if you dare we can't escape them aliens are
everywhere they sell us soft drinks and star
in their own sitcoms but to the many people
who believe they have been abducted aboard
strange crafts aliens are a very serious
reality stories of these encounters taken from
investigators files have been vividly depicted
in television specials and motion pictures
despite their predominance as a cultural
phenomenon experts offer drastically
conflicting opinions aliens are harmless
creatures whose aim is to better understand
humans aliens are angel like entities here to
enhance our spiritual awareness aliens are
conspiring with the government in a plot to
enslave humans and aliens are genetically
breeding with humans to create a new race of
hybrids but what is really going on are aliens
abducting thousands of unsuspecting people
each year are they then inserted with tracking
devices and monitored based on his own
investigative files and almost twenty five
years of research science writer chris
rutkowski asks hard questions looking
critically yet compassionately at the stories
of abductees he is an astronomer educator and
published commentator within the area of study
known as ufology rutowski presents a case
of many abductions showing both the
diversity and similarities and explains how
