## **Nkrumah's Ghana and East Africa 1992**

the book reinforces the verdict that pan africanism in the nkrumah era represented the most important indigenous political force on the african continent the most significant single african attempt to affect in an important way the speed and direction of social change in africa the core period in this study 1957 1966 represents the most potent phase in the history of this redemptive movement in africa nkrumah s efforts at influence could not and did not take the same form in the three east african countries in every case political ideological contextual factors dictated the pattern of input in tanzania where nyerere s calculated and studied evolutionism was the main concern the main line of attack was geared to pushing the tanzanian leader and his people toward nkrumah s immediatist continental integration formula

## **HIV and East Africa 2015-03-24**

by tracing the shadow of the epidemic over the last 30 years in uganda and more broadly in the region hiv and east africa investigates the impact of the epidemic on people s lives and livelihoods placing the epidemic within the context of the social political and economic changes that have occurred over the last three decades whilst it inevitably touches on loss and suffering the message is also about managing the impact of an epidemic which has had a profound impact on many lives when one looks for traces in southern uganda once thought to be the epicentre of the epidemic it is hard to see any lasting impact at a community wide level delve deeper and there are scars to be found among families and patterns of change which are a direct result of the epidemic the book goes on to explore the effect of improved treatment and care on perceptions of the epidemic and concludes by putting hiv into the context of other disease outbreaks reflecting on what we can learn from the history of other epidemics as well as the last 30 years of the hiv epidemic

## **East Africa 1986**

a study of the role of immigrants from the indian subcontinent in the development of political consciousness in kenya tanganyika uganda and zanzibar the author believes that with their great economic strength industriousness and ability to articulate the asians played a pivotal role in the transition of these countries from colonies to independent states this is apparently the first book which comprehensively covers the role of asians in east african history until independence came to these territories

## **West Africa and East Africa in the Nineteenth and Twentieth Centuries: East Africa 1972**

## ***History of East Africa 1966***

the economic prosperity of two nineteenth and early twentieth century new england towns rested on factories that manufactured piano keys billiard balls combs and other items made of ivory imported from east africa yet while towns like ivoryton and deep river connecticut

thrived the african ivory trade left in its wake massive human exploitation and ecological devastation at the same time dynamic east african engagement with capitalism and imperialism took place within these trade histories drawing from extensive archival and field research in new england great britain and tanzania alexandra kelly investigates the complex global legacies of the historical ivory trade she not only explains the complexities of this trade but also analyzes anglo american narratives about africa questioning why elephants and ivory feature so centrally in those representations from elephant conservation efforts to the cultural heritage industries in new england and east africa her study reveals the ongoing global repercussions of the ivory craze and will be of interest to anthropologists archaeologists historians and conservationists

## **Generations Past 2010-10-19**

in november 1949 davidson don tengo d d t jabavu the south african politician methodist lay preacher and retired professor of african languages and latin at fort hare university in the eastern cape set out on a four month trip to attend the world pacifist meeting in india the conference brought together delegates from over thirty countries to reflect on how mahatma gandhi s life and teachings could inform pacifist work in the post world war ii era jabavu wrote an isixhosa account of his journey up the east coast of africa and to different parts of india which was first published in 1951 by lovedale press his narrative contains wide ranging reflections on the fauna and flora of the changing landscape on intriguing social interactions during his travels and on the conference itself where he considered what lessons gandhian principles might yield for oppressed south africans engaged in struggles for freedom and dignity he incorporates accounts of chance meetings with important figures of post independence india and of the anti colonial struggle in east africa as well as with members of the american civil rights movement his commentary on non violent resistance and on the dangers of nationalism when coupled with militarism and racism enriches the existing archive of intellectual and political exchange between africa and india from a black south african perspective this new edition includes jabavu s travelogue in the original isixhosa with an english translation by the late anthropologist cecil wele manona tina steiner s introductory chapter examines the networks of international solidarity and friendship that jabavu helped to strengthen in the course of his travels a chapter by mhlobo w jadezweni whose updating of the original isixhosa orthography has made jabavu s text accessible to new generations of readers considers the richness of jabavu s isixhosa style as a contribution to the archive of great african language literature catherine higgs provides biographical sketches of d d t jabavu and cecil wele manona which situate this travelogue within the broader context of their lives evan m mwangi s afterword is a reflection on the historical and political significance of making african language texts available to readers across africa

