Osteopathy Illustrated 2022-10-27 excerpt from osteopathy illustrated a drugless system of healing it is not the design of this work to embrace all other sciences and specialties in order to make a show of wisdom our sole object being to present the reasons for the application of this science and to demonstrate its place among other means of healing if the reader will carefully survey the premises investigate the philosophy and note the results a just estimate of the value of the science may be placed on it and its proper place assigned for it unobstructed circulation of fluids to and from the heart in all parts of the body and uniting the forces and removing the pressure constitute the basic principles of this philosophy and the means of promoting these ends is the only object of this book about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Osteopathy Illustrated 2017-05-31 from reflexology and rolfing to shiatsu and dream work we are confronted today by a welter of alternative medical therapies but as james whorton shows in nature cures the recent explosion in alternative medicine actually reflects two centuries of competition and conflict between mainstream medicine and numerous unorthodox systems this is the first comprehensive history of alternative medicine in america examining the major systems that have emerged from 1800 to the present writing with wit and with fairness to all sides whorton offers a fascinating look at alternative health systems such as homeopathy water cures mesmerism christian science osteopathy

chiropractic naturopathy and acupuncture he highlights the birth and growth of each system including european roots where appropriate and vividly describes both the theories and the therapies developed within each system including such dubious practices as hour long walks barefoot in snow or samuel thompson s puking and steaming regimen in particular whorton illuminates the philosophy of natural healing that has been espoused by alternative practitioners throughout history and the distinctive interpretations of nature cure developed by the different systems though he doesn t hesitate to point out the failings of these systems he also shows that some cult medicines have eventually won recognition from practitioners of mainstream medicine throughout whorton writes with a light touch and quotes from contemporary humorists such as mark twain his book is an engaging and authoritative history that highlights the course of alternative medicine in the u s providing valuable background to the wide range of therapies available today

The Journal of the Senate During the ... Session of the Legislature of the State of California 1915 this book shows how health can be maintained and improved by fulfilling the basic physical and mental needs in proper proportion internal insanitation is the basic cause of all diseases ranging from the common cold to the dreaded cancer disease is in reality a diminution in the health level and cure lies in the restoration of health and in the removal of the cause of disease the science of nature cure charts the sane safe and hygienic way of regaining health

The Journal of the Assembly, During the ... Session of the Legislature of the State of California 1915 the suggested drugless methods of deliverance from insomnia permit to get rid of dropping off to sleep disorder dyskoimesis initial insomnia by special energetic and esoteric ways that seems very humane since all soporifics have side effects they promote appearance of both physical and psychological dependences and their ability to provide dream reduces with time since an organism accustoms to the soporifics besides frequent visits to a doctor with an aim to get prescription for new portion of soporific become unnecessary as regards universal method of drugless treatment for depression chronic fatigue syndrome other neurological diseases and hypertension it was created exclusively with intention to help to people suffering from depression however it proved to be enough universal that can be explained by that the offered method treats thanks just to the general rejuvenation of an organism according to the authors opinion even each healthy person should be engaged in this method for very effective prophylaxis every year two weeks which are apart for approximately or exactly half a year for ten fifteen minutes a day as regards depression it is considered as one of the most poignant and hard to cure diseases many humans sick of depression commit suicide

Statutes of California and Digest of Measures 1917 considers 70 s 3107
