people and events every christian should know in this 12 session dvd based study dr timothy paul jones takes you through the most important events in christian history from the time of the apostles to today he brings to life the fascinating people and events that shaped our world this isn't dry names and dates it's full of dramatic stories told with a touch of humor this series based on dr jones's popular award winning book christian history made easy ties in spiritual lessons believers can glean by looking at the past and shows how god was still working in his church despite all the ups and downs you will learn the fascinating stories of people such as st patrick martin luther and augustine people who changed history constantine charlemagne and francis of assisi how we got the bible that we read today john wycliffe william tyndale and others the middle ages and the reformation kings and queens monks and reformers where church doctrines and practices originated how the catholic orthodox and protestant churches came to be reason and revival how modernity and the scientific revolution affected christianity how christianity has spread around the world you don't have to be an expert to lead this 12 session study perfect for small groups bible studies or personal use ages young adult to adult the sessions the 12 sessions cover major eras and topics with plenty of stories and humor you'll cover the early church monasticism medieval conflicts the protestant reformation the great awakening 19th century missions modernity and postmodernism a 5 session journey to discover what it really means to be saved for christians perhaps the deepest expression of what we're waiting for is found in the phrase eternal life but what is eternal life why do we want it and how do we know if we have it in the eternity is now in session participant's guide bestselling author john ortberg takes you on a radical journey of rediscovery dispelling the myth that eternal life is something way out in outer space that we can only hope to experience after we die instead john unpacks the reality that the moment we trust christ we are initiated into eternal living with god as a here and now reality one that will continue beyond our life on this earth we can truly know god experiencing his presence favor and resurrection power right here on this earth in the details tasks and challenges of daily ordinary life and as we begin to know god this way we'll realize each moment of our lives is a vehicle to the eternity we've been longing for all along note this is a companion piece to the eternity is now in session dvd experience 9781496431684 and john ortberg's book eternity is now in session 9781496431646 focus on the promises of god to overcome the voices of insecurity fear condemnation and discouragement this guide will help you and your small group replace negative internal chatter with the promises of god join pastor steven furtick as he walks you and your group through the issues of insecurity fear condemnation and discouragement and learn as he offers strategies for combating them designed for both individuals and groups for use with the companion dvd which consists of six video sessions based on the life changing book crash the chatterbox this participant's guide includes a number of special features in each session video response prompts group discussion questions session closing prayers after session activities this guide also includes the following bonus sections to help group members carry the message of each session into their daily lives my time with god my action steps a leader's help guide makes it easy for any group member to conduct the group study of crash the chatterbox the questions and reflections in this guide will help you see for yourself why listening to god's voice above all others is the most important habit you can ever develop celebrate recovery introduces the journey continues four new participant's guides designed as a revolutionary new second step study curriculum this step study is taken after completing the journey begins participant guides 1-4 in the five lessons in guide 6 asking god to grow my character you will experience christ centered and biblically based studies filled with brand new acrostics deeper questions and more helpful bible verses the content in guide 6 will focus on a deeper study of the fourth recovery principle openly examine and confess my faults to god to myself and to someone i trust happy are the pure in heart matthew 5:8 by working through the lessons and exercises found in each of the four participant's guides of the journey continues you will find a deeper sense of true peace and serenity continue to restore and develop stronger relationships with others and with god and find deeper freedom from life's hurts hang ups and habits this is the participant's guide that accompanies the 5s for safety implementation toolkit praise for thiagi's first jolts if you facilitate group learning or change management you won't want to miss this one elaine biech author of business of consulting and training for dummies a valuable addition to any trainer's bookshelf jean barbazette president the training clinic and author of the art of great training delivery and managing the training function for bottom line results as a charter member of bft borrow from thiagi club i've been adapting thiagi's training activities for decades use the jolts from this book as a way to instantly and successfully engage your participants with your topic steve sugar author of games that teach in his popular first collection of games jolts renowned trainer and game experts sivasailam thiagi thiagarajan writing with tracy tagliati handed trainers well designed games to engage and energize participants clarify complex ideas and solidify concepts in participants' minds now thiagi zaps us again with more jolts a collection of 50 brand new ready to use jolts that share new ways to capture