained repetitive brain trauma in 2002 while working as a pathologist at the allegheny county coroner s office in pittsburgh omalu autopsied the brain of pro football hall of fame center iron mike webster of the pittsburgh steelers this led to his groundbreaking discovery of cte in the brains of relatively young and otherwise healthy football players when he published his first report on cte in 2005 in neurosurgery omalu assumed that the national football league nfl would rejoice and take steps to ensure player safety instead this report would lead to a decade long battle with the nfl which refused to acknowledge the connection between football s dangers and the resultant health of its players please note this is a summary and analysis of the book and not the original book inside this instaread summary analysis of concussion summary of book introduction to the important people in the book analysis of the themes and author s style

Summary of Concussion 2016-03-29 inside this instaread summary analysis of concussion summary of book introduction to the important people in the book analysis of the themes and author s style

Fifty Acres and a Poodle 2010-03-31 jeanne marie laskas had dreams of life on a farm that she couldn t get out of her head a dream of fleeing her otherwise happy urban life for fresh air and open space a dream she would discover was about something more profound than that a dream she never ever expected to come true until a hot summer afternoon led to a drive in the country where a place that had existed only in her fantasies turned out to be real and for sale fifty acres and a poodle the place is almost too perfect to be believed but there it is a pretty as a picture postcard farm with an amish barn a chestnut grove and vistas so beautiful they take her breath away and in that moment she knows that this is the spot where her future begins so she drags her boyfriend alex a committed urban dweller with zero agricultural awareness who owns a poodle into her scheme hoping that love will somehow conquer all but buying a postcard fifty acres of scenery and living on it are two entirely different matters the questions seem endless how long before the barn roof collapses should they buy sheep will the place be good for her writing and for her relationship with alex and is there any way to keep betty the mutt and marley the poodle from rolling in mud leaves and unidentified smelly remains in this funny yet tender tale laskas shares what happens when you follow your dream and what happens when it s almost snatched away fifty acres and a poodle is a charming and surprisingly poignant memoir of jeanne marie laskas s first year on sweetwater farm it is a journey peopled by unforgettable characters billy the local contractor who bulldozes her briars takes her shopping for tractors and advises her on buying a mule tim the fedex driver whose truck becomes marley s

obsession and nearly his downfall the local hunters who present her with an entire wardrobe of blaze orange hats and bob the cat whose valiant fight for life gives her the courage to love jeanne marie laskas writes with exhilarating wit and extraordinary wisdom about life love and finding your true self on a farm it s hard to say how a dream forms especially one like mine which at first seemed so utterly random it could have been a sailing a boat to tahiti dream a quit your job and hitchhike to alaska dream it was a fill in the blank dream born of an urge not content an urge for something new i was thirty seven years old i lived on eleventh street the last house on the right in south side a gentrified old mill town on the banks of the monongahela river i rented an office in downtown pittsburgh a fifteen minute bike ride away which is where i spent my days writing stories and magazine articles i had a garden i had a cat i had a dog and i had a farm dream a fantasy swirling around in my head about moving to the country where in the world was this coming from that s what i wondered it might have made sense if i was a miserable person sick of my life but i was not i had a good life it had taken me a long time to get it that way a farm dream would have made sense i supposed if i was at least the farm dream type a person with some deep personal longing to churn butter a person who had had city life forced upon her and now was determined to go be true to herself and live among the haystacks a person who wore her hair in long braids used ivory soap and liked to stencil her walls with pictures of little chickens and cows a person who at minimum had a compost pile in her yard where she diligently threw lawn clippings and coffee grounds and eggshells and earned the right to use the word organic a lot but i was not that person i was not even sure what hay was or why anyone would stack it and if i composted anything it was only by mistake

