Tennessee Williams: Mad Pilgrimage of the Flesh 2014-09-22

williams was a compassionate man he was an intelligent american citizen and korean war veteran who claimed his right to american citizenship acutely aware of the broken promises of the us government he remained fully invested in the rights privileges and responsibilities the constitution guaranteed all of its citizens as many of his contemporaries now confess williams s strength and appeal as explained by his second son john williams was his uncompromising stance and determination to act on the american dream he imagined for social economic and political equality for african americans the skills he acquired as a journalist and propaganda specialist were key to his political development evolution and transnational collaborations with cuba and china which he used to challenge domestic policies in the united states and way beyond the imagination of his supporters in the united states williams ultimately used these strengths strategies and collaborations to deliver liberating messages of freedom resistance and social and economic equality on behalf of the rights of african americans williams significantly contributed to the black freedom struggle and should not be forgotten this book includes a collection of writings by and about williams as an internationalist pragmatist and civil and human rights champion

Robert Franklin Williams Speaks: A Documentary History 2024-07-16

Caleb Williams 1831

colin palmer presents a guide to understanding the influential west indian scholar and politician eric williams

Raymond Williams 1995

brett gray traces the portrayal of christ that emerges throughout williams diverse writings including in his engagements with literature and philosophy what emerges is a vision of jesus that grows from the roots of the christian tradition but is pronounced in a contemporary idiom and sensitive to modern concerns although attentive to the broad sweep of the christian tradition williams christology is also seen in this book to be a particular british artefact shaped in dialogue with thinkers such as donald mackinnon and gillian rose what is ultimately brought to the surface in this work is the profoundly hopeful if frequently under pronounced eschatology underlying williams christology jesus is the last word changing creation s possibilities and summoning it into an endless and vivifying journey

Eric Williams and the Making of the Modern Caribbean 2006

ten years after the u s civil war a group of men in rhode island made a conserted effort to rescue the widely scattered writings of roger

williams few sets were printed though and under the guidance of perry miller the complete writings of roger williams were brought back in 1963 but still in short numbers the present collection now makes these volumes available to readers in their original orthography the theme of religious liberty is dominant in these volumes running through williams s correspondence with john cotton and on through his famous pair of works on the bloody tenent of persecution all of the extant shorter writings and letters of roger williams are included in this set along with two significant works resulting from his engagement with native americans his seminal key into the language of america and christenings make not christians

Jesus in the Theology of Rowan Williams 2016-11-17

the autobiography is an unpretentious book it reads much as williams talked spontaneously and often with a special kind of salty humor but it is a very human story glowing with warmth and sensitivity it brings us close to a rare man and lets us share his affectionate concern for the people to whom he ministered body and soul through a long rich life as physician and writer

The Complete Writings of Roger Williams, Volume 2 2007-05-01