participants' attention smooth transitions keep participants alert even after a break tap the wisdom of the group and spice up lectures with relevant activities the book even identifies the jolts that can be seamlessly incorporated into your next e learning project or interactive webinar brief engaging and easily adaptable to your purpose more jolts gives you everything you need to pump up the energy and effectiveness of your training programs a practical concrete road map to running research studies with human subjects covering both conceptual and practical issues critical to implementing a study with human participants this book is organized to follow the standard process in experiment based research covering such issues as potential ethical problems risks to validity experimental setup running a study and concluding a study the detailed guidance on each step of a study is ideal for anyone who has had little or no previous practical training in research methodology the book's examples and

sample forms are drawn from areas such as cognitive psychology human factors human computer interaction and human robotic interaction key features a coherent view of how to implement the experimental process including detailed discussions of the setup and running of behavioral studies gives you a practical guide for implementing your own experiments concrete examples speak to the diverse needs of the hcl human factors cognitive science and related communities practical coverage of risks and problems that can be anticipated and avoided helps you recognize the ethical challenges you might encounter during the course of designing running or concluding a study three running example scenarios drawn from industrial and academic settings help you understand the major themes of each chapter example forms provide you with models you can use as you create your own experimental documents such as irb applications experimental scripts consent forms and room layouts to meet your particular research needs practical advice and examples of challenges associated with experimental setup and execution such as how to set up experimental rooms manage late or missing participants and devise an effective experimental script humanize key points in a memorable way helping you recall the major points of the book built in learning aids include further readings an appendix on running studies online questions at the end of each chapter and publication paths and types that encourage you to take ownership of the research process and engage in research in a directed and methodical way book jacket the being with course is an introduction to christianity with a difference rather than being a bible study or a series of arguments to try to convince you that god exists it starts with the conviction that you already have a wealth of understanding of truth beauty and goodness that will help you in the company of others to recognise god s presence in your life and your everyday experiences at its heart is the idea that god s greatest desire is to be with us in jesus that s the reason the world was created that s why you were created over a period of ten weeks you will discover dimensions of this presence and what it means to live abundantly with god with one another and with creation if you are to survive in today s competitive environment you must have the leadership skills that make you a valued member of your organization s leadership team global executive leadership inventory geli is your in depth development tool that offers guidance for understanding your leadership abilities and shows you how to take steps to improvement the inventory consists of 100 action and behavior based questions that are designed to measure your competency within twelve areas visioning empowering energizing designing and aligning rewarding and feedback team building outside orientation global mindset tenacity emotional intelligence life balance and resilience to stress the inventory includes an effective self assessment tool as well as a 360 degree component that allows you to obtain feedback from subordinates colleagues and superiors once the assessment is completed and scored the participant workbook guides you through the feedback and helps to create a development plan as a result of the geli process when you complete this workbook you will be able to state advantages of and concerns about 360 degree feedback identify twelve key characteristics of successful global leaders evaluate your strengths and weaknesses on each of the twelve key characteristics develop an action plan that specifies what you will do to improve your leadership competencies an ideal tool for examining your leadership behavior roadblocks and then taking steps toward improvement the geli will serve you as an essential resource on your leadership journey this book examines the on site experiences of film induced tourists at various film locations including locations from the lord of the rings star wars and the sound of music the study attempts to understand the needs and wants of film location tourists and also examines how to use films for destination marketing address your biggest questions about life and faith with guidance from max lucado for 25 years men and women have turned to max lucado for answers encouragement and insight into every facet of their lives together with max they ve journeyed through life s most exciting and challenging times births deaths financial ups and downs spiritual quests and relational adventures and max has become a trusted advisor pastor and friend in times of need now more than ever max s wisdom is needed to help readers navigate the tumults of every day life in the max on life dvd based study max addresses questions about the role of prayer the purpose of pain and the reason for our ultimate hope he responds to the day to day questions parenting quandaries difficult relationships as well as to the profound is god really listening