JHARKHAND PUBLIC SERVICE COMMISSION PRELIMS EXAMS COMPREHENSIVE GUIDE PAPER-I & PAPER-II 1966

india will just be a mere geography without its religious and spiritual ethos combined with moral values and civilization if bharat is known for its spiritual accomplishments and philosophical roots one has to gratefully acknowledge the role played by its hallowed places of worship holy rivers and magnificent mountain ranges which have inspired people for thousands of years in particular temples contributed in no small measure to bharat s spiritual enlightenment serving as a beacon to the rest of humanity every temple in this holy land has a story to tell a legend to elevate our spirits and is a sacred space for all of us to experience inner joy one can find the contribution of so many saints and rishis who devoted their entire life to many places of worship in olden days temples served as a great center for enriching all facets of human life be it spiritual training or yoga be it education be it poetry and literature be it fine arts and sculpture there are thousands of fascinating temples with great historical and spiritual backgrounds spread all over the country these temples can be divided into many groups finding mention in innumerable scriptures which are they where are they located this book is an attempt to collect and curate and tabulate information in brief which will certainly answer some

of the queries a prospective yatri may have all the information in the book was collated after personal visits to these places by author

G.K. Hall Bibliographic Guide to Theatre Arts 2017-10-04

the ancient indian sanskrit tradition produced no text more intriguing or more persistently misunderstood or underappreciated than the mahabharata its intricacies have waylaid generations of scholars and ignited dozens of unresolved debates in rethinking the mahabharata alf hildebeitel offers a unique model for understanding the great epic employing a wide range of literary and narrative theory hildebeitel draws on historical and comparative research in an attempt to discern the spirit and techniques behind the epic s composition he focuses on the education of yudhisthira also known as the dharma king and shows how the relationship of this figure to others especially his author grandfather vyasa and his wife draupadi provides a thread through the bewildering array of frames and stories embedded within stories hildebeitel also offers a revisionist theory regarding the dating and production of the original text and its relation to the veda no ordinary reader s guide this volume will illuminate many mysteries of this enigmatic masterpiece this work is the fourth volume in hildebeitel s study of the draupadi cult other volumes include mythologies from greece to kuruksetra volume one on hindu ritual and the goddess volume two and rethinking india s oral and classical epics volume three

Kothari's Economic Guide and Investors' Handbook of India 1982

Rethinking the Mahabharata *2009-10-01*

india is the largest film producing country in the world and its output has a global reach after years of marginalisation by academics in the western world indian cinemas have moved from the periphery to the centre of the world cinema in a comparatively short space of time bringing together contributions from leading scholars in the field this handbook looks at the complex reasons for this remarkable journey combining a historical and thematic approach the handbook discusses how indian cinemas need to be understood in their historical unfolding as well as their complex relationships to social economic cultural political ideological aesthetic technical and institutional discourses the thematic section provides an up to date critical narrative on diverse topics such as audience censorship film distribution film industry diaspora sexuality film music and nationalism the handbook provides a comprehensive and cutting edge survey of indian cinemas discussing popular parallel new wave and regional cinemas as well as the spectacular rise of bollywood it is an invaluable resource for students and academics of south asian studies film studies and cultural studies

Midnights with the Mystic 2015-04-02

this book discusses asia s rapid pace of urbanization with a particular focus on new spaces created by and for everyday religiosity the essays in this volume covering topics from the global metropolises of singapore bangalore seoul beijing and hong kong to the regional centers of gwalior pune jahazpur and sites like wudang mountain examine in detail the spaces created by new or changing religious organizations that range in scope from neighborhood based to consciously global the definition of spatial aspects includes direct place making projects such as the construction of new religious buildings temples halls and other meeting sites as well as less tangible religious endeavors such as the production of new mental spaces urged by spiritual leaders or the shift from terra firma to the strangely concrete effervesce of cyberspace with this in mind it explores how distinct and blurred and open and bounded communities generate and participate in diverse practices as they deliberately engage or disengage with physical landscapes cityscapes it highlights how through these religious organizations changing class and gender configurations ongoing political and economic transformations continue as significant factors shaping and affecting asian urban lives in addition the books goes further by exploring new and often bittersweet improvements like metro rail lines new national highways widespread internet access that bulldoze both literally and figuratively religious places and force relocations and adjustments that are often innovative and unexpected furthermore this volume explores personal experiences within the particularities of selected religious organizations and the ways that subjects interpret or actively construct urban spaces the essays show through ethnographically and historically grounded case studies the variety of ways newly emerging religious communities or religious institutions understand value interact with or strive to ignore extreme urbanization and rapidly changing built environments

