small group resources tend to overlook the spiritual side of small group leadership and yet most would agree that spiritual preparation is the most important aspect of leading a small group only gods supernatural power can draw people to the truth and liberate them to be all that god wants them to be the key distinction of this book is the spiritual perspective it gives to small group ministry so much of the literature about small groups that is already published relates to small group technique and only touches briefly on the spirits power this book is a practical reference guide to help small group leadership begin to move in the supernatural realm the books first priority is to help small group leaders and members trust the holy spirit to lead them empower them and work in their group small group facilitators often sense a lack of guidance power and spiritual authority jesus knew his disciples would be powerless without a touch from the holy spirit and so he told them to wait in jerusalem saying you will receive power when the holy

bearing in mind the complex and multiple legacies of slavery and colonialism particularly as they present themselves in the african caribbean turner addresses what he sees as a fundamental but underexplored phenomenon self negation he defines this as the tendency for persons living in the aftermath of slavery and colonialism to not like themselves or to live with a dissonance in their identity this problem is particularly seen in the relationship between the church and african indigenous religious heritages within the region using the bahamas as the site for qualitative research and theological reflection he explores the complex relationship between the church and junkanoo an african caribbean street festival whilst bahamians eagerly participate in both spheres it is the common belief that church is sacred and junkanoo is secular and the two should never mix turner theorizes that the theological root of the issue is the kinds of colonial hermeneutics that still inform church and cultural practices whilst self negation is

in separation from the common author zacharias tanee fomum shares his personal journey of obedience to god s call to live a life of separation from the ordinary fomum s journey began with small steps of obedience like giving away his suits when god asked him to but it soon became a radical commitment to living a life different from what obtains in the world around him using biblical examples and others from church history fomum makes the case that all who are called by god to specific tasks are called away from the ordinary life and to uncommon lifestyle he argues that success and distinction come at a great price and that responsibility curtails a person s freedom fomum s book challenges readers to consider whether they are willing to pay the price for success and follow the narrow way that jesus walked through his own story and reflections on the scripture fomum offers encouragement to those who are willing to heed god s call to a life of separation from the common he reminds readers that they can hear god s voice and that he will be their guide and helper on the path to success in him separation from the common is a challenging and inspiring call to a radical commitment to christ and a life that stands out from the crowd

brother zach defined his role in the work of god and functioned essentially as a team leader he understood the work of god and leadership in terms of receiving from god his will and methods for his work but he also looked to god to receive the men and women who were god s workers in the work these became his co workers he was their team leader some of the co workers and co leaders in his team served for short periods and some served with him a lifelong commitment from his lips we can enter into the spiritual environment and into the lives of the men and women who served the lord with him for the purposes of testimony many statements for correction rebuke and re alignment have been deliberately omitted because the public nature of the book is inappropriate for such a ministry of perfection and intimacy we have shared what came from his lips to motivate his co workers and that reflects his absolute faith not only in god but in those that had teamed up with him he saw the good and he built on the good and around such a leader many unusual men and women emerged as is evident in these anecdotes may the lord build you as you read and may the lord build you as you share in an unusual leader building men and women for god s work

brokenness by professor fomum is a real classic for walking the christian life with total abandonment to the lord after the new birth a man s spirituality is not measured by his capacity to preach great sermons to cast out demons or to heal the sick such capacities could be the manifestation of spiritual gifts which are received from god regardless of who the person is such a person may be totally unrecognizable at the slightest provocation be selfish and self centred love sin hide or blame others for his mistakes and failures get worried when faced with the least problem and act before he has prayed about it etc this talks of an unbroken life in which unfortunately most believers who truly confess the name of the lord find themselves several years after conversion the purpose of god in the new creation is to produce people who attain spiritual maturity by quickly attaining the stature of broken men and women god does it through the cross to break and destroy the natural man and by the work of the holy spirit to build the character of christ in the believer brokenness therefore depends on the degree to which a person has allowed the cross and the holy spirit to work in him taking jacob s life as a basis the author shows how one can go from the state of the natural man unconverted to that of a carnal believer unbroken then to that of a spiritual believer broken that is a life in which the believer belongs totally to the lord allows free access to god in the minutest details of his life no longer presents any obstacle to god read this book ~~dental assistant the~~
