~~obstacle with a little ingenuity can the eccentric author conquer his dream~~
or is he totally out of his league approximately 5 400 words in all excerpt
from the crappiest author borges svelt wasn t about to hit the new york times
bestseller list anytime soon heavens no he was one of those dreadful self
published authors eek shunned by the industry and despised by his
traditionally published peers like them he was eccentric in many ways from
his tacky plaid socks that doubled as hand warmers to naming every member of
the brady bunch whenever he reached a mental roadblock while some writers
prefer to stand while they write or sail the seven seas while banging away on
their trusty typewriter borges felt right at home on his shiny porcelain
throne of course he didn t mount the toilet with all of his clothes on that
would suggest that he was the least bit sane on the contrary he did not wear
a shred of clothing he was the pantless author ready for anything that came
rumbling through his feeble brain or lower intestine

of how to plan each day so we can achieve the best results with the least
stress if that sounds like you and especially if you've tried a bunch of
productivity systems and found them lacking jeff porten's expert guidance may
be just what you need as a professional technology consultant and an early
adopter of both hardware and software jeff has tried nearly every
productivity management system out there and experimented with dozens of
implementation styles he brings his decades of experience to this book
helping you create a customized strategy that's ideal for your needs and
crucially avoid common mistakes whether you're a productivity junkie or
someone who has struggled for years with a cobbled together informal task
management system this book will help you get a much better grip on your
personal and business time in this book you'll review the principles of
successful planning whether for immediate projects or ~~focused observations~~ and
someday goals understand your natural working style and preferences including
