Advanced Interior Design 2009

this book is for readers who want to make 1 24 miniature furniture with realistic details such as doors and drawers that open the pieces in this book are a good start on furnishing a 1 24 scale dollhouse i use my own equipment but list lower tech alternatives the book takes you beyond pasting together cardboard pieces to building realistic miniatures mostly of wood please expect that because of their size most of

these are harder to build than 1 1/2 scale counterparts a computer drawing program and color printer are helpful but not required for two projects this book and my methods some of them relatively advanced are not intended for children

Paint, Pattern & People 2011
