The Stargazing Year 2005 illustrated with 20 drawings this is an amateur astronomer s beautifully written account of a year spent observing the cosmos and building an observatory in his new england backyard The Unspeakable 2014-07-08 the unspeakable tells the story of two men both priests whose strange and divergent paths collide peter whitmore an administrator for the diocese of st paul is asked to investigate and ultimately discredit a priest who it is rumored possesses a remarkable power the power to heal the priest in question jim marbury is no stranger to whitmore he is an old friend a seminary roommate and a spiritual mentor whom whitmore has not seen in more than twenty years but much has changed always somewhat unconventional marbury is now mute speaking only in sign language his voice reportedly stolen by god on a trip that he took through western pennsylvania on that same journey in a snowstorm that nobody can verify marbury encountered a terrible car accident and a family who changed his life irrevocably marbury gets drawn into a world he did not expect a world where the past repeats itself where the mystical is not in a book but alive and breathing and now whitmore his old friend has to decide for himself which events are really the hand of god and which are the delusions of marbury gone mad Literacy and Learning in the Content Areas 2017-07-05 the 3rd edition of literacy learning in the content areas helps readers build the knowledge motivation tools and confidence they need as they integrate literacy into their middle and high school content area classrooms its unique approach to teaching content area literacy actively engages preservice and practicing teachers in reading and writing and the very activities that they will use to teach literacy to their own studentsin middle and high school classrooms rather than passively learning about strategies for incorporating content area literacy activities readers get hands on experience in such techniques as mapping webbing anticipation guides booktalks class websites and journal writing and reflection readers also learn how to integrate children s and young adult literature primary sources biographies essays poetry and online content communities and websites into their classrooms each chapter offers concrete teaching examples and practical suggestions to help make literacy relevant to students content area learning author sharon kane demonstrates how relevant reading writing speaking listening and visual learning activities can improve learning in content area subjects and at the same time help readers meet national content knowledge standards and benchmarks

Surviving Bullies Workbook 2006-02-01 the surviving bullies workbook is a courageous effort to confront one of childhood s most unspoken widespread traumas bullying like many diseases can rob a child of his or her potential this workbook gives the child and the parent a positive approach and systematic framework to tackle the problem and overcome it

The Complete Idiot's Guide to Backyard Adventures 2008-05-06 the perfect family getaway is closer than you think this easy to use affordable guide helps parents transform their own backyards into unforgettable family escapes from insect safaris to sports camps artist colonies to pet parades and block parties great activities for kids of all ages can be adapted for use by camp counselors scout and other group leaders teachers day care workers and home schooling parents provides the perfect alternative to vacations plagued by high gas prices flight cancellations and budgetary constraints goes beyond the literal backyard to include other close to home adventures

□□□□ 2007 religiously inspired novels inspirational writings and biographical works on people who are models for spiritual growth are among the recommendations found in this reference
