The Rough Guide to Italy

2001

Italy is one of the hottest vacation destinations in the world. Nearly everyone wants to travel here to see all of the incredible sights and experience all of the amazing museums and other art centers in the region and then of course there's the desire to experience authentic Italian cuisine. If you are planning a trip to Italy, you will want to have access to an official guide that will tell you exactly where to go, where to stay, and what to consider when you are heading to Italy with so much information floating around it can be difficult to know exactly what is important and what isn't. Italy: The Official Travel Guide is the perfect book to cut out any confusion and give you straight answers as to where you need to go and what you need to do when you are in Italy. You will also learn about what the climate is for each region, what to look out for, the cultural differences, what you should and shouldn't do when you are there, and much more. Truly, this is the best guide for anyone traveling to Italy as it will guide you through the entire trip, ensuring that you are armed with all of the most important knowledge before you even catch your flight.

turin italy the entire history travel and tourism guide information turin is an extraordinarily interesting city with a very rich history more than you could possibly imagine before going there it flourished in the 17th 18th and 19th centuries as the centre of the savoy kingdom and capital of the baroque before becoming italy s first capital in 1861 the impressive royal heritage of palaces such as palazzo reale churches squares and grand corsi lined with 18 km of porticoes were designed to protect the nobles against the

elements the surrounding mountains hills lakes and plains all feel close despite the industrial legacy still most evident in the form of the Lingotto Fiat's former factory hailed at the time as the cathedral of technology Turin is also Italy's modern and contemporary art capital and home to Italian cinema and also Eataly right in the centre dominating the cityscape is Turin's extravagant and famous landmark the Mole Antonelliana an example of engineering as art and home to the Cinema Museum this ancient Italian city amazes visitors by the amazing diversity of tourist routes cultural programs and historic sites each of its streets and squares certainly has so many fascinating stories mysteries and surprises your travel to Turin will surely become a real adventure each day spent in this place is unique and interesting

siena italy the history of the city a travel guide for tourism

does any country boast as many holiday destinations as italy the majesty of rome the beauty of naples the romance of venice all must visit cities at some point in one s life but even beyond the more storied names italy offers much to stir the soul the small city of siena with a population of barely 50 000 is a classic hidden gem siena is most famous for its biannual horse race the palio a forthcoming documentary on the palio should heighten british interest in a truly unique event if possible time your visit around either the july or august races however even if you can t make the palio you ll find much to treasure siena is a truly beautiful city all cobbled streets and tall ancient buildings the city is split into 17 districts all with their own names and colours and as you walk the streets you ll notice the flags change depending on which district you travel through unlike certain global megacities siena has a strong sense of identity it will stay with you long after you depart siena is a city where the architecture soars as do the souls of many of its visitors effectively a giant open air museum celebrating the gothic siena has spiritual and secular monuments that have retained both their medieval forms and their extraordinary art collections providing the visitor with plenty to marvel at the city s historic contrade districts are marvellous too being as close knit and colourful today as they were in the 17th century when their world famous horse race the palio was inaugurated and within each contrada lie vibrant streets populated with artisanal boutiques sweet smelling pasticcerie pastry shops and tempting restaurants it s a feast for the senses and an essential stop on every tuscan itinerary
