For the history of the dravidian language family itself the comparative grammar forms an important part of the historical linguistics yet richard caldwell s comparative grammar of dravidian or south indian family of languages london 1856 2 1875 3 1913 is outdated an up to date comparative grammar of the dravidian languages therefore was long overdue with the work of the renowned russian dravidian scientist mikhail s andronov in which the over 80 known investigated and described languages and dialects of the dravidian language family are taken in consideration this gap has been closed
