Investing Bible 2016-09-30 one of the reasons that real estate is generally so reliable is that it offers a unique mix of liquidity cash flow profitability net worth and diversification benefits not seen in other types of investments having an understanding of the benefits of real estate investment and understanding how to best put them to use are very different beasts however which is why this book will aim to outline the basic principles at play during real estate investing as well as the various risks involved while every once in a while a whale of a property will come along and allow you to make a major windfall with relatively little effort unfortunately for most real estate investors this is going to be the exception not the rule which means that most of the time success is going to come about incrementally thanks to lots and lots of research and a firm understanding of real estate investment fundamentals this means that even if you have a real estate agent on the team you are going to want to spend plenty of your own time seeking out non traditional avenues to find properties which is often where the occasional whale is going to be found this investing bible is all about learning home buying flipping houses wholesaling and budgeting in real estate and also learning the important tips and tricks to have a thriving and evergreen real estate business for generations buy this book today and start building your real estate empire

Real Estate Investment Bible 2023-08-31 with real estate investments bible you ll gain a comprehensive understanding of real estate investment that goes beyond surface level tips and tricks this book delves deep into the fundamentals of the industry covering everything from property acquisition and valuation to wealth building strategies and portfolio diversification with clear explanations of key concepts real world examples and practical tips you ll be able to navigate the complex world of real estate investment with confidence learn how to evaluate properties build your team and make strategic decisions to achieve your financial goals whether you re a seasoned investor or just starting out the real estate investments bible is an indispensable resource that will help you build a diversified real estate portfolio and create lasting wealth don t miss out on this opportunity to take your investment game to the next level

The Investing Bible (2 in 1) 2019-09-25 simple step by step strategies for creating the ultimate cashflow machine

The Intelligent REIT Investor 2016-08-10 the go to guide for smart reit investing the intelligent reit investor is the definitive guide to real estate investment trusts providing a clear concise resource for individual investors financial planners and analysts anyone who prioritizes dividend income and risk management as major components to wealth building the reit industry experienced a watershed event when standard poors created a new global industry classification standard gics sector called real estate publicly traded equity reits have been removed from financials where they have been classified since their creation in 1960 and have begun trading as their own s p sector this separation from banks and financial institutions has attracted new investors but reits require an industry specific knowledge that is neither intuitive nor readily accessible to newcomers until now using straightforward language and simple example to illustrate important concepts this book will enable any reader to quickly learn and understand the lexicon and valuation techniques used in reit investing providing a wealth of practical resources that streamline the learning process the discussion explains terminology metrics and other key points while examples illustrate the calculations used to evaluate opportunities a comprehensive list of publicly traded reits provides key reference giving you access to an important resource most investors and stockbrokers lack reits are companies that own or finance commercial rental properties such as malls and apartment buildings despite historically high total returns relative to other investments such as the nasdaq or s p 500 index most investors are unfamiliar with the reit industry and wary of investing without adequate background this book gets you up to speed on the essentials of reit investing so you can make more informed and profitable decisions understand reits processes mechanisms and industry calculate key metrics to identify suitable companies access historical performance tables and industry specific terminology identify publicly traded reits quickly and easily reits have consistently outperformed many more widely known investments over the past 15 year period for example reits returned an average of 11 per year better than all other asset classes since 2009 reits have enjoyed positive returns large cap stocks and cash are the only other classes that paralleled that record even in 2015 a year of fear related to rising rates reits returned 2 4 beating most all other asset classes reits have a long history over fifty years of performance and have entered the big leagues if you feel like you ve been missing out don t keep missing out prepare yourself and your portfolio to benefit from the demand for reits that have followed the creation of a real estate gics sector the intelligent reit investor gives you the information you need to invest wisely and manage your real estate risk effectively by maintaining a tactical exposure in the brick and mortar asset class investors should benefit from the information contained in the intelligent reit investor join the reit world and look forward to owning stocks that will help you to sleep well at night
