

## Nikon D800 and D800e: A Simple Guide *2015-06-11*

The Nikon D800 D800e is one of the Nikon cameras to win the Gold Award by Digital Photography Review. The camera has several functions that come as standard in the default function such as autofocus in some scenes and scenarios you will need to manually adjust the setting to achieve the quality photos as you shoot. The camera has white balance ISO sensitivity and exposure compensation to reduce the effects of a different light source on how the camera captures the photo. There are different modes to help you change the shutter speed and aperture values to achieve the settings required for the different scenes.
