Uniform Commercial Code in a Nutshell 1995

this fully revised 7th edition will give students a comprehensive introduction to the uniform commercial code without burdening them with unnecessary detail articles 1 and 2 sales articles 3 4 4a and 5 payment systems and article 9 secured transactions as well as related statutes amendments regulations and operating rules the new edition deals not only with the 1999 revisions to article 9 but also with the recent revisions to article 1 this edition also addresses the earlier revisions to articles 5 3 and 4 it has limited coverage of the failed attempt to revise article 2 a reference volume relied on by students courts and business lawyers for decades the 7th edition has been updated in light of modern practice and provides a useful resource for students and practitioners dealing with issues in sales contracts secured transactions and payment systems

Uniform Commercial Code 1988

the uniform commercial code made easy marks the first time in the history of legal education that a novel has been used as a vehicle for delivering the content of a substantive body of law in this case a pervasive statutory scheme the uniform commercial code law in all fifty states mirroring the factual assumptions upon which the ucc was drafted the uniform commercial code made easy places the application of these laws in concrete and interesting commercial settings where they come to life logical reader questions are anticipated and answered through a variety of communication channels uniquely available to the format chosen dialogue memoranda of law texting and emails are illustrative if you are in business the uniform commercial code directly impacts your business hundreds perhaps thousands of times per day virtually every phase of a transaction in goods from sale or lease through financing is impacted by the laws of the ucc of particular significance are those provisions which can literally save a business from going under these potential landmines need to be identified before they are stepped on the uniform commercial code made easy accomplishes this important task consumers should understand the basic laws the surround and govern their purchases leases and financing of goods they should also understand as should businesses the impact of signing a promissory note how the transfer of that note can affect one's rights and how to protect one's rights when promissory notes are executed understanding how to protect your rights in these transactions is both empowering and essential the mass and complexity of the uniform commercial code has made comprehension and learning the content very challenging the ease of learning is greatly enhanced by the approach utilized in the uniform commercial code made easy as one prominent attorney and author wrote in a recently published book review yes virginia there is a santa claus in this case he comes in the form of former university of miami school of law professor robert m levine who has made one of the most complicated bodies of law in the united states the uniform commercial code not only comprehensible but entertaining tom shuck esq past president federal bar association federal bar association journal august 2111 law students business students and cpas must know the uniform commercial code it is essential to graduate from law school and is on the bar examination of every state and the cpa examination as well the following are illustrative of testimonials received on the uniform commercial code made easy it's true the ucc is just as daunting as it looks and this book is the key to unlocking its mysteries infused with practicality the uniform commercial code made easy combines every day transactions with straightforward law allowing students to not only navigate the ucc with ease but also develop a lasting understanding of the material the uniform commercial code made easy's revolutionary approach to the ucc has extensive application both in and out of the classroom as a resource for professors and a study aid for students the uniform commercial code made easy by levine was my key to success in understanding the ucc and enjoying it melissa carroll stetson university college of law i was amazed i never thought it possible to make the ucc interesting but i was wrong for once i had found a book which made me understand the meaning and interrelationships among sections and at the same time i enjoyed reading it f william harvey jd mba wharton school of business the knowledge contained in the uniform commercial code is invaluable to anyone in business or any american who is involved in basic consumer transactions the uniform commercial code made easy creates a pathway to this level in a unique and entertaining manner

Uniform Commercial Code 2022-01-27

softbound new softbound print book

The Uniform Commercial Code Made Easy 2010-10

softbound new softbound print book

Principles of Secured Transactions 2018

provides law students with an in depth introduction to secured transactions under the ucc without burdening them with unnecessary detail citations have been used to enable the reader to understand the kinds of cases that might be presented under particular provisions of the code the chapters on article 9 have been completely rewritten to deal only with revised article 9 1999 similar revisions have been made to the chapter on article 5 1996 revision and to other parts of the book to account for other code amendments

Principles of Sales Law 2017

this book discusses the uniform commercial code u c c articles 3 4 and 4a in detail it also explains to what extent provisions and interpretive cases decided prior to the promulgation of article 4a and prior to the 1990 revision of articles 3 and 4 are still useful and why changes made were needed it discusses issues not generally recognized and treated elsewhere including the meaning of the new standard of good faith the relation between accountability and final payment and consequences of radical truncation

Uniform Commercial Code 2000

this text is an excerpt from the white and summers uniform commercial code 4th hornbook hardcover the pagination chapters sections tables and index of the hardcover hornbook are retained book jacket

The Uniform Commercial Code Simplified 1967

the problems are constructed and the cases are selected and edited so students encounter only one new concept at a time some aspects of these subjects are regulated by federal statutes some aspects are covered only by judicial decisions notwithstanding the important body of federal law and common law the uniform commercial code dominates this book

Uniform Commercial Code 1957

a hypertext version of the most recent uniform commercial code u c c upon which much of the commercial law in the united states is based not all states have adopted the most recent version and many states have amended some of the uniform provisions so that the provisions of the u c c appearing here are not the uniform law of the u s although most of its provisions are in effect in most of the states site includes links to state statutes that correspond to articles of the u c c

The Uniform Commercial Code Simplified 1993

this overview of contract law explains concepts clearly and concisely in an informal humorous style for ease of reading and understanding the book omits footnotes that often increase the difficulty and complexity of the issues instead the footnotes cite cases with most including short quotations to substantiate assertions made in the text it also contains numerous examples and illustrations often with the reader assigned a role in the problem on the theory that the reader will be most interested and attentive with something at stake cross references enable review concepts that constitute building blocks for the current material