## **Eighteen Years in Uganda and East Africa (1911) 2008-06-01**

it is now apparent that east africa cannot be viewed in isolation if its early history is to be adequately understood arabic indian and chinese influences have been discovered in the east african cultures and evidence has shown that from about 100 b c the coastal fringe of eastern africa was economically and culturally an integral part of the indian ocean basin the available evidence relating to these early contacts is so scattered however that historians and archaeologists must rely on the findings of numerous related disciplines the contributors to this volume make ingenious use of anthropological geographical ethnographical zoological linguistic numismatic and musical

ogical evidence as they develop new historio graphical techniques to open this challenging area of inquiry among them are the leading specialists in their respective fields h neville chittick vinigi grottanelli paul wheatley j s trimmingbam gervase mathew pierre wrin aldan southall merrick posnansky james kirkman and michael gwynne the topics in vestigated include the peopling of the east african coast chinese knowledge of east africa the arab geographers the problem of malagasy origins connections between the lacustrine peoples and the coast and the origin and spread of various domestic food plants although there remain as many questions as answers this volume serves as a vital summa tion of our current knowledge and points the way toward further fruitful research in african history

## **East Africa and the Orient 1975**

a study of the history legends and life of both indigenous peoples and immigrants to two areas of east africa the ancient coastal land of zenj and the kingdom of buganda

## ***Studies in East African Geography and Development 1971-01-01***

during the last decade political independence has profoundly alter the perspective of student of east african history at the same time there has been a dramatic increase in our historical knowledge of the region in this important a substantial volume eighteen leading scholars have combined to produce an authoritative and up to date assessment of the last two thousand years in east africa the book contains an excellent coverage of social and economic developments and there is also a penetrating discussion of he varied methods of research in use by historians in east africa back cover

## **The Guide to South and East Africa 1913**

for centuries east africa has played a central role within the indian ocean world the arabs built the first trade networks there these were laid siege to by the portuguese in the sixteenth century followed by british colonialists in the nineteenth century an interregional trade linked different subregions of east africa to other indian ocean economies for example hindu merchants from gujarat played a leading role in the ivory trade of east africa during the past four centuries in the nineteenth century zanzibar became a major center of the asian slave trade while slave trading slave raiding and their consequences provide one thematic focus of this book the author also demonstrates that indian ocean commercial networks were much more complex in the range of products exchanged including luxury goods and staple food items as well as enforced labor islam provided yet another connective tissue linking east africa to the indian ocean world and served as a cultural matrix through which popular beliefs and practices were transmitted this book offers an eye opening perspective on an often neglected area of world history publisher s description

## **Guide to archives and manuscripts relating to Kenya and East Africa in the United Kingdom 1991**

reprint of the original first published in 1874

## **East Africa 1927**

the book is an expanded adaption from an extensive independent study under the title exploration of socio political history of the oromo nation of east africa and prognosis of its future perspectives the study was outlying to the conventional abyssinia centered ethiopian history and a partial departure from the academic tradition of ethiopian studies and oromo studies it was a case study conducted in an advocacy world view and an atheoretical framework it employed the historical parallel and the center periphery approaches as objects of the study the book narrates the socio political history of the oromo nation in the horn of africa it accentuates the pressing problems of the oromo in modern ethiopia and identifies the loss of the socio political center as an urgent problem it sets a new grand narrative and a unifying vision for the oromo nation and advocates for its peaceful and democratic rise to the socio political center in modern ethiopia and east africa it envisions kushite ethiopia and kushite ethiopian nationalism as the future of modern ethiopia and east africa

## **Lands and Peoples of East Africa 1986**

this book is the result of a long term cooperation between french and east african scholars and universities under the aegis of the french institute of research in africa ifra nairobi this book presents the main results of the research program cooperation for university and scientific research corus mountains and small and medium cities in east africa environmental management flows of people and resources funded by the french ministry of foreign affairs and supported by ifra nairobi the specific subject is to rethink the development of the east african mountains in relation to the fast growing towns and cities that surround them three east african mountains were chosen mount kenya mount elgon ugandan side and uporoto mountains tanzania comparisons are included especially with mount kilimanjaro which has been studied in previous books and programs e g kilimanjaro mountain memory and modernity mkuki na nyota dar es salaam 2006 the authors are east african tanzania uganda kenya and french scholars most of them geographers made from 12 contributions this book focuses on a recent change in those mountains a growing urbanization which shapes new mountain systems this phenomenon which is actually a major upheaval is the focal point of this book giving rise to this question what are the links between rural urban evolution in such contexts what are the impacts on livelihoods and development this book covering social and environmental scientific issues relating to rural urban nature is the first of its kind for african mountains
