the classic handbook on home schooling updated for a new generation of parents and students is your child getting lost in the system becoming bored losing his or her natural eagerness to learn if so it may be time to take charge of your child s education by doing it yourself the well trained mind will instruct you step by step on how to give your child an academically rigorous comprehensive education from preschool through high school one that will train him or her to read to think to understand to be well rounded and curious about learning veteran home educator susan wise bauer outlines the classical pattern of education

called the trivium which organizes learning around the maturing capacity of the child's mind and comprises three stages: the elementary school grammar stage when the building blocks of information are absorbed through memorization and rules; the middle school logic stage in which the student begins to think more analytically; and the high school rhetoric stage where the student learns to write and speak with force and originality. Using this theory as your model, you'll be able to instruct your child whether full time or as a supplement to classroom education in all levels of reading, writing, history, geography, mathematics, science, foreign languages, rhetoric, logic, art, and music. Regardless of your own aptitude in those subjects, a new optional resource recommendations portal provides subscribers with curated lists of the best curricula for every grade level and learning style. Thousands of parents have already used the methods described in *The Well-Trained Mind* to create a truly superior education for children in their care. You do have control over what and how your child learns; *The Well-Trained Mind* will give you the tools you'll need to teach your child with confidence and success.

A Parent's Guide to 2nd Grade 2000

Over two years in development and tested with hundreds of students and teachers, Sacred Story Youth Ssy is a new program designed to teach the classic Ignatian examination of conscience in a new way to children in pre-K to eighth grade. It is intended for use by teachers, parents, youth ministers, and anyone else who is interested in helping youth learn how to pray and understand spiritual discernment. The five movements of the Sacred Story—prayer, creation, presence, memory, mercy, and eternity—are combined with various commandments at each grade level to help youth learn both the content of their faith as well as how to connect with God personally in prayer. The teacher resource guides for Ssy contain each Ssy program packet, lesson plans, and everything you need to teach youth how to pray. The Ignatian Examen 1 teacher program overview, 2 guided Ignatian meditations, 3 scope and sequence for pre-K to eighth grade, 4 four easy steps teacher visual guide for Ssy's, 5 three lesson plans, 5 eighty-page Ssy theological resource guide for teachers, 6 life of St. Ignatius Loyola and meditation instruction powerpoint lesson access from SacredStory.net website, 7 certificates of appreciation for students, 8 information letter for parents of Ssy students, 9 three complete lesson plans plus complete unit plan overview, 10 template for the student meditation response logs.
