of suicide bombings and harsh retaliation any remaining chance for peace had seemingly died if a place can make you cry is the story of a time in which peace gave way to war when childhood innocence evaporated in the heat of hatred when it became difficult even to hope like countless other israeli parents gordis and his wife struggled to make their children s lives manageable and meaningful despite it all this is a book about what their children gained what they lost and how in the midst of everything a whole family learned time and again what really matters after a year at boarding school shion sonozaki flees the oppressive institution and secretly returns to her hometown in the mountains telling only her twin sister mion of her arrival though the sonozaki family has kept the sisters apart to prevent conflict over who would become the next family head mion and shion have remained close enough so that shion can easily impersonate her identical twin when shion encounters satoshi hojo in town he is completely taken in by her mion disguise and shion is quite taken with him fanning wisdom s flame within the heart of the reader this book will shed light on the spirituality of generations past as well as the light that is being called forth for future generations she was not sleeping well dreams headaches followed the nightmares started night terrors which were terrifying for the both of us then the loss of weight i took her to a dr he suggested medication which did not help the nightmares became worse every night she went to bed she would dream she would wake up screaming terrified every night for several weeks imagine a child any child going through this i was beside myself not knowing what to do her headaches were getting worse and her weight loss was worrying me i

did the only thing i knew to do i prayed to god to help us i was scared for my daughter and i did not know how to stop this i also did the second thing i knew to do i took her to the doctor again i told him about her nightmares and he looked at me like i was a crazy person and asked me what i thought those nightmares were going to do to her harm her i said yes they already were i was afraid for my daughter i was afraid the nightmares were going to destroy her he laughed i lost all control i could not help her so i was putting her in someone else s hand who is supposed to help her someone who is supposed to be a healer he was more concerned with her weight loss and headaches and put her in the hospital for further testing i met a mother whose daughter shared the room with my daughter they asked me questions about my daughter about her dreams so i proceeded to tell them the story the daughter kept looking at her mother then asked her if she should tell me only to hear her mother reply no the mother asked me what i thought would happen if my daughter opened the door i did not hesitate i knew if my daughter opened the door to the man in black my daughter would die this broke my heart because i felt so alone with all of this and i had no way to prevent it how could i help my daughter i had prayed and asked god to help me and i knew he was the only one who could help me for this was way out of my league the young women looked at her mother and said mom we have to tell her finally i yelled tell me what if you have something to tell me that will help my child please tell me i was desperate and somewhere inside i knew my answer was sitting right here before my very eyes find out how kathy helped her daughter and many others with her gifts from spirit listening skills for the 21st century is a