designed as a companion to the dvd and perfect for study for both new and mature believers this participant s guide can be used for journaling or as a prompt for open hearted discussions with your small group features daily readings questions for personal reflection and group discussion challenging widespread assumptions that persons who are preferentially attracted to minors often referred to as pedophiles are necessarily also predators and sex offenders this book takes readers into the lives of non offending minor attracted persons maps there is little research into non offending maps a group whose experiences offer valuable insights into the prevention of child abuse navigating guilt shame and fear this universally maligned group demonstrates remarkable resilience and commitment to living without offending and to supporting and educating others using data from interview based research a long dark shadow offers a crucial account of the lived experiences of this hidden population this report discusses findings from behavioral and psychological studies which indicate that people regularly and predictably behave in ways that contradict some standard assumptions of economic analysis recognizing that consumption choices are determined by factors other than prices income and information illuminates a broad array of strategies to influence consumers food choices these strategies expand the list of possible ideas for improving the diet quality and health of participants in the usda s food stamp program the special supplemental nutrition program for women infants and children wic and the national school lunch and school breakfast programs this is the participant guide that summarizes key concepts from the video provides reflection exercises for internalizing information as well as worksheets and checksheets to guide participants during implementation work on the floor this is usually sold with the 5s system workplace organization and standardization preparing participants for intergenerational interaction training for success examines established intergenerational programs and provides the training methods necessary for activity directors or practitioners to start a similar program this book contains exercises that will help you train colleagues and volunteers for these specific programs and includes criteria for activity evaluations preparing participants for intergenerational interaction will help you implement

programs that enable older adults to build friendships pass down their skills and knowledge to adolescents and provide youths with positive role models discussing the factors that often limit the interaction of older adults with youths this text stresses the importance of conveying information and history to younger generations you will learn why the exchange between different generations is crucial to society and to the improvement of the community in which you live preparing participants for intergenerational interaction provides you with proven suggestions and methods that will make your program successful including examining how to industries a program that teaches entrepreneurial skills to youths through older adults focusing on activities between older adults and youths that address aging sensitivity and racial and ethnic understanding defining the roles of a mentor including teacher trainer developer of talent and counselor increasing support and understanding in your community by defining target markets and selling the project to the public describing the aspects of group dynamics and how group decisionmaking methods are used to assess the success of the program and its volunteers understanding the community where participants live in order to address issues important to them such as poverty and other social problems containing sample handouts self evaluations and detailed lessons for different types of programs this book offers you guidelines that apply to participants that have a variety of needs within different communities preparing participants for intergenerational interaction training for success will enable you to help older adults remain an active and essential part of these communities by teaching youths valuable life skills they may not receive from anyone else in the era of technology and big data advanced and innovative research methods and conducting effective research to solve emerging problems in tourism and hospitality is critical making advanced research methods in hospitality and tourism a necessity for academics and practitioners walter brueggemann arguably america s leading old testament scholar and theologian takes us on a exhilarating ride through the poetic prophecy of the hebrew scripture brueggemann draws connections between israel s sociological economic and spiritual status and that of america today what was the message of these remarkable poet prophets in their own time and place what is their message for us today who are today s prophetic voices how has the contemporary church been coopted by culture what steps can we take to reclaim the prophetic message of distributive justice nonviolence loss and hope and what is your role in bringing god s perspective to today s society each of the six sessions begins with a 10 15 minute video presentation by walter brueggemann followed by filmed interaction with a diverse small group this participant s workbook then helps your own local small group join the conversation it includes all study materials needed by participants and those who lead each participant will need one copy sold separately embracing the prophets in contemporary culture dvd this thoroughly revised and updated version of david clark carter s catch all reference book will prove invaluable to both undergraduate and postgraduate students bringing clarity and reliability to each stage of the quantitative research process special edition of the federal register containing a codification of documents of general