The Balloon Lady and Other People I Know 1996 this is the first title in a new series emerging writers in creative nonfiction this collection of sixteen essays encompasses a wide range of fascinating characters tom cruise geraldo rivera the woman who pilots balloons the man who trains and races pigs and many other extraordinary people jeanne marie laskas is a highly talented story teller who looks at the world from her unique perspective

Chicken Soup for the Working Woman's Soul 2007-08-24 singles are coming into their own each year more and more people are single either by choice or by circumstance this book celebrates the joys and challenges of living life single

The Art of Creative Nonfiction 2012-08-07 from playful and hilarious accounts of life with cats to heartwarming tales of cat courage healing and learning each touching story in chicken soup for the cat lover s soul celebrates the special bond we share with our cats

Chicken Soup for the Woman's Soul 2012-08-14 this book contains such anecdotes as these 1 bob zuppke coached the football illini

for years in a discussion of football rules someone described a play and asked whether the officials had made the right call before answering however mr zuppke asked which team made the foul illinois or the other one 2 at a westminster dog show in madison square garden a woman was selling an expensive coat made for dogs saying we want her dog to look as smart as madame the saleslady held up a pink cocktail coat made out of embroidered silk with a lining of mohair sportswriter robert lipsyte asked her when would a dog wear that the saleslady replied after five o clock 3 shannon martin was six years old when she won an age 12 and under roping contest for which she was written up in the roping sports news because she hadn t learned to read yet she kept saying to her father come on dad read it again

Chicken Soup for the Single's Soul 2012-08-07 inspiring stories and practical insights challenge readers to live a life of everyday greatness best selling author stephen covey and reader s digest have joined forces to produce an extraordinary volume of inspiration insight and motivation to live a life of character and contribution the timeless principles and practical wisdom along with a go forward plan challenge readers to make three important choices every day the choice to act your energy the choice of purpose your destination the choice for principles the means for attaining your goals topics include searching for meaning taking charge starting within creating the dream teaming with others overcoming adversity blending the pieces with stories from some of the world s best known and loved writers leaders and celebrities such as maya angelou jack benny and henry david thoreau and insights and commentary from stephen covey the wrap up and reflections at the end of each chapter help create a project that can be used for group or personal study

Chicken Soup for the Cat Lover's Soul 2006-11 we ve been conditioned to think about creative genius as a dichotomy dreamers versus doers creativity versus discipline the spark versus the grind but what if we re wrong what if it s the spark and the grind we love people whose creative genius arrives in sudden sparks of inspiration think of archimedes in his bathtub or newton under his apple tree but we also admire people who work incredibly hard and long for their creative breakthroughs think of edison in his lab grinding through hundreds of failed variations on the lightbulb we remember his words in tough times genius is 1 percent inspiration 99 percent perspiration now erik wahl a visual artist speaker and entre preneur helps us unite the yin and yang of creativity the dynamic new ideas with the dogged effort he shows why we won t get far if we rely on the spark without the grind or the grind without the spark what the world really needs are the creators who can hold the two in balance fortunately it s possible to get good at both as wahl knows from experience after his corporate career sud denly ended he pursued a spark to paint photorealistic portraits and ground it out until he got good enough to make very good art very quickly that s the basis of his riveting live shows which have captivated skeptical audiences who never expected to be inspired by art and taught them to embrace creativity in a whole new way this book offers surprising insights and practical advice about how to fan the sparks and make the grind more productive wahl deftly synthesizes the wisdom of other artists philosophers scientists and business visionaries throughout history along with his own views here s how he sums up his approach the world needs people who enjoy swimming in ideas until they discover a great one the world also needs doers who have a gift for activation a k a getting s done but the most potent individual creators in any industry or environment have learned how to be both they ve learned how to spark their grind and they ve learned how to grind their sparks as a result they not only make things happen they make great things if you want to ensure constant creativity in your life and produce your most innovative work this is your guide

