we use and to connect two words phrases clauses or prefixes together televisions and computers are dominating our daily life noun noun i have to shower and change verb verb the photos are black and white adjective adjective my best friend and my father s father both come from wales phrase phrase we use the to talk about a specific thing i caught a train to london it doesn t matter which train the train was late that particular train was late we often use a when we mention something for the first time and then change to the when it is clear which thing we are talking about he was talking to a man the man was laughing the word and is a conjunction and when a conjunction joins two independent clauses you should use a comma with it the proper place for the comma is before the conjunction on monday we ll see the eiffel tower and on tuesday we ll visit the louvre the only articles in english are the and a an yet the tricky part is that we use them differently and sometimes not at all we call the the definite article and a an the indefinite article the with things that are universally known we use the with things known to everyone the sun the stars the moon the earth the planet because they are a part of our physical environment or part of the natural world the earth moves around the sun we lay on the grass and watched the stars you should use and or when both options are applicable in its place i would like cake and or pie means i would like one or both of the following cake pie the main reason for using and or is to remove the ambiguity of whether and means only both and whether or means only one and articles are used before nouns people places or things objects if you haven t learned about the ø before don t worry you ll learn about it today articles are used to help us separate or understand new vs old information they help us understand specific vs general information we use the to talk about specific nouns groups in general geographic terms and so much more read this post to learn when to use the in english when not to use the why the is so important and how to practice using it the is typically used in accompaniment with any noun with a specific meaning or a noun referring to a single thing the important distinction is between countable and non countable nouns if the noun is something that can t be counted or something singular then use the if it can be counted then use a or an for example we are learning how when to use a and an the indefinite articles in english grammar i ve got 4 simple rules you must learn plus some pronunciation prac use a or an with a singular count noun when you mean one of many any or in general bob is a student one of many students i like a good movie one of many movies use the with any noun when the meaning is specific for example when the noun names the only one or one of a kind english has two articles the and a an the is used to refer to specific or particular nouns a an is used to modify non specific or non particular nouns we call the the definite article and a an the indefinite article the definite article a an indefinite article this phrase used to refer to something you re familiar with or accustomed to so if there s something that always happened or has become customary it would be used to for example i m used to sleeping with the lights on because i always fall asleep while reading or she s used to my cooking and rarely complains anymore the and sign or ampersand is a form of shorthand and shouldn t be used when writing a formal document like a school assignment an official letter or email or any kind of report however there are places when it is acceptable to use an ampersand if you have a chart or table the and sign can save space when labeling an axis or column to put something such as a tool skill or building to a particular purpose this glass has been used could you get me a clean one to infinitive use scissors to cut the shapes out going on the expedition gives me a chance to use all the training i ve had the old hospital isn t used any more a an vs the in part 2 of the english articles tutorial we continue our list of 25 articles usage tips here we introduce the article the and discuss how to choose between the indefinite articles a an and the definite article the use 9 a and an are called indefinite articles indefinite means not specific and is used to connect two nouns or adjectives together check out the following examples i want a caramel macchiato and a latte and is used to connect two nouns here sarah is both angry and