applicability and future effect with ancillaries the objectives of this weight management program are to prepare participants for weight loss and maintenance by providing accurate knowledge about food nutrition and physical activity to make participants aware of the personal behaviors which have led them to overeat and of how they can choose to change those behaviors and to direct participants to take care of themselves so that they can manage their choices institutional review boards irbs are the linchpins of the protection systems that govern human participation in research in recent years high profile cases have focused attention on the weaknesses of the procedures for protecting participants in medical research the issues surrounding participants protection in the social behavioral and economic sciences may be less visible to the public eye but they are no less important in ensuring ethical and responsible research this report examines three key issues related to human participation in social behavioral and economic sciences research 1 obtaining informed voluntary consent from prospective participants 2 guaranteeing the confidentiality of information collected from participants which is a particularly challenging problem in social sciences research and 3 using appropriate review procedures for minimal risk research protecting participants and facilitating social and behavioral sciences research will be important to policy makers research administrators research sponsors irb members and investigators more generally it contains important information for all who want to ensure the best protection for participants and researchers alike in the social behavioral and economic sciences sabbath is intentional time taken by individuals and faith communities to integrate the divine with humanity and creation practicing sabbath leads us to a fuller understanding of who we are as children of god this book applies to all adults and youth who have not had much experience in a faith community or who are moving to a new faith tradition activities in this book help readers explore congregational practices whether a new participant or not and make connections to others in the congregation practicing our faith is a lifelong process when completed this series will offer 24 practices in 10 different life settings this series can be used at any time or stage in your life a mentor protege program is an arrangement in which mentors businesses typically experienced prime contractors provide technical managerial and other business development assistance to eligible small businesses or proteges in return the programs provide incentives for mentor participation such as credit towards subcontracting goals additional evaluation points toward the awarding of contracts an annual award to the mentor providing the most effective developmental support to a protege and in some cases cost reimbursement overall mentor protege programs seek to enhance the ability of small businesses to compete more successfully for federal government contracts by furnishing them with assistance to improve their performance this report identifies 13 federal agencies that currently have mentor protege programs and examines whether they are effectively supporting the goal of increasing small business participation in federal government contracting includes recommendations figures this is a print on demand report participant observation is the foundation of ethnographic research design and supports and complements other types of qualitative and quantitative data collection qualitative research in such diverse areas as anthropology sociology education medicine draws on the insights gained through the use of participant observation the authors have written a guide to the collection of systematic data in naturalistic settings communities in many different cultures to achieve an understanding of the most fundamental processes and patterns of social life this book serves as a basic primer for the

beginning researcher and as a useful reference and guide for experienced researchers in many fields who wish to reexamine their own skills and abilities in light of best practices of participant observation this new edition includes discussions of participant observation in nontypical settings such as the internet participant observation in applied research and ethics of participant observation it also explores in greater depth the use of computer assisted analysis of textual data in issues of sampling and in linking method with theory an exciting five session adult formation resource for those seeking a richer understanding of issues in contemporary christian practice and theology who was jesus who is god what is salvation how do we practice our faith how do we live in community container the second edition of this highly accessible core textbook continues to offer students a practical guide to the process of planning undertaking and writing about qualitative research in public relations and marketing communications through clear explanations and illustrations the book encourages undergraduate and master level students to engage with the main approaches and techniques for conducting critical reflective investigations this new edition identifies the skills and strategies needed to conduct authentic trustworthy research highlights specific analytical techniques associated within the main research approaches provides new sections on internet based research critical discourse analysis historical research action research and mixed methods research qualitative research methods in public relations and marketing communications will be invaluable for those undertaking research methods courses on public relations and marketing communication degrees as well as those working on a dissertation summary this book brings together case study examples in the fields of sustainability sustainable development and education for sustainable development