The Funniest People in Sports and Neighborhoods 2009-05-04 from adoptive families magazine the country s leading resource on adoption this warm authoritative book is full of practical realistic advice from leading attorneys doctors social workers and psychologists as well as honest intimate stories from real parents and children you can adopt answers every question even the ones you re afraid to ask when should i shift from fertility treatment to adoption how do i talk to my spouse about adoption can we find a healthy baby do i need an attorney an adoption agency can the birth mother take the baby back how much will this really cost how long will it take aren t all adopted children unhappy can i love a child who isn t mine how can i ease the rest of my family into this decision complete with checklists and worksheets you can adopt will help make your dreams of family come true

Everyday Greatness 2017-03-07 for far too long the menace of concussions has been hidden in plain sight on playing fields across america lives are being derailed by seemingly innocuous jolts to the head from the peewees to the pros concussions are reaching epidemic proportions this book brings that hidden epidemic and its consequences out of the shadows as frightening as the numbers are estimates of sports related concussions range from 1 6 million to 3 8 million annually in the united states they can t begin to explain the profound impact of a hidden health problem that can strike any of us it is becoming increasingly clear that concussions like severe head traumas can rob us of our memory our mental abilities our very sense of self because the damage caused by a concussion is rarely visible to the naked eye or even on a brain scan no one knows how many millions might be living lives devastated by an invisible injury too often shrugged off as just a bump on the head this book puts a human face on a huge public health crisis through narratives that chronicle the poignant experiences of real people struggling with this invisible and

often unrecognized brain injury linda carroll and david rosner bring home its potentially devastating consequences among those you will meet are a high school football player whose college dreams were derailed by a series of undiagnosed concussions a hard driving soccer star whose own struggles with concussions pushed her to crusade for safety reform as a coach and soccer mom and an economist who lost her career because of lingering concussion symptoms from a fender bender the concussion crisis weaves these human dramas with compelling stories of scientists and doctors who are unraveling the mysteries of how an invisible injury can wreak such havoc it takes readers into the top labs where scientists are teasing out what goes wrong in the brain after a jolt to the head and into the nation s leading concussion clinic where patients get cutting edge management and treatment carroll and rosner analyze the cultural factors that allowed this burgeoning epidemic to fester unseen and untreated they chronicle the growing public awareness sparked by the premature retirements of superstars like nfl quarterbacks troy aikman and steve young and they argue for an immediate change in a macho culture that minimizes the dangers inherent in repeated jolts to the head the concussion crisis sounds an urgent wake up call to parents coaches trainers doctors and the athletes themselves the book will stand as the definitive exploration of this heretofore silent health crisis it should be required reading for every parent with a child playing sports in fact by everyone who has ever suffered a hard bump on the head

The Spark and the Grind 2009-08-11 this is the first book to specifically address how to write feature articles for women it appeals to both active writers and journalists and those who are just beginning

You Can Adopt 2011-09-13 fans largely regard sports as an escapist pursuit something that provides distraction from the cares and concerns of real life this book pushes back against a fully escapist account of sports fandom and argues that we should understand the value of fandom in terms of the ability of sports to prompt fans to reflect meaningfully on the notion of a good life even if we are not engaged in high level athletics it is possible to learn a great deal from those who are what sacrifices are required to achieve our goals how to persevere through failure and disappointment and about teamwork and the rewards of accomplishing things together moreover partisan fandom which has been criticized from various quarters can teach us valuable lessons about love and what it means to be invested in things over which we have no control if our reflection on the efforts of individual athletes helps us reflect on our own pursuit of the good life our attachments to teams can help us to cultivate a certain kind of humility and openness to all that life has to offer the ethics of sports fandom is an accessible resource for researchers and students interested in the ethics and philosophy of sport that offers an analysis of several different aspects of contemporary fandom fantasy sports the ways that fans interact with athletes on social media violent sports women s sports and the support for our countries national teams in all these areas reflecting on what it means to respect athletes as individual human beings engaged in their own pursuit of the good life requires that fans consider their sports related behavior in a new light
