hymns for fingerstyle guitar contains twenty five well known hymns arranged for fingerstyle guitar in standard tuning the arrangements are designed for easy sight reading with the potential to embellish them on the fly to create more complex arrangements in your own style in addition to the hymn arrangements the book includes tips and suggestions on adding your own introductions and endings as well as improvising variations recordings of all hymns are available as a free download from the author s introduction this book grew out of a need recently i was asked to play during several funerals with the request being to just play some hymns when i began looking for material i found a wealth of wonderful arrangements for fingerstyle guitar but none of them were going to work for me in this situation naturally i had only a few days notice so i wasn t going to learn and memorize complex arrangements no matter how beautiful they were even the simplest arrangements i found were many pages long and i didn t want to be turning pages during a funeral service the way i would if i tried to read the music rather than memorize it i also realized that in this setting the focus wasn t on me or how clever or complex the music was i just needed to play appropriate music for the occasion that helped set the mood and that didn t detract from the service uncomplicated melodic arrangements would be a plus my solution forms the basis of this book my own arrangements that are simple almost sketches of an arrangement what i decided i needed was a type of book known as a fake book in jazz circles but for hymns and designed for solo fingerstyle guitar jazz fake books are typically limited to just chord names and perhaps melody i wanted a bit more than that basically easily playable arrangements with no complicated parts and designed to be extended on the fly hymns abide with me amazing grace a mighty fortress is our god be thou my vision blessed assurance come thou fount of every blessing fairest lord jesus faith of our fathers for the beauty of the earth he leadeth me holy holy holy i have decided to follow jesus in the garden jesus loves me jesus keep me near the cross just as i am love lifted me praise him praise him sweet hour of prayer the old rugged cross this is my father s world turn your eyes upon jesus we are climbing jacob s ladder what a friend we have in jesus whispering hope
