you own a car use public transportation go to work or school use health care shop or dine out or are part of a metropolitan community parking affects you probably in more ways than you ve thought about because parking has such a huge effect on what happens in cities and towns and how the greater transportation system functions decision makers are beginning to realize that it s critical to employ parking expertise at the beginning of the planning process designing and implementing an effective professionally managed parking strategy can mean the difference between frustrating and costly traffic congestion and efficient time saving traffic flow a guide to parking provides information on the current state of parking providing professionals and students with an overview on major areas of parking and the transportation and mobility industry punctuated by brief program examples there is more to parking law than just parking penalties considering the ways in which law works in everyday life and in familiar places of common experience where the presence of law is not obvious this book explores the various notions of the right to park which jurisprudentially is enacted between individuals in everyday parking from parking areas to the courtroom parking engenders disputes over equality speech legitimacy and entitlement that reach beyond the stated scope of policy looking beyond the obvious this book examines the contested site of the parking space as a place of socio legal meaning where property claims and rights shape identities adopting a constitutive approach to the study of law the book examines how regulation of parking policy is at odds with the force of localised politics producing competing notions of legality and examples of legal semiotics within the terrain of legal geography the use of parking charges and fines specifically to raise revenue by local authorities is neither acceptable nor legal annual parking accounts would allow the public to see how much local revenue is derived from the enforcement of fines and what proportion of this come from on or off street parking charges it s right that parking charges be determined locally but hard to justify fines that substantially exceed penalties for more serious offences like speeding dft s statutory guidance should stipulate that local authorities implement a grace period of 5 minutes after the expiry of paid for time on any paid parking before enforcement officers issue a penalty charge notice pcn the guidance should be clarified and updated particularly in relation to rules for loading and unloading a 25 penalty charge discount should also be introduced for motorists who pay within 7 days of losing any appeal to a parking tribunal local authorities currently offer a 50 discount if motorists pay their penalty charge within 14 days but this is not available to motorists who appeal to a tribunal motorists should also not have to appeal against pcns where tribunal adjudicators have repeatedly identified a problem such as poor signage adjudicators should also be given powers to allow appeals where local authorities fail to follow statutory guidance concerning the use cameras while businesses cannot be completely exempt from parking restrictions local authorities must also ensure that the need to restrict parking and manage congestion does not stifle the ability of businesses to trade and help grow the economy shows how to manage on off street parking supplies to achieve smart growth offers tools method for strategic parking so that communities can better use parking resources avoid overbuilding parking explores new opportunities for making most from every parking space new digital parking tools to increase user interaction satisfaction careers in law enforcement is a valuable resource for students considering a career in the criminal justice field specifically in policing written in a concise and conversational tone
