anthony c yu s celebrated translation of the journey to the west reinvigorated one of chinese literature s most beloved classics for english speaking audiences when it first appeared thirty years ago yu s abridgment of his four volume translation the monkey and the monk finally distills the epic novel s most exciting and meaningful episodes without taking anything away from their true spirit these fantastic episodes recount the adventures of xuanzang a seventh century monk who became one of china s most illustrious religious heroes after traveling for sixteen years in search of buddhist scriptures powerfully combining religious allegory with humor fantasy and satire accounts of xuanzang s journey were passed down for a millennium before culminating in the sixteenth century with the journey to the west now readers of the monkey and the monk can experience the full force of his lengthy quest as he travels to india with four animal disciples most significant among them a guardian monkey known as the great sage equal to heaven moreover in its newly streamlined form this acclaimed translation of a seminal work of world literature is sure to attract an entirely new following of students and fans a new translation of a major literary text which totally supersedes the best existing version it establishes beyond contention the position of the journey to the west in world literature while at the same time throwing open wide the doors to interpretive study on the part of the english audience modern language notes on the unabridged translation we human beings are enveloped in deep darkness of ignorance we seek peace of mind but we don t realize that peace is not an external thing it is our original state it is our own mind that steals our peace by constantly jumping from thought to thought it craves and desires and we lose our peace unless we tame the monkey mind and make it into a monk we will never be able to experience true bliss this book will show us the way it is a short simple and candid book it is a guide to shift your mind from monkey to monk mode to raise your vibration to shift your energy level a monk is not the one who renounces all the happiness but the one who seeks unlimited happiness well to experience this level of happiness you need not renounce your mundane life or sell your ferrari and join a monastery you can experience it by raising your vibration practising a few rituals being wherever you are in your life monk mode is a mental state of high vibration that allows the individual to exert control over his mental well being tang monk and the monkey king set out on a journey to secure the scared scriptures life s journey is dotted with significant events that teach us invaluable lessons yet it is in the subtleties of small things which are often overlooked that we discover the true spirit of life monks monkeys and memories is a travelogue of such a journey it recounts people and situations the author has come across in his life these events reveal an evolution within the author it is from a restless monkey mind towards the serene wisdom of a monk easy to read entertaining funny and yet deeply introspective