Islamic Financial Management 2023-11-21

judging by the academic post mortems the 2008 economic collapse was triggered by a financial sector gone wild but the collapse was also made possible by defects in corporate governance at last this volume offers a

serious investigation into the role corporate governance played in getting the world into that mess and can play in getting it out offering diverse perspectives from some of the world's preeminent corporate scholars the volume deserves a place on the desk of anyone seeking to understand the collapse and how to avoid the next one kent greenfield boston college law school us this excellent collection from a highly distinguished group of scholars focuses on three intertwined and overlapping aftermaths the pressing concerns of corporate governance reform arising out of the financial crisis since 2008 the state of corporate governance reform since the spectacular failures of enron worldcom and others and finally the prospects of what since the early 1980s has been a global debate over the convergence and divergence of corporate law debates drawing on numerous country studies this book greatly advances our understanding of where corporate governance reform is headed peer zumbansen york university canada this volume addresses a range of important issues that were relevant before the global financial crisis and have in many ways become more so since the crisis the book contains the work of a number of renowned commentators who have given the issues considered in the book much thought over an appreciable period of time this volume is one that all scholars interested in corporate governance no matter what their academic discipline is would be interested in reading i am eagerly awaiting its publication andrew keay university of leeds uk the governance needle now swings to and fro like a windscreen wiper no longer fast upon the goal of shareholder primacy and wealth maximization the aim of this volume is to introduce the new ideas animating governance in the post financial crisis world this book does a superb job of accomplishing that objective probing discussions of sustainability stakeholder models globalization ethical behavior soft law independent directors and family capitalism coalesce around the antipode toward which the windscreen wiper increasingly swings and not which may be but will be the shape of things to come douglas m branson university of pittsburgh us the financial crisis of 2008/09 raises questions about the assumptions that underpin corporate governance shareholder value and private ordering may not in fact be the best means of promoting efficiency and corporate responsibility and the mechanisms used to ensure management accountability may not be effective in this fascinating study experts from around the world draw on the experience of the financial crisis to explore topical issues ranging from shareholder primacy and the corporate objective to the stakeholder principle business ethics and globalization of corporate governance principles the chapters are provocative acknowledging that our understanding of fundamental

questions of corporate governance is still developing and demonstrating that the corporate governance debate is far from over this informative book will appeal to researchers in corporate governance and corporate law including graduate students policymakers lawyers accountants and management consultants chambers of commerce and trade associations will also find much to interest them in this book

Moral Development in a Global World 2014-01-30

religion a set of organized beliefs practices and systems that relate to the worship of a controlling force plays a crucial role in contemporary society true doctrines of each religion lead us to become spiritual in nature which in turn propels us towards promoting the well being of humanity therefore integrating religion spirituality and humanity can cultivate and promote a focus on living consciously harmoniously and righteously shawn paul blends science social science and spiritual science into a format of practical living based on human ideals and values to present a well balanced view of each major religion he not only examines the limitations of organized religious practices but also highlights the true doctrines of each faith and their significance in human lives while logically critiquing traditional religious practices their significance and limitations and the way they impact society paul also summarizes major themes and corresponding holy verses while encouraging compassion peace and love through spiritual consciousness and service to humanity religions spirituality and humanity shares a comprehensive examination of organized religious practices and their significance that inspires a harmonious life of personal fulfillment focused on contributing to the greater good and a peaceful coexistence

Vadophil 2008-09

a reader for students at the university of south africa studying community psychology it addresses ideologies of race gender and sexuality that together create particular south african post colonial realities which legitimise oppression and cultural dispossession